GOLDSBORO, N. C. MONDAY, MAY 24, 1886.

CLEANINGS HERE AND ELSEWHERE.

The Medical Convention will be held in Charlotte next year. Heavy freshets are reported from the Western part of the State. Read the new advertisement of Messrs. Sol. Einstein & Co. in this paper. Raleigh Knights of Labor denounce the Socialists and Anarchists. Right! The President has appointed Hon. Kemp P. Battle one of the visitors to West Point. The Masonic funeral of the late John Howell was preached on Sunday last at Mt. Carmel church. The Raleigh papers announce the death of Mrs. Julia A. Dewey in that city on the 21st inst., aged 82 years. There will be no amusement at the Opera House during the week. Mr. Bonitz could not induce any attraction to come here. The Enfield Blues have been organized at Enfield with Dr. Exum Hunter, captain; Fletcher Parker, 1st lieutenant, and Dr. J. A. McGuirk, 2d lieutenant. Our thanks are due Miss Jessie Broadhurst, a member of the graduates class, for an invitation to attend the closing exercises of the Tennessee State Normal School at Nashville. Rufus W. Walston, of Scotland Neck, has fled a bond, which has been approved, for the purpose of establishing a factory in Scotland Neck for making smoking and chewing tobacco. Attention is directed to the new advertisement of Messrs. H. Weil & Bros. in this paper offering extraordinary bargains in their closing out sale of remnants. Go and secure a bargain. The Teacher's Institute for the colored, of this county, will not open till Monday the 14th of June, when it will be kept up for three weeks, and all the colored teachers of the county are expected to attend. The Washington Gazette says a real seal was caught on Judas island, by Dr. Phillips recently, and the skin shipped from that place. It measured 5 feet 6 inches, and is the third ever known in those waters. Beaufort Record: Between two and three hundred banks ponies were penned at the middle penning on Monday. Prices ranged from \$50 to \$75. The next and largest penning of the season will be on the 20th instant, at the Diamond about fifteen miles from Beaufort. Cotton futures sold in New York yesterday at the following quotations: May 9.14@9.15c; June 9.14@9.15c; July 9.24@9.25c; August 9.33@9.34c; September 9.16@9.17c; October 9.02@9.03c; November 8.95@8.96c; December 9.01@9.02c; January 9.07@9.08c; February 9.17@9.18c; March 9.27@9.28c. The State Medical Society was banquetted at Newbern Thursday night. The committee appointed to consider the matter of establishing a medical chair at the University submitted majority and minority reports. The majority report recommending the establishment of the chair was adopted after a long and warm debate. We have received a handsome invitation to the commencement exercises of Middleburg male academy to be held June 3rd. Rev. Dr. James Maple, of Raleigh, delivers the address. The managers are, Eugene L. Crocker, chief; S. H. Harris, R. H. Mitchell, W. T. Rowland. The marshals are, Thomas V. Rowland, chief; J. H. Plummer, J. C. W. Richardson, W. G. Mitchell. Are you in favor of keeping up the Graded School? Then step forward and give tangible evidence of it by contributing to its support, if you have not already done so. The present outlook is anything but encouraging. Only about half the sum needed has so far been pledged, and the matter must be determined during this week—the money must be pledged or the school will have to go down. What will you do about it? We have on our table a neat invitation to the commencement exercises of Kingston College to be held Tuesday, June 1, at 8 p. m., for the primary department; Wednesday, June 2, at 8 p. m., for the collegiate department. Thursday, June 3, at 11 a. m., the annual literary address will be delivered by Clement Manly, Esq., of Newbern. Thursday, June 3, at 8 p. m., annual concert. Dr. R. H. Lewis is the principal of this excellent school. The Wayne county Teachers Institute for the whites will begin on Tuesday the 1st of June, and will continue three weeks. The Institute will be under the supervision of Prof. E. A. Alderman, who will be ably assisted by Prof. E. P. Moses, Mrs. M. O. Humphrey, Miss Mary H. Robinson, and others. It is hoped that every teacher in the county will attend the Institute, as is required by section 2507 of the public school law. Raleigh News-Observer: By special arrangements all railroads in the State will sell tickets to the Hill at one-half cent per mile less than usual rates. The Seaboard & Roanoke and Raleigh & Gaston Railroad will sell tickets on the return trip at one-half regular rates to parties having a certificate of attendance at commencement from June 2 to June 7, inclusive. Our young townsman Mr. Geo. K. Denmark, left here yesterday for Washington, where he goes to fill an appointment in the Treasury Department, and which we are quite sure he will fill in a most worthy manner. The position was awarded to him by the Civil Service Commission, he having passed a successful examination. Only a few weeks ago Mr. Murphy of Sampson county, received an appointment at Washington by passing the Civil Service examinations, and yet we hear many decriers of that system. It may not be perfect and should be improved upon with every opportunity, but who will say that either of these worthy young men could have secured the places thus awarded to them upon their merits only, had they been compelled to rely upon political influences? Civil Service men have its objectionable features and yet it seems that occasionally it gives young men of merit a chance.

—Messrs. Ed. Porter and W. H. Godwin, of this city, two of our best and most reliable mechanics, have the contract of putting up a handsome residence for Jacob Battle, Esq., at Rocky Mount. They will give him a first-class job.

GOLDSBORO JOTTINGS.

Personal Mention and Items of Interest at Home. THERE is no change in the condition of Mrs. Diana Green. CAPT. THOS. W. SLOCUMB attended the Conference services at Richmond yesterday. MISS MARY BORDEN, who has been quite sick, we are pleased to learn, is convalescent. MAJ. WM. A. SMITH, of Johnston, was in this city on Thursday and reports fair crop prospects. MRS. E. B. BORDEN and Mrs. N. R. Grainger returned home from Richmond on Friday evening. A PARTY of our young people gave a pleasant Hop at the Graded School building on Friday night last. The new city ordinances are in the hands of our printers and will be ready for distribution in a day or two. We are pleased to learn that the condition of Mr. W. S. Farmer's little daughter is somewhat improved. DR. A. M. LEE and lady, of Clinton, has been visiting the families of Messrs. Henry and Mat L. Lee, in this city. The Board of Directors of the Eastern N. C. Insane Asylum will meet in this city on Wednesday, June 9th. MR. A. B. FREEMAN has bought the Jacob Baker property, and contemplates building a handsome residence on the corner. THE ladies of the Memorial Association contemplate holding a Fair at an early date to raise funds for enclosing the soldiers graves with iron railing. MR. WASHINGTON BRYAN, President of the Atlantic & N. C. Railroad, was in this city a short while on Saturday, looking after the interests of his road. MR. T. H. BAIN has been appointed tax collector for the city of Goldsboro. He will attend at the court house for that purpose from June 7th to June 29th. THE C. A. B. Club is requested to meet at their hall to-night, (Monday) at 8 o'clock sharp, for transaction of important business. By order of the manager. THE tournament coronation ball, to be given at the Armory Thursday night, will doubtless prove a most enjoyable affair. The Italian band will furnish the music. The cemetery is being enlarged. Mr. Reddin Pittman, a competent civil engineer, is laying off the new part and is also making a new map of the entire grounds. SUBSCRIPTIONS for the Graded School fund are sadly needed. Come forward, gentlemen, to the rescue of the children. Subscriptions are received at this office. OUR city editor, Mr. J. B. Whitaker, Jr., was taken with a congestive chill on Thursday, and has been confined to his home since. We hope soon to see him at his post again. MR. WILL N. HANF has in course of erection on George street, opposite the Presbyterian manse, a handsome two story residence, and contemplates the erection of two others. MR. O. R. RAND is rapidly running up the brick walls for his new machine shops, which he hopes to have completed by the time his new machinery reaches here early in June. THIS section has been blessed, since our last issue, with copious and refreshing rains that moistened the thirsty earth and revived vegetation. The rain was sadly needed. WE were pleased to receive a call on Friday from Hon. Kemp P. Battle and his brother R. H. Battle, Esq., also from our esteemed friend W. A. Guthrie, Esq., of Fayetteville. A BUSY week this for Goldsboro—the Episcopal Convention, the closing exercises of the school, the races, the tournament and ball, and local option agitation. This ought to keep every body busy. THE Local Option Club will hold its next meeting to-morrow (Tuesday) night, at the Opera House. The public are invited. Messrs. W. G. Burkhead and W. C. Munroe will address the audience. THE two new residences of Messrs. R. G. Powell and Jas. M. Powell, on East Centre Street, south of W. W. Slocumb, Esq., which Mr. Geo. W. Bucher has under contract, are nearing completion. OWING to the wash-out on the North Carolina Road, the Southern mails usually going via Charlotte, have been turned east via this point, for several days, and the mail transfers have been exceedingly heavy. THE many friends of Mrs. Speights Sauls will be pained to learn that since her return from Fremont she has been seriously indisposed, but we are pleased to be able to announce is somewhat better this morning. THE ladies of the Memorial Association request us to thank Mr. Will N. Hanf, of the Ludden & Bates' Music House, for the use of organ on the occasion of the memorial exercises, also chief of police J. R. Hurst for the excellent order maintained during the progress of the exercises. THE interesting services at St. Stephen's Church will commence Wednesday at 11 o'clock a. m. The Wilmington St. James Church choir takes part in the opening services. In this connection we are requested to say that the committee on entertainment will be at all the trains to meet the clergy and delegates attending the convention. MESSRS. JOHNSTON & YOUNG, scenic artists, are in this city for the purpose of painting some new scenery for the Opera House. They will also get up a handsome new curtain for the stage to take the place of the advertisement curtain used the past three or four years. Mr. Bonitz obligates us to keep the new curtain in use for at least three years.

THE NEW ARRLINGTON HOTEL, IS RAPIDLY, BUT GENUINELY, GROWING IN POPULARITY. THE HOUSE OFFERS COMFORTS AND

level of fare unexcelled by any other hotel in the State, and in the person of Mr. King they have a head cook and superintendent of the kitchen department who thoroughly understands his business. We learn that inspector general Cameron, on his late visit to Goldsboro to inspect the Rifles, expressed himself as disappointed that the citizens displayed so little interest on the occasion and so few took the trouble to view the interesting and well conducted inspection drill. He declared his intention in the future to conduct the inspection in the army in the absence of any expressed desire to have a public parade. We are sure our citizens must understand that the Rifles and were not aware until too late that the inspection would be, as it proved, of special interest. THE Episcopal Convention of the Eastern Diocese will be held in this city, commencing on Wednesday. Bishop Watson will preside and an interesting session is expected. The Rev. Nathaniel Harding will preach the introductory sermon. On Wednesday the services will be of special interest. A special train will come here from Wilmington that mornings, bringing the male choir of St. James Church, consisting of forty voices, who will sing at morning prayer and holy communion on that day, including the rendition of "Strophens Te Deum," in F., which is a most superb and grand musical composition. It is thought that the convention will close its labors by Saturday.

HYMENEAL.

At Walnut Hill, in Wake county, on Thursday last, our young townsman Thos. W. Dewey, Esq., the popular Teller of the Bank of New Hanover, was united in marriage to Miss Eliza Mial, daughter of Mr. A. T. Mial, of Wake county. The Rev. W. C. Norman performed the ceremonies in the presence of a large company of friends and the following attendants: Mr. E. B. Dewey and Mr. Millard Mial. Prof. E. A. Alderman with Miss Hattie Dewey. Mr. F. K. Borden with Miss Lizzie Lee. Mr. W. A. Dick with Miss Mamie Williams. Mr. W. R. Allen with Miss Julia Borden. Mr. J. A. Moseley with Miss Lula Borden. The happy couple arrived here Thursday evening, and became at once the recipients of the sincerest congratulation of a host of friends. A reception was given them that night at the residence of the groom's mother, Mrs. H. Dewey, which was largely attended and many were the handsome bridal presents bestowed upon the young couple. THE MESSENGER adds its hearty congratulations to the many already received. May their pathway through future life be strewn with fragrant flowers, and may never a dark cloud roll across their present happiness.

LOCAL OPTION.

A Squabble Over the Matter of Holding the Election. There seem to be a squabble over the manner in which the Local Option election had been ordered for this township. The election law requires that a registration for this city be held by wards and that the voting be done likewise. This was overlooked by those having the local option matter in charge, and instead of five registrars only one had been appointed, ignoring the ward system entirely. The fact that proper advertisement had been omitted was likewise pointed out by the opposition as an irregularity likely to affect the validity of the election, hence, at the instance of the friends of Local Option, a special meeting of the Board of County Commissioners was held on Saturday last, when a full corps of poll holders and registrars was appointed. We hope that this timely correction will settle the question so far as the validity of the election goes. The irregularities are not of such serious nature as to permit them to stand in the way of a fair and honest expression of public opinion on the question at issue, and ought not to be taken advantage of, since neither deception or fraud were designed or intended.

"TAKE SOMETHING."

A Novel way to Lessen Liquor Drinking. Have any of our readers an idea to what extent the practice of "treating" is carried on in Goldsboro? It is, and has been for generations, considered the genteel thing for friends to invite each other up to "take something," and thus the thing passes along from one to another till each has named, drunk and paid. In some localities Anti-Treating Leagues are doing an active business in the way of procuring signatures to an anti-treating plan, which forbids drinking at other's expense or inviting another to drink at your expense. Premiums are offered to those who secure the best list of signers to this pledge. There is no information to indicate what degree of success is attained by a temperance movement of this kind, but it is reasonable to suppose that if it is conducted in the right way it must have some influence. Most of the drinking in this county is done under the treating system, and one in a party of three or four is much more likely to get more than is good for him than if he were alone. Every-one in a party has a queer idea that he is under obligations to "set 'em up," and each gets three or four drinks on this co-operative plan where he would otherwise have but one, and where one is as much, if not more, than is likely to be good for him. If nobody ever treated drinking would be reduced one-half.

THE MESSENGER

Real Estate Agency, GOLDSBORO, N. C. Our recent articles on immigration, designed to induce Northern capitalists and settlers with means to invest and locate in North Carolina, has brought in quite a number of letters of inquiry from parties who contemplate seeking homes in the South, asking for description of places for sale. We have also had numerous offers from land owners who wish to dispose of portions, or all, of their surplus lands, but with no definite description of lands or prices. This has induced us to establish the Messenger-Real-Estate-Agency in connection with this office, and our Mr. J. HOWARD BROWN will give to this department his personal supervision. In order to reach the desired class we have arranged to run an advertisement in some 1000 newspapers in the Northern and Western States, offering to mail specimen copies of the MESSENGER and to furnish such information as may be desired, to all who will apply, and in this way we hope to reach the most desirable class of people and to bring the advantages of North Carolina before the very people who seek homes in the South. THE MESSENGER will also be placed on file in a large number of Hotels, public Reading Rooms and Real Estate Exchanges in other States, and thus the advertisements of all wishing to sell lands will receive the greatest publicity. Our advertising rates are \$5.00 for a two inch advertisement, to be inserted in our weekly edition every alternate week, for three months. In addition to this we will enter the lands so offered upon our printed circulars containing list of lands for sale by the Agency, and endeavor to secure a purchaser by giving these circulars a large distribution. We invite correspondence with land owners in all parts of the State, as our Agency is for the whole State, and we shall give no preference to any section. The mountains present attractions for the same, the middle section for others, and the seaboard, for still others. We are now in correspondence with parties looking for large tracts for colonization, and with manufacturers seeking factory privileges and inducements for investing capital on joint account with established or projected enterprises. We also expect to organize excursions from the North and West of farmers and others wishing to visit North Carolina, and shall afford them unusual facilities for inspecting every part of our State and direct them especially to the lands listed and advertised by this Agency.
