PHILADELPHIA, Pa., February 2.-

Senator Pugh Files a Series of Resolutions Supporting the President's Policy.

Laid Before the Senate.

WASHINGTON, Feb. 2.-Mr. Riddleberger offered the following resolution : "Resolved, that it is the sense of the Senate that the Executive of the United States is not restricted by constitutional law in removing or suspending appointees; that the Senate has no right to inquire that reasons shall be given for such removals or suspensions; that it is the right of the Senate to call for any paper relating to the conduct of removed or suspended appointees, or to the qualification the stock charged to him. He has and fitness of all persons whose names nothing and has had nothing to do are presented to the Senate for confirmation or rejection, and it is the duty of the executive to comply with

In offering the resolution Mr. Riddleberger said his purpose was simply to bring the subject up in open debate. It did not involve any so-called high prerogatives of the Senate when it -hould go into secret or Executive session but only the abstract question whether the Executive could be called on or required to give reasons for re-The Times says: A syndicate has been movals.
