As a matter of course in some of

these districts exceptional causes may have operated to produce the result of the last election, but when such is trict is none the less doubtful.

In Ohio the democrats are certain to lose several representatives, because republican legislature. As for In-At 1 o'clock there was a cry made diana, the democrats may lose a disthat gave us the pleasure of forming trict there through internal strife over Sanson, the grandson of the original only be kept out by imposing on but- around as well furnished a table as the nomination, but if party lines are xecutioner.

Tuesday we visit the National Art

The Liberal Members

Everything was carried out to perfectione, and that the prohibitory. The Liberal Members Everything was carried out to perfectione, and that the prohibitory in the nomination, but it party lines are ever was beheld by any neighborhood. In New York "Anti-Prohibition," which was dis- it is scarcely probable that the democussed very ably on both sides. D. G. crats will hold as many districts as Mr. Editor.—I see that "C. W. H." Rhodes, chairman, announced that they now have, though their losses in their close districts and still retain a respectable majority. Without any stirring issue with which to go to the people, and with politics in a quiescent state, it is natural that some districts shall be lost through indifference, but this effect will operate upon the two parties alike. Holding the vantage ground as they do, the chances are that the democrats will retain control of the House.

weather, I can truthfully say that Cream Balm cured me. I regard it as of great, value and would not be without it during

the Hay Fever season. L. M. GEORGIA, Binghamton, N. Y. Motto for persons who preserve fruit They can, who think they can.
