THURSDAY, -- -- AUGUST 19, 1886.

CLEANINGS HERE AND ELSEWHERE.

---Too much rain!

---The Rev. Dr. Bagwell has located in Charlotte.

---North Carolina '6's are quoted at 120, and 4 per cent consols at 90.

---The Danville (Va.) Grays will pass through Goldsboro on Saturday en route for Morehead City.

---Messrs. B. M. Privett & Co., appear in a new advertisement, offering all manner of farm supplies.

---Read the advertisement of Geo. W. Dewey & Bro., insurance agency. Get your cotton gins insured.

---B. F. Miller, at one time a compositor on the MESSENGER, died at his home in Durham on Saturday.

---"Under the Lash," at the Opera House on Saturday night, the 28th inst., by a most excellent company.

---All whom it may concern will do well to read the new advertisement of Messrs. Aycock Brothers in this paper.

---There will be a total eclipse of the sun on the 29th inst., visible in this State as a partial eclipse about sunrise.

---Bishop Lyman and some ten or twelve clergymen were present at the convention of St. Luke's Episcopal Church at Lincolnton.

---A Hop is to be given at Hunter's Hall, in Warsaw, on Thursday the 26th inst. The managers are F. L. Faison, R. W. Wallace and L. M. Wilson.

---Central Institute for young ladies at Littleton, N. C., is one of the most successful schools in the State. The next session will begin on the first day of September.

---Wilson Advance: The new iron for the Nashville Railroad is piled up all along the depot at Rocky Mount. Nashville will take a boom whenever that road is completed.

---The ceremonies of laying the corner stone of the new Baptist church at Teachley's, by the Masonic fraternity, will take place to-day, and will doubtless be largely attended.

---The deputy collectors office, filled by E. J. Holt, Esq., at Smithfield, has been abolished. The county of Johnston, we learn, will be assigned to this district. H. P. Dortch, Esq., deputy collector.

---Rev. J. H. Foy, D. D., of Mo., a native of North Carolina and formerly a Campbellite preacher, united with the Episcopalians some years ago, has now asked his Bishop to depose him from the ministry.

---The Eastern N. C. Insane Asylum is at present taxed to its full capacity and Dr. Roberts tells us that he has now over twenty-five applications on file from county authorities asking admittance for patients.

---Lenoir county Superior Court convenes on Monday. Mr. R. M. Johnson will represent this county at Kinston county court, and we hope that many of our delinquent friends will endeavor to square up accounts with him.

---Union meeting of the Eastern Baptist Association will meet with the church at Boykins Chapel, Sampson county, on Friday before the fifth Sunday in August. Introductory sermon will be preached by Rev. J. L. Britt.

---Newbern Journal: Hon. Thos. G. Skinner, the present member of Congress from this district, has made a good and true representative, but the disposition of patronage that he was supposed to control, doubtless caused his defeat for re-nomination.

---Fayetteville News: An entertainment was given by Mr. Divine, of the Short Cut, to a select party of about twenty, Thursday evening at Rhodes' Mills, about twenty miles from town, to which point the road was finished a few days ago. The company was given a magnificent dinner, after which they fished and rusticated generally.

---The extensive hardware house of Messrs. Smith & Yelverton appear in a new advertisement. The consolidation of two old houses has given additional strength and many advantages, and this will prove of mutual benefit to the new firm and their patrons. Messrs. S. H. Denmark, Moscue Wilson and W. T. Harrison retain their positions in the establishment.

---Mr. Willis Edmundson appears in a new advertisement. Mr. Edmundson is a clever and conscientious merchant, and believes in fair and honest trade. He understands the grocery business thoroughly and his wares are fresh and pure, and he sells at lowest cash prices. His establishment is in the new Komeary building on Walnut street. Read his advertisement and give him a call.

---Raleigh News-Observer: Yesterday a reporter had a chat with Mr. John Nichols. That gentleman's health is rather poor now and he says his physician has prescribed rest. Mr. Nichols was asked about his rumored candidacy for Congress in this district. He said he could not now say whether his health would admit of his being a candidate. If he ran it would be as dependent on the labor platform. He did not expect to run as a Republican.

---Wilmington Star: A Burgaw correspondent writes that two colored boys, aged respectively 13 and 16 years, sons of Riley Harold, living near South Washington in Pender county, were run over by the North-bound train on the Wilmington & Weldon Railroad Saturday night and instantly killed. It seems the boys had been at a store in South Washington and were on their way home, walking in the middle of the railroad track. The train passed directly over them, crushing them to death.

---Raleigh News-Observer: Saturday morning at Smithfield, on W. H. Morning's piazza, quite a crowd of dogs were noticed, dragging something around and fighting over it. An examination showed that it was a child, born during the night. The dogs had eaten all the flesh off the body and crumpled with paper and its head was crushed. Near upon a spot a stone was found with hair upon it, showing foul play. Louisa Saunders was arrested, charged with this horrible crime. After an examination of witnesses by the coroner, the jury rendered a verdict which resulted in the woman going to jail. She will be tried at this term of court for infanticide.

On Tuesday, the 10th inst., the Republican State Executive Committee met in Raleigh and decided not to call a State Convention. A number of prominent Republicans displeased at this action have issued a call for a Mass Convention to be held in Raleigh September 22nd.

TOWNSHIP meetings on the 4th of September, and county convention on the 18th. Let every Democrat attend the primary meetings and see that the wishes of the people are secured in the selection of delegates, and then let the delegates nominate for the various offices good and true men who will receive the support of a united democracy, and who, when elected, will discharge their duties faithfully, honestly and fearlessly. Our enemy are on a sharp lookout for dissensions and weak points in our ranks. If there be such, let them be healed before the campaign opens in order that we may have that strength which always accompanies unity of purpose and concert of action.

We suppose that there were comparatively few of our citizens asleep yesterday between the hours of 4 and 5 o'clock morning.

At that time there was in progress one of the severest and most frightful thunder storms that we ever experienced. Flashes of lightning and sharp, crackling peals of thunder followed in rapid succession, and many persons were apprehensive that something awful would occur before the fury of the storm was spent. We learn that the lightning struck a small building in or near Webbtown. Besides this we have no catastrophe to report from this turbulent commotion of the elements. There was a heavy rain during the storm, but not very much wind.

Owing to the inclement state of the weather the lawn party to be given by the ladies of St. Stephen's Church has been postponed to this (Thursday) evening. We wish the ladies pleasant weather, and a generous patronage.

MR. JOHN ARRINGTON, who has held a position with Messrs. Tucker & Co. in Raleigh for several months past, has returned to the city for the purpose of taking the place in the millinery and dry goods establishment of Messrs. M. E. Castex & Co., which he filled so acceptably last winter. We welcome John back to the city, and congratulate the Messrs. Castex upon again securing his services.

THE GRADED SCHOOL. Shall The School Be Re-opened In September?

The Trustees of the Graded School desire that the next term shall open promptly on the 23rd of September, and relying in full confidence in the hope that the citizens of Goldsboro will permit the school to go down, they have already employed the services of Prof. E. A. Alderman, as Superintendent, and a competent corps of assistants. Only a month remains and yet some \$800 are necessary to re-establish the school upon its former standard of excellence. Many of our public spirited citizens have already subscribed, but there are still a large number who have as yet not responded.

Mr. Bonitz is anxious to put the finances of the school beyond doubt or uncertainty before the 1st of September, and appeals earnestly to those of our citizens who have not already subscribed in aid of the school, to come forward before that day.

One half of the subscriptions are to be paid Sept. 15th, before the opening of the school, the other half on the 15th of February. The school term is to be nine months, and no efforts will be spared to maintain for it the excellent reputation the school has enjoyed the past five years.

The school will be managed under the auspices of the present Board of Trustees, but on the co-operative plan, free to those who will contribute to its support, and the children of only such as have contributed and paid a portion of their subscription, will be placed upon register of the school, and all such as the Trustees will feel satisfied are not able to pay. All others will be charged tuition.

Durham and Wilson have determined that their schools shall not go down. We feel confident that Goldsboro will not permit it.

GREENE COUNTY MATTER. The News and Events in and Around Hookerton.

It is such a variety for notorious persons to visit this quiet old town, that we were all seized with an uncontrollable desire to be present, when on last Saturday evening our ginger-bread colored congressman climbed upon a box to arraign the Democratic party for the "short comings" in the management of the affairs of the nation.

Mrs. Morris is the wife of James W. Morris, and daughter of the late Geo. W. Dill, of Carter county, N. C., was translated so suddenly from life to death and from death to life eternal, at Smithfield, N. C., on Sunday, August 8th, in her 24th year, that but few of her kindred and friends knew of her physical prostration until apprised of its sad culmination.

The dead girl was taken to Morehead City, where, in the residence of Mrs. Dill, the widow-mother, the venerable priest, the Rev. Mr. Forbes, conforming to the beautiful ritual of the Episcopal church, pronounced the impressive service that fore Shadows the dissolution of the mortal coil.

BETIE MORRIS, wife of James W. Morris, and daughter of the late Geo. W. Dill, of Carter county, N. C., was translated so suddenly from life to death and from death to life eternal, at Smithfield, N. C., on Sunday, August 8th, in her 24th year, that but few of her kindred and friends knew of her physical prostration until apprised of its sad culmination.

Placing the encoffined body in an open boat, the dead was transported across the arm of the sea to the burying ground, the site of the ancestral tomb of Beaufort. The principal business of the town was suspended, and throughout the inhabitants, with the reverential salutation of uncovered heads, met the coffin of the dead, where they tenderly received and bore to the solemnly picturesque burial place of the village all that was mortal of the good, true and beautiful wife.

And while the heavens wept tears of rain, and the sea whispered sympathies, and the wind sang of the blossomed and blushed into the charm of maidenhood by its shore, we saw her laid to rest beneath the immemorial oaks "where the rude forefathers of the hamlet sleep."

Resting near the ever restless! Sleeping by the sea--emblem of that infinite ocean of God's love, where every sail shall fly by the standard of the cross, and where the waves, crash like the tress of the redeemed, shall spray the tresses of angels as with crystal jewels of immortality.

And, now that the spirit-craft of BETIE MORRIS has drifted with the pulsing tide that ever ebbs from the sands of time, may the benediction of the stars, in illumining the footstep of the shore, reveal to the stricken husband and the motherless boy the impress of her feet that modestly tended in the morally sublime paths of gentleness, sacrifice and consecration. JOHN.

On the Road, Sunday, Aug. 15, 1886.

DIED. At the residence of his parents, at Weaver-

ville, N. C., at 8 o'clock, on August 11, 1886, LINWOOD, son of Rev. E. A. and Mrs. Mary A. Wilson, aged seven years, one month and two days.

Weep not, fond parents, that the little one has been called to rest.

COUNTERFEITING. Arrest and Imprisonment of Joel Watkins.

Last March Deputy Collector H. P. Dortch had cause to suspect Allan Rogers, of Duplin county, near the Lenoir line, of being engaged in the manufacture of counterfeit coin, and forthwith had a warrant issued for his arrest, but the officers were unable to ascertain his whereabouts.

Last Sunday information was received here of the death of Rogers, at the house of Joel Watkins, and Mr. Dortch at once directed Sheriff Grantman to proceed to a search of Watkins' house. The Sheriff, acting as Deputy Marshal, did so, and found on the premises a mold made from a \$20 gold piece, a galvanic battery, and a bottle labeled "gold gilding."

Watkins was not at home at the time of the Sheriff's visit, but he was afterwards arrested and brought to this city, and on Tuesday had a preliminary hearing before Dr. D. Cogdell, U. S. Commissioner, on the charge of being an accomplice in the counterfeiting. The case was continued until to-morrow (Friday) and upon failure to give bond for his appearance, Watkins was lodged in jail.

We learn that a brother of Allen Rogers was convicted of counterfeiting some time ago, and sent to the Albany penitentiary, where he died.

COUNTY BOARD OF EDUCATION. GOLDSBORO, Aug. 2, '86.

On motion, the school committee of District No. 22, colored, are hereby instructed to ascertain at once, how the name of Levi Lancaster has been signed to vouchers of Robert Taylor, teacher in said district, and report the result of their investigation at the next meeting of this board.

IN MEMORIAM. BETIE MORRIS--While the names of the

illustrious furnish the biographer with subjects for study and admiration, there is no distinguishing quality of an unpretentious life--may charm a circle limited to personal acquaintances; leaving the exquisite memorials of a beautiful life as a fragrant bequest to none but kindred and friends.

Who walk in the less conspicuous paths recognize tenderness of motion, largeness of heart when the professional biographer, seeking to celebrate the posthumous reputation of a proud son or daughter of man would find nothing worthy of the pen skilled in the researches of illustrious lineage, the delineation of brilliant deeds, or the amplification of the chapters of triumphant genius.

A good wife has died; and the writer, whose heart has been deeply touched, approaches to place this tribute on the shrine, among memory's holiest memorials. When we say a good wife, we have swept the gamut of womanly goodness. Wife--a word in the old folk-lore of England meaning weaver; therefore assimilating, in its moral significance, a weaver of human destiny. A good wife experiences and illustrates a thorough recognition of the duties and affections of sister, mother and friend--the tenderest trinity of the human heart.

To such an one the pathways of time are too short, the objects of love too definite and the purposes of existence too firm for the contemplation of any aspects of life diverting the thoughts and energies from the concerns of a wife's legitimate sphere.

BETIE MORRIS, wife of James W. Morris, and daughter of the late Geo. W. Dill, of Carter county, N. C., was translated so suddenly from life to death and from death to life eternal, at Smithfield, N. C., on Sunday, August 8th, in her 24th year, that but few of her kindred and friends knew of her physical prostration until apprised of its sad culmination.

TOWNSHIP MEETINGS To Elect Delegates to County Nominating Convention.

The Democratic citizens of Wayne county are respectfully requested to assemble at their voting places in their respective townships and precincts, at 12 o'clock, M., on

SATURDAY, SEPT. 4, 1886, for the purpose of appointing delegates to the County Convention, which is to be held at the Court House in Goldsboro, on Saturday the 18th of September, at 12 o'clock M., to nominate candidates for the Senate, for the House, for Sheriff, for Clerk, for Register, for Treasurer, for Surveyor, and for Coroner, also to appoint an Executive Committee to serve for the ensuing two years.

It is hoped that every precinct and township will be largely attended so as to assure a faithful representation of the voters of each precinct in the work of selecting county candidates.

By order of the Executive Committee. JULIUS A. BONITZ, Chairn. Co. Ex. Com.

NOTE--Each township or precinct shall be entitled to cast in the County Convention one vote for every twenty-five Democratic votes, and one vote for fractions of fifteen Democratic votes cast by that township or precinct at the last gubernatorial election.

KING'S MOUNTAIN HIGH SCHOOL. The King's Mountain High School, which has grown to such a magnitude

for the past few years, seems destined to still higher achievements, and still greater success. It already ranks above any such school in Western North Carolina, and is surpassed by none in any section of the State.

The already commodious school building which has heretofore been added to as necessity demanded, is now being remodelled, its dimensions are being largely extended and when completed will be capable of accommodating a much larger number of pupils than ever before, and will present an appearance, outwardly and inwardly, that will be a credit to our village, and that will attract the attention of strangers.

Other places are making great efforts to induce Capt. Bell to move his school from that place. Shelby has promised a \$10,000 brick building; Monroe and Yorkville send in their bids, but their efforts are in vain. King's Mountain High School will remain at King's Mountain, the place of its birth; the place where it has achieved its unrivalled success, and the place where it proposes to spread its banners still wider, and number its patrons from a still more extended territory than ever before.

The next session will open under most favorable auspices. Its corps of teachers in every department will be complete, and when it is taken into consideration its healthy climate and many other advantages that place possesses for the location of a school, we shall not be surprised at no distant day to see King's Mountain High School occupying the position as an institution of learning second to none in the State.

The next session opens August 23d.
