There is to be an excursion from Reidsville to Morehead City on the 9th inst.

The Board of County Commissioners and County Board of Education meet to-day.

Col. A. S. Buford, of Richmond, Va., has gone to Morehead on his private car, accompanied by his family.

Col. A. C. Davis, of LaGrange, was quite seriously sick last week. We are glad to hear that he is improving.

An excursion will pass here to-morrow morning from Smithfield en route to Morehead City, returning on Thursday.

The White Sulphur Springs Hotel in Haywood county is to celebrate its burning by a ball. Something new, you know.

The Grand Council of the North Carolina American Legion of Honor will be held at Elizabeth City, Pasquotank county, to-morrow.

Col. D. Worthington was renominated on the first ballot in the Third Judicial District, the vote standing: Worthington, 149; Col. I. A. Sugg, 101.

Senator Ransom has secured an appropriation of \$20,000 for restoring the light house on Harbor Island Bar, between Pamlico and Core Sounds, N. C. coast.

Prof. P. P. Claxton has been elected Principal of the Wilson graded school. We congratulate our Wilson friends upon having made so excellent a selection.

Thursday evening last F. M. Simmons, Esq., of Newbern, was married to Miss Belle Gibbs, daughter of ex-Sheriff H. S. Gibbs, of Hyde county. The bride and groom left for a tour North.

The advertisement of Norfolk College for young ladies appears in this paper. It is a first-class educational institution and we can cheerfully recommend it as such to all of our readers in Eastern Carolina who may have daughters to educate. Read the advertisement.

Capt. R. P. Howell had occasion to make a hasty trip to the Mount Olive section on Thursday last. He says the crops of Messrs. Joseph Shine and R. J. Southerland, and in fact the crops of that neighborhood generally, with but exceptions, are the finest he has ever seen.

The Opera season opens here rather early this season. The great London success "Under the Lash," a powerful and pleasing melo-drama, will be on the 28th inst., but upon the boards of the Opera House by an excellent company, in Metropolitan cast and magnificent scenic effects.

At a full meeting of the board of trustees of Wake Forest College last week, J. R. Duggan Ph. D. and Fellow of Johns Hopkins, was elected professor of chemistry; Geo. W. Manly, Ph. D., of Leipzig, professor of Latin; and W. H. Michael, A. M., of West Virginia, assistant professor.

Gov. Scales has been elected President of the North Carolina Bar Association. The following compose the Executive Committee for the ensuing year: Gov. A. M. Scales, Hon. A. S. Merrimon, R. H. Battle, Esq., Hon. Walter Clark, H. G. Connor, Swift Galloway, Esq., W. A. Guthrie, Esq.

Hon. Geo. V. Strong is in this city, on his return from a visit to his daughter, Mrs. Norwood Giles, at Wrightsville. There seems to be now very little doubt that the Judge will be nominated as one of the candidates for the Supreme Court. A large number of conventions in all parts of the State have already endorsed and instructed for him.

Clinton Caucasians: We are glad to learn that the damage to corn and cotton, by the recent rains, is not so great as was first supposed.

The town of Warsaw is up to the hub in litigation concerning the proposed opening of certain streets.

The W. C. & W. Telegraph Company is preparing to resume business. The line has been put in good condition, new batteries have been ordered, and soon the "click" of the instrument will be heard again.

As the following from the Raleigh News-Observer refers to our esteemed townsman, Pat King, Esq., we copy it with pleasure: "The engineer named Pat. King who was killed on the Louisville & Nashville railroad last week, turns out not to have been the same man who for years ran on the North Carolina railroad. The latter has relatives here and his home is near Asbury. He is now running on the Atlantic Coast Line railroad and is in excellent health."

The conduct and bearing of Lieut. Gov. Stedman, after the result at Wadesboro, furnishes an example which might well be followed by all Democrats in North Carolina. When told of the result at about 2:30 in the morning, he was lying in bed at the hotel, but immediately sent a message about as follows: "Give my regards and congratulations to Col. Rowland and tell him I wish to make one speech for him during the canvass which I wish him to hear personally. Tell him it may not be as great a speech as others that may be delivered in his behalf, but none will be more honest and sincere."

The Governor has been invited to appoint delegates to represent North Carolina in the Farmers' National Congress, which meets at St. Paul, Minn., the 25th, 26th and 27th of August. There is no compensation attached. The following are the delegates and alternates appointed: 1st District, W. S. Carter, Hyde county; alternate, Frank Wood, Edenton. 2d, Elias Carr, Old Sparta; W. A. Darden, Snow Hill. 3d, Jonathan Evans, Fayetteville; J. J. Hill, Warsaw. 4th, R. H. Lewis, Raleigh; T. P. Braswell, Battleboro. 5th, H. T. Bahson, Salem; Thos. Carter, Madison, Rockingham county. 6th, J. M. Wadsworth, Charlotte; S. B. Carpenter, Cedar Hill, Anson county. 7th, J. F. Armfield, Statesville; A. O. Tomlin, Orange. 8th, S. McD. Tate, Morganton. 9th, W. R. Rollins, Marshall; U. M. Fagg, Asheboro. Delegates at large: S. B. Alexander, Charlotte; B. P. Williamson, Raleigh; alternates, John W. Cunningham, Cunningham's Store; Fred Kidder, Wilmington.

Raleigh News-Observer: Recently a committee was appointed by the Richmond & Danville road to confer with a similar committee of the directors of the North Carolina Railroad. It is said that a matter to be considered was an extension of the lease of the N. C. R. R. to the R. & D. R. R. This lease expires in about sixteen years. It is thought that the R. & D. might desire to lease the Atlantic & North Carolina railroad with it. The matter has as yet taken no definite shape. Col. Scott, Col. Andrews and Col. Holt went over the A. & N. C. R. R. yesterday. There is evidently a desire to get a longer lease of the N. C. R. R.

WHILE putting in a driven pump upon his premises last week, Mr. Joe Latham, who lives in the northeastern part of the city, struck a flowing stream—an artesian well—at a depth of thirty-seven feet. Mr. Latham is highly gratified at this discovery, but his pleasure is marred by the constant fear that the flow will not prove permanent. The water is said to be good and very clear.

COUNTY politics are now engaging the attention of our people and the names of many of our countrymen have been brought forward as available candidates for the Legislature and for the county offices. We would counsel our Democratic friends to exercise a conciliatory spirit in setting aside any differences or prejudices which may now exist or which may crop out before the election. Let us present a solid front before the enemy and the victory will be ours.

LAST week, in the Superior Court, the colored boy, known as "Crazy Ike," charged with killing his brother, was adjudged insane, and instead of hanging or spending his days in the penitentiary, will go to the Asylum. There was no doubt that he committed the act, and it was decided by the court that the question of his insanity should first be submitted to the jury. The verdict is generally approved by those acquainted with the boy. Messrs. W. G. Burkhead and E. W. Poul, Jr., appeared for Ike, by appointment of Judge Phillips.

THE "MAN BEAR."

Mr. E. Sanderson arrived in our city yesterday and is now stopping at the Gregory House, having in charge that genuine curiosity known as the "Man Bear," which will be placed on exhibition at the Opera House for two days only.

The "Man Bear" was on exhibition at the Norfolk opera house in Norfolk for three days—July 15, 16 and 17, and during that time was visited by 3,000 people, who were well pleased with what they saw.

The anatomy of this wonderful beast is closely allied to that of a bear and were it not for his half human face, it would be difficult to believe the creature to be human. He stands in a stooping position, upon the lower or hind limbs, and walks upon all fours. The nose, mouth and teeth are similar to those of a bear, and he greatly enjoys snarling and snapping at those who come to see him, although he is perfectly harmless. The ears are barely as large as a silver quarter, and the eyes are only about half the natural size and have a glitter peculiar to the lower animals. The head is covered by heavy black hair and a slight moustache adorns the upper lip, while the remainder of the face is as smooth as a woman's. The bones and joints of the body are more like those of a bear than a human body. He has five fingers and a thumb on each of his fore limbs, and is very active as far beyond the second joint, and there is only one joint in each of the thumbs while the nails are split in the middle and turn, claw-shape, at the end. He has no knee-pans, or patella, and in consequence of a complete absence of these, is compelled to go upon all-fours. He has no heels, and the feet greatly resemble those of a bear. The Eastern papers have devoted columns of detailed description, but suffice for us to say that he was the leading attraction for sixteen weeks at Bunnell's Broadway Museum in New York City, and was pronounced by the leading savants of the medical profession to be the most astounding monstrosity ever presented to the public.

To see this curiosity is well worth the popular price of admission charged and it can be seen at the Opera House to-night, as per advertisement in another column. The manager, Mr. E. Sanderson, respectfully invites the leading physicians to call at the hotel at any time during the day to see and be convinced that this is no fraud, but a genuine human being in flesh and intelligence, and having the perfect movement and bones of a bear. The price of admission is only ten cents.

DUPLIN PRIMARIES.

KENANSVILLE, July 31, 1886. Editor Messenger:—The primaries here passed off orderly but considerable interest was manifested, the contest being between the friends of Hons. W. J. Green and W. T. Dortch. The people were determined that their voices should be respected, and here is the result of the vote as far as heard from: Faison township—Green 106, Dortch 51. Warsaw township—Green 119, Dortch 30. Magnolia township—Green 49, Dortch 25. Kenansville township—Green 75, Dortch 96. We also learn that Wolferspe and Albertson townships have both gone for Col. Green. Present indications are that three-fourths of the Duplin delegation will be for Col. Green.

We also learn that fully seven-eighths of Sampson county are for Green. The course of the MESSENGER in treating both candidates with equal justice is much admired and has made friends for you and your excellent paper.

Oleomargarine has knocked the wrong way. The farmers see things different from the lawyers.

NOTICE.

HON. W. T. DORTCH.

Why He Should Be Nominated For Congress.

FREMONT, N. C., July 30, '86.

Editor Messenger:—

It is in mortals to command success, and success by their own exertions. Have deserved, and won it.

Such has been the life of the Hon. Wm. T. Dortch. Commencing life in old Nash, comparatively a poor boy, he has won his way to eminence and fame, by his own innate exertions.

Wayne, he adopted as his home, and the people of the county, seeing the true stamina of manhood in him, have sustained him in his efforts, and to-day they are proud of their adopted son. We ask nothing but a fair, honest, and just Democratic fight at the Convention. We want no undue advantage.

Put both men on their merits, Dortch and Green, and which is the man? Both are Democrats. To be honest in speaking of the two men as legislators, Col. Green is not comparable to Mr. Dortch. Bold, fearless, sagacious, fair and open handed in debate and argument, an eminent jurist, an acknowledged leader in Legislative halls, a fine constitutional lawyer, he seems fitted by nature and hard study, with all the elements that make a great leader of the people.

We would not take from Col. Green's fame one wreath that encircles his brow, but we want able men in Congress. Men of influence and national reputation, men whose minds are capable of grasping the most intricate questions of national, international and constitutional law. Dortch would be no new, untried man, and if any man has claims on the people that man is the Hon. Wm. T. Dortch.

He has grown gray in the service of the people. We leave him to the tender mercy of the people, feeling assured they will place him where they want him because they know his worth.

Dick Ward says he heard a big fat man the other day talking about Dortch, and it did him good all over. Says he is a Dortch, Aycock and Bar-den man, because they have the back bone to stick up for what they believe to be right.

We will take Slogum for Clerk, provided he will take Aycock for Sheriff. Aycock is a stronger man than he is. We will take W. R. Allen for the Senate, Gardner for Register and Edwards for Treasurer. His two men for the House I suppose are good men but we will leave that open. We want a strong ticket and good men, men who know that the people want, men who know that this government was founded for the good of the people, and that all Legislation should be for the benefit of the greatest number, and that they are the people's servants and not their masters, and that they (the people) will hold them strictly accountable for their Legislative acts, while if unprofitable servants, will cast them off.

As Dick Ward says, we want men with grit in their craws. We believe in Democratic principles, and if carried out as laid down by the founders of those principles, will yet be the salvation of this country. United and cemented by mutual interest each section meeting on a common platform of forgetting and forgiving, we want to prevent this from being one of the grandest countries on God's green earth? NAHNTA.
