GOLDSBORO, N. C.

THURSDAY, -- -- -- JUNE 17, 1886.

CLEANINGS HERE AND ELSEWHERE. --Come to the county convention on Saturday next.

Stockholders meeting of the A. & N. C. Railroad at Morehead on Thursday next week.

Mr. W. P. Ormond has been elected Register of Deeds of Greene county, to succeed the late Mr. John C. Dixon.

Wayne county will be entitled to 56 votes in the Judicial Convention, instead of 54 as stated by the News-ObsERVER of last week.

An interesting account of the closing exercises of Burgaw Academy came to late to appear in to-day's paper. Will publish next week.

Dr. Addie Person is announced to address the temperance society of Stoney Creek township, at the school house on Saturday, the 26th inst.

On Tuesday a freight train going South pulled 42 cars, and yesterday two trains South-bound, one closely following the other, had 36 cars each.

Mr. J. A. Pridgen, chairman of the board of commissioners of Lenoir county, offers for sale the county's stock in the A. & N. C. R.R., 500 shares, in lots to suit.

Messrs. M. Summerfield & Co., advertise the Thos. Bolton shoes at low prices. The Bolton shoe is a splendid shoe and cheap at the price at which it is sold. See advertisement.

Raleigh News-Observer: Mr. J. H. Blackwell, of Reidsville, was bitten by a mad dog last week. He made haste for Person county, the famous Pointer-mad-stone was applied and his life was saved, he believes.

Gov. Seales will send the board of internal improvement on the 23d inst., in company with the directors, over the Atlantic & North Carolina Railroad to thoroughly examine the line and they will make a report.

There was an affray in what is known as the Five Points section Tuesday night, and we learn that in the fight L. L. Merritt seriously stabbed Will McKinnie. Mr. McKinnie has the reputation of being a quiet, peaceable young man.

Capt. Eugene B. Wiggins died at Wilmington Saturday, aged 58. He was a native of Halifax county, and a son of Mr. Mason L. Wiggins. He was a gallant Confederate soldier. He married a daughter of Mr. A. H. Van-Bokkelen, of Wilmington.

Robert Robinson, aged 16 years, of Wadesboro, died on Monday of hydrophobia, after twenty-four hours suffering. He was bitten on the left arm by a mad dog two years ago and a few days before his death he was stung by bees on the same arm.

The Judicial Convention of the 6th district, will be held at Goldsboro on the 30th of June. Indications are that Judge Boykin will receive the endorsement of the district for the nomination for Judge, and likewise Oliver Allen will have the solid support of all the counties for solicitor.

Printers ink pays! Evidently many shrewd business men think so, and no doubt realize their expectations. The Swift Specific Medicine Company of Atlanta, Ga., make use of a whole page of the MESSENGER to-day, in bringing their popular medicines to public attention. Swifts Specific is highly endorsed by all who have used it.

Mr. J. M. W. Elder, colporteur of the American Bible society, gives the Wilmington Star the following statement of work done by him in Brunswick county: He visited 2,000 families--1,227 white and 262 colored. He distributed 27 Bibles and 262 colored families; a total of 559 families found destitute of the word of God.

Neuse Band of Hope will give a public entertainment at Five Points, Brogden township, on the 26th inst. The exercises of the Band, consisting of recitations, dialogues, songs, etc., begin at 9:30 a. m., after which the audience will be addressed by Charles B. Aycock, Esq., whose reputation as a public speaker is a sufficient guarantee that the occasion will be one of interest and profit.

A fire, the origin of which is unknown, was discovered on Friday last, in the combination mail, express and baggage car on Jamesville & Wilmington Railroad, near Weocas. The car contained six mail pouches, considerable express matter and some baggage. All the newspaper mail, some letters, and most of the express matter were consumed. No one was in the car at the time the fire originated.

The closing exercises of the La Grange Collegiate Institute are in progress as we write. The annual sermon was preached last Sunday by Rev. T. J. Ogburn. The concert on Tuesday night proved a pleasant affair, and the exercises passed off greatly to the credit of faculty and pupils. The annual address was delivered by Rev. Dr. Whitfield. We hope to be able to lay a full report of the exercises before our readers next week.

It does not appear at all probable that an enactment will be held this year. The last Legislature made a loan of \$3,000 out of the public funds, for this purpose, conditioned upon its repayment. Gov. Seales decides that this sum must be refunded now out of the present resources. Unless the railroads give transportation at almost nominal rates the project of holding the encampment appears to be impracticable. The railway authorities have been written upon the subject and in a few days, upon their replies, the Governor's definite decision will be based.

Raleigh News-Observer: Messrs. Cooke & Foster Bros., the proprietors of the Atlantic Hotel, Morehead, will spare no pains to make the meeting of the North Carolina press association the most pleasant ever held. To lighten the most serious work of the convention, there will be various amusements provided. Friday evening ball will be given in the grand ball room of the Atlantic Hotel, complimentary to the press association. Special rate tickets will be sold personally wishing to attend the ball. These give a capital opportunity to see Morehead and at the same time participate in the enjoyments of a very festive occasion.

Thanks to the managers for an invitation to attend a picnic and hop to be given at Halifax on the 23d inst. The managers are Messrs. G. L. Hyman, W. B. Lavender, F. Froelich, Dr. H. B. Furgerson, M. J. Webb, S. M. Gary, Willie Froelich, I. F. Dicken, and B. H. Hall.

GOLDSBORO JOTTINGS.

Personal Mention and Items of Interest at Home. DEMOCRATIC MASS MEETING ON SATURDAY. The work on the Hebrew synagogue is progressing nicely.

MISS MARY CARROW left yesterday to visit friends in Raleigh. Mrs. J. D. FARRIOR on a visit to relatives in Duplin county.

MISS REBECCA ROBINSON, of Wilson, is visiting Mrs. D. P. Haskitt. MISS ALICE EXUM is visiting her sister, Mrs. Thos. Edmundson.

MISS ADA WOMBLE, of Raleigh, is on a visit to Miss Carrie Waitt. MR. GEO. A. RAMSEY, of Kenansville, was in the city on Monday.

LAST week of the Wayne County Teachers' Institute for the whites. It looks as if this section will be spared a base ball epidemic this season.

MRS. W. A. DENMARK, we regret to learn, has been quite sick for several days. LITTLE MISS LIZZIE ALLEN is visiting her brother, Mr. O. H. Allen, at Kenansville.

REV. DR. J. B. BOBBITT spent Monday night in the city with Rev. Dr. L. S. Burkhead. PROF. B. C. McIVER, of our Graded School, has gone to his home in Sanford, Moore county.

DON'T forget to list your taxes. It saves trouble to attend to such matters at the proper time. THE condition of Mrs. Willis Edmundson, many friends will be pained to learn, is quite critical.

THE Orphan's Friend of last week credits the citizens of Goldsboro with a contribution of forty-one dollars. REMEMBER the sociable to be given by the Baptist ladies this (Thursday) evening, at the residence of Mrs. M. E. Millard.

MR. L. L. BURKHEAD (Dick) is at home from Trinity College. He spent a few days with relatives in Raleigh en route to this city. MR. FRANK K. BORDEN'S fine mare astonished the horsemen last Monday by trotting, without training, a mile inside of three minutes.

PROF. JAS. S. PRIDGEN, of this city, instructor in penmanship in the King's Mountain High School, arrived at home Tuesday for vacation. THE Eastern Carolina Fair and Stock Association offer \$1,025 for trials of speed at their next annual exhibition, to be held on the 3d, 4th and 5th of November.

QUITE a number of "quill drivers" passed through the city yesterday afternoon on route to the Press Convention, which convenes at Morehead City this morning. A LARGE crowd will probably be attracted here Saturday by the Democratic mass meeting for the selection of delegates to the State, Congressional and Judicial Conventions.

DO THE weeds that grow upon the railroad embankment and in other parts of the city, conduce to the health of the community? If so, we are willing to sacrifice regard for appearance and say let them remain. If not, let them be cut down and hauled away.

WE would urge those of our citizens who have the interest of our Graded School at heart and who have not yet subscribed to the fund for carrying it on next session, to hand in their subscriptions at once, in order that the Trustees may give definite shape to their plans.

THE Carolina Music House has a regular piano factory connected with its establishment, where old instruments are apparently turned into new ones. Mr. Morton has an excellent workman of many years experience as a piano maker.

MESSRS. W. T. YELVERTON and W. H. Smith will consolidate their hardware stores on or about the 1st of July. The new firm will occupy the store now occupied by Mr. W. H. Smith. This store, we understand, will be enlarged to meet the demands of the increased stock.

THE white Local Option Club met at the court house Tuesday evening and adopted Constitution and By-Laws for the government of the Association. Meetings will be held hereafter on the first Monday evening of each month. At the July meeting officers will be elected for the ensuing six months.

THE many friends of Miss Annie Moore will be greatly gratified to learn that she is coming home. Together with Prof. Claxton and wife, she sailed from Germany on the 12th inst. and will probably arrive here the last of the month. A most cordial greeting awaits these young people who have so many sincere friends here and elsewhere in the Old North State.

THE Press Convention, which convenes this morning at Morehead City, will leave here Saturday morning for Washington City, and will arrive at Washington Sunday morning and remain until Tuesday. An informal reception will be tendered the Association Monday night by the North Carolina delegation. The Metropolitan Hotel will be the headquarters of the members during their stay in Washington.

ANOTHER cherished little one borne upon angels' snowy wings to the realms of glory! BESSIE DOUGLASS, aged 15 months, youngest child of Mr. and Mrs. R. P. Howell, died on Tuesday evening last, after an illness of two weeks. The funeral took place from the residence yesterday afternoon, at 5 o'clock, Rev. Dr. L. S. Burkhead officiating. The family have the sincere sympathy of their many friends in the midst of the tear-laden clouds that are gathered about them. In these clouds and through these tears may they see the promises of the Saviour and be comforted.

SLEEPING cars are now attached to the North Carolina passenger trains. The first of the season came through Tuesday.

We were pleased to meet on Saturday last, our young friend, Mr. John Arrington, who has come down on a flying trip from Raleigh, where he holds a position in the extensive establishment of W. H. & R. S. Tucker & Co.

We were pleased to receive a visit from Wm. A. Johnson, Esq. of Chiton, on Tuesday. His little paper, the Clinton Enterprise, published under contract from this office, is a spicy and interesting sheet, and very popular with the people.

We would again urge upon the authorities and upon our citizens the importance of keeping clean the streets, alleys, back lots, etc. We have laws upon the subject that ought to be strictly enforced. The disagreeable odors that so frequently attack the olfactory is prime facie evidence that the sanitary regulations are not rigidly adhered to. The health of the city is too vital a matter to be trifled with. Let there be no partiality in the enforcement of the law, but let every citizen, rich and poor, white and black, be required to clean thoroughly his premises and keep them so. We are earnest about this matter and propose to continue agitating it until we see more strenuous efforts towards improvement.

"HERE'S a state of things." Tuesday afternoon the N. C. train was about twenty minutes late as it arrived while the W. & W. train was standing at the depot, but immediately before the transfer of mail and passengers could possibly be effected, the latter train pulled out, the conductor refusing to wait. This officer may have acted under orders, or in the absence of orders. However this may have been, such occurrences show a disregard for the traveling public and ought to be remedied by the proper authorities. It is true that another train passes over this road, about three hours later, but it only stops at one or two points between here and Wilmington and passengers left, as they were Tuesday, may be forced to incur expense, as well as disappointment in waiting, while a delay of the first train for five minutes or less would have avoided the trouble. We learn that the mail was missed Sunday afternoon, under similar circumstances.

THE GRADED SCHOOL. The Trustees Decide It Shall Be Maintained. At a meeting of the Trustees of the Graded School held Tuesday the future of the school was earnestly discussed and considered.

At a meeting of the Trustees of the Graded School held Tuesday the future of the school was earnestly discussed and considered. The Chairman reported that he had nearly or about \$4,500 pledged in support of the school and hoped to be able, in connection with the amount expected from the common school fund, to increase the sum to at least \$6,000, if no more, as many of our citizens had not yet responded who, doubtless, would willingly contribute.

It was decided to open the next school year on the 23rd day of September next, provided the first half of the contributions are promptly paid when due--Sept. 15th, and to continue the school for nine months. It is thought that the amount the school will receive from the public fund will about run the Institution for two months. Every child in Goldsboro township will have the benefit of the school so long as the public money holds out, but after that, the children of only such will be admitted, free as have given evidence of their friendship for the school and their contributions, and such of those unable to pay as the Trustees shall admit. All others will be required to pay a reasonable tuition.

Prof. E. A. Alderman was re-elected Superintendent. Mr. John L. Borden declining a reelection, Mr. B. C. McIver was chosen first assistant.

The other teachers chosen are Mrs. M. O. Humphry, Mrs. Mary Griswold, Mrs. A. C. Craton, Miss Mary Morrow, Miss Olivia Millard, Miss Mary H. Robinson, Miss Jennie Royall, Miss Clara Jones and Miss Bettie Spicer. It was deemed best to defer the election for the rooms in the primary department, heretofore taught by Miss Florence Bonitz and Miss Kate Millard, until the contributions hoped yet to be received shall justify the Trustees in electing a full corps of teachers.

NEWTON STATE NORMAL SCHOOL. The session begins June 30th and ends July 3d. The following compose the faculty: M. C. S. Noble, Wilmington, superintendent and teacher of arithmetic; E. P. Moses, Raleigh, teacher geography and history; E. C. Branson, Athens, Ga., teacher of teaching and English grammar; H. R. Sanford, New York, school government and methods of teaching; J. M. McCorkle, M. D., Newton, physiology and hygiene; J. A. Foil, Catawba college, algebra; Miss Nellie Cook, Wilmington, teacher of model school; Miss M. L. McCorkle, Anson High school, music. In addition, there will be daily exercises in reading, spelling, writing and calligraphy. The coming session bids fair to be the best ever held at Newton. Those who wish instruction about board, etc., should write to Rev. J. A. Foil, Newton.

DUPLIN NEWS AND NOTES.

The truckers continue to ship large quantities of beans; the presumption is that they receive a fair remuneration. The commencements are over and the boys and girls have come home for the vacation. Each pupil, when asked, will say that he has been at the best school of his kind in the State. Does not such testimony speak well for the teachers?

Miss Fannie Chestnut, of Sampson, and Miss Anna Brown, of Beaufort, are visiting relatives in Warsaw, while Miss Ella Brown is at Parrell's Store and Miss Hatte Colwell. The young ladies are exercising their privilege to visit and we hope that they will come oftener and stay longer; don't you, Richard?

At the recent commencement of the University, Rev. J. L. Carroll, pastor of the Baptist church at Asheville, was made a D. D. Dr. Carroll is a native of Duplin and a son who reflects honor upon his beloved county. At the same commencement Miss W. H. Carroll, a nephew of the Doctor, graduated with the degree of A. B. Mr. Carroll has chosen the law as his profession and we predict for him a successful career, for the Carrolls are leaders in everything they undertake.

The Presbyterians of Warsaw have organized a Sunday School in connection with their church. The officers of the new school are: L. P. Best, Superintendent; W. Middleton, Assistant Superintendent; and J. E. Sprunt, Secretary and Treasurer. These officers are good and true men and we sincerely hope that their school may accomplish much good.

Mr. A. D. McGowan, of Kenansville township, was married Sunday, the 13th inst., to Mrs. P. E. Rives, of Oxford. The happy couple came to Duplin on Monday and gave a family reception that night. Mr. McGowan is one of Duplin's largest farmers and most successful business men, and we join his numerous friends in wishing him a long life of happiness.

Sampson county has long been noted for its true democracy, beautiful women, energetic men and big blue huckleberries. We do not question the sincerity of her democracy, for the good never grows in the soil of the beauty and irresistible loveliness of her daughters, we can prove it by disinterested (!) witnesses of your city; while a trip through the country will satisfy any one as to the truth of her citizens, but we do doubt her right to longer carry the banner as the big blue county. Does some one derisively laugh because forsooth we raise the huckleberry? Let them hear us through Warsaw and Magnolia. 2,500 quarts each, per day, for several weeks, while other points have made heavy shipments. The merchants have paid an average of 6 1/2 to 7 cents per quart for the berries and this money has gone to a class who were not, and would not have been, engaged as farm laborers. Thus, that which at first might seem to be a little thing, is worth hundreds, yea, thousands of dollars to our poor people.

We note with pleasure the growing disposition of newspaper correspondents to lay before the public the success of the farmers. A few years since Mr. Owen Quinn, of Beaufort, then quite a young man, bought a piece of land with scarcely a stick of timber amiss. By energy and perseverance Mr. Quinn has opened a large farm, said to be the best on farm in the eastern part of the county and one of the best in the entire country, while his homestead is a model of comfort and convenience. Moral: Boys, stick to the farms.

At his last appointment at Chinquepin, Rev. Mr. Kennedy baptized and received into the Baptist church two interesting ladies. Mr. Kennedy thinks there is a bright future for the Baptists of Chinquepin.

Occasionally we hear murmurings from the approaching political storm. The contest promises to be fiercest over the honors that are to be bestowed by Duplin alone. For the lower branch of the legislature we have heard the following gentlemen mentioned: N. B. Outlaw, Dr. Loftin, J. D. Southerland; Geo. W. Bradshaw, B. Witherington, Capt. A. G. Moseley an ex-member, and H. J. Faison, commissioner elect. These are all good men and either one of them would be an excellent selection. The friends of Moore, and their name is legion, would be glad to have him go to the Senate.

We hear of several residences that are to be built in Warsaw this summer and fall. Mr. J. E. Sprunt is to begin work on his beautiful lot soon and others will follow. Warsaw is on a boom despite the "hard times"; and why should it not be? Her educational facilities are unsurpassed; her Sunday schools are flourishing; the health of the place is proverbial; her people are kind and generous while the merchants retail goods as cheap as they can be purchased in the city.

MOUNT OLIVE SPLINTERS.

Little Eunice May, 6 months old daughter of Mr. & Mrs. H. T. Ham, died quite suddenly Monday, the 14th inst., of cholera infantum. We sympathize with Mr. & Mrs. H., in their second bereavement, they having lost their little girl Carrie, only 7 months since, aged 2 1/2 years.

Miss Lou Smith, who has been teaching at Kittrell's, has returned home for a vacation. Miss Bella Marable has returned from a somewhat lengthy visit to relatives in Va., having been absent since last December.

Miss Lola Davis is visiting friends in Kinston. Miss Winnie Hatch ditto. One of our young men has found himself a girl. He purchased a coat and vest a few days since of one of our merchants and when clipping off the tags he found her address on the inside. Of course that led to a correspondence. We will wait further developments.

Mr. John Smith, of course every body in the United States knows a "John Smith," our John, is amusing himself and other trying to learn to ride a bicycle. Many are the falls he has had, but we think he is learning right fast.

Sometime ago when Castello Bros.' show was here their clown told us (as we suppose he said everywhere) that "he had become very much attached to Mount Olive and that if we would make him President of these United States, he would establish a molasses pond here and plant a fritter tree in the center of it." So one of our merchants being a liberal fellow, donated a barrel of molasses a few days since towards said pond. Or rather a drayman who was loading a barrel of molasses at the railroad warehouse for Hatch Bros., carelessly allowed it to roll off the dray, when it immediately burst and "spread itself." What a sweet time the negroes and hogs had for a while.

Our Mr. C. B. Elmore, section master, claims the credit of having changed his part (2 miles) of the road gauge between Wilmington and Florence, in less time than any one else, he having completed his task with 6 hands in 2 hours and 35 minutes. They were limited to 4 hours.

DIED.

On the early morning of the 12th, CHELSEY EDGERTON, wife of Michael Edgerton, at her home near Fremont, died of heart failure. She was buried on the following day in the family burying ground. The deceased was a devoted mother and a loving wife, a consistent member of the Society of Friends and leaves a large circle of friends who have been won by her kindness and sympathy to mourn her loss. She was 64 years of age, had brought up eight sons to maturity, and was the first of the family to pass away, except an infant son.

RESOLUTIONS OF RESPECT.

To the Officers and Brethren of Harmony Lodge, No. 340, A. F. & A. M.: WHEREAS, It has pleased the Supreme Ruler of the Universe to remove from our midst and membership of Harmony Lodge, No. 340, A. F. & A. M., our Brother, JOHN HOWELL, who departed this life at his residence near Pikeville, N. C., on Saturday night, the 8th of May, 1886, He died suddenly of heart disease. He was about 70 years of age. Therefore be it resolved, That while we bow in meek submission to this dispensation of God's unerring Providence, yet we can but mourn the death of our Brother who has thus been cut down, though apparently an old man he was ever faithful and true to his Masonic trust for the past eleven years, for which, during this time he has consistently discharged his duties so frequently and so bravely that he has won the respect and admiration of all who were acquainted with him; and we tender to his widow and family our sincere sympathy in their bereavement and earnestly inculcated in the Lodge room: so that we can truthfully say that Masonry has lost a better and truer man in every relation of life as husband and citizen.

Resolved, That we deeply sympathize with his bereaved widow and son in their disconsolation and humbly commend her to the tender mercies of Him who promises to be the widower's husband and we tender to her our heartfelt condolence, promising to do all we can by our Masonic charter to lighten her wounded spirits of this deep sorrow.

Resolved, As a token of our esteem for our deceased Brother and in memory of his many Masonic virtues, we will wear the usual badge of mourning for thirty days.

Resolved, That these resolutions be spread upon the Lodge minutes, a copy furnished to the widow and also the Goldsboro Messenger for publication. Resolved, That the following be the Order of the Lodge: N. K. EDGERTON, W. B. HOWELL, E. BROWN, Committee.
