The December Number will begin the Seventy-second Volume of Harper's Magazine. Miss Woolson's novel, "East Ange's," and Mr. Howell's "Indian Summer"—holding the foremost place in current serial fiction-will run through several numbers, and will be followed by serial stories from R. D. Blackmore and Mrs. D. M. Craik. A new editorial department, discussing topics suggested by the current literature of America and Europe, will be contributed by W. D. Howells, beginning with the January number. The great literary event of the year will be the publication of i ser es of papers-taking the shape of a story, and depicting characteristic features of American society as seen at our leading pleasure resorts—written by Charles Dudley Warner, and illustrated by C. S. Reinhart. The Magazine will give especial attention to American
