

Goldsboro Messenger

GOLDSBORO, N. C. MONDAY, AUGUST 30, 1886.

CLEANINGS HERE AND ELSEWHERE.

Mr. C. F. Wilson, of the Greenville Reflector, is in this city.

Hon. John W. Graham addressed the people of the Clayton section on Friday last.

Dr. Geo. L. Kirby, when last heard from, was having a pleasant time on his journey in Kansas.

At Selma Wednesday evening, Mr. Ham Jones, of Florida, and Miss Annie Waddell, of Selma, were married.

E. W. Pou, Jr., Esq., has been elected Chairman of the Democratic Executive Committee of Johnston county.

Mr. Will N. Hanft's music on the piano at the Opera House Saturday night, was very much enjoyed by the audience.

Gaddess Bros, of Baltimore, extensive marble workers, have failed. The failure was caused by the indebtedness to the firm by Postmaster Vesley of \$106,000.

We are pleased to learn that Rev. Dr. L. McKinnon, President of Davidson College, who has been at Cleveland Springs, is now almost completely restored to health.

Mr. Thos. Ruffin, a carpenter by trade and former citizen of the Faison section, but a resident of Goldsboro for some years, died on Friday last, aged about 58 years.

A correspondent in the News-Observer recommends Dr. F. M. Rountree, of Kinston, for Congress from the 2d district. The Doctor would make a strong and popular candidate.

We are to have at least two Circus exhibitions in Goldsboro this Fall. Doris is advertised to be here on the 2d of October, and P. T. Barnum's is aiming to be here on the 21st of the same month.

Gen. W. G. Lewis, who has been on an extended inspection of the State's lands in the East, where a large body of convicts are developing the country, is at home again for a few days' rest.

The subscription to the Graded School is slowly but surely growing. We are now quite sure that by the 15th of September when the subscription is to be closed, the desired amount will have been secured.

The colored woman, Louisa Sanders, convicted of infanticide at Johnston Superior Court, was sentenced to the penitentiary for 20 years. Six others went to the pen from the same county for various offenses.

Read the new advertisement of Messrs. Dunsmuir & Humphrey in this paper. They offer a large stock of feed and other supplies. They are an enterprising firm and deserve the generous patronage they are receiving.

Mr. H. S. Bilyew, late a compositor in the MESSENGER Job Office, has taken charge as foreman of the Emporia (Fla.) Advance, by the way a very readable and neatly made up sheet, which we take pleasure to place on our exchange list.

Raleigh Chronicle: C. B. Aycock, Esq., of Wayne, advocated the admission of proxies in a speech which for clearness of statement, strong logic, forcible words, animation in delivery, and power to convince, was not excelled during the session of the Convention.

Greenville Enterprise: We are sorry to hear that Mr. John Waters lost his dwelling and most of his furniture by fire last Friday night; insured for \$1,050. Pasquotank and Edgecombe are the only two counties in North Carolina that have more improved than unimproved acres of land.

The Statesville Landmark referring to Judge Boykin, who presided at the last term of Iredell Court, says: "Judge Boykin is patient, courteous and quick and presided to the satisfaction of all concerned." The Chronicle knew that, though the youngest Judge in the State, Judge Boykin would sustain himself in a reputation.

Wilmington Star: A line of railroad is now being located by the Raleigh & Augusta Air Line from Winder to Carthage, in Moore county, a distance of about eleven miles. All the indications are that it will be quickly built. The country that this road will open up between Carthage and Deep River is very productive, and its further development will no doubt be greatly enhanced by this road.

The Star states that the executive committee of the incorporators of the Wilmington, Onslow & East Carolina Railroad have caused books of subscription to be opened at the banks in that city and have appointed Mr. S. D. Wallace, Cashier of the Bank of New Hanover, and Mr. Asa K. Walker, Cashier of the First National Bank, to receive subscriptions, under certain rules and regulations that are published by the committee.

A construction train, on the Asheville and Spartanburg Railroad, with fifty convicts on board, escaped the control of the engineer Wednesday night and descended the mountain side with fearful rapidity. Some of the convicts were blown from the cars, others were shaken off. When the train was finally stopped and run back, the dead bodies of five convicts were found seriously injured.

Clinton Caucasian: Two months ago we announced that there was a scheme on foot by which the friends of the railroad hoped for its early completion. That scheme was a proposition to the W. & W. R. R. to take on the side with taken rapidly. Negotiations have been going on since that time looking to that end. These negotiations have reached that stage where it depends entirely upon our own people whether we get the road or not.

Smithfield Herald: Mr. J. W. Perry, who was nominated for the House of Commons from Johnston, served in the last Legislature and made a faithful representative. Mr. Perry is one of the most progressive men in the county. He is engaged in the mercantile business, and also has large farming interests. Mr. E. S. Abell, who was also nominated for the House of Commons, is a young lawyer of decided talents. Mr. Abell did much work for the party while Chairman of the Democratic Executive Committee, and his party has taken this opportunity to reward his efforts.

MR. W. S. FARMER is on a visit to the firm that he so faithfully and successfully represents—Lister Bros., manufacturers of fertilizers, Baltimore.

MRS. D. P. HASKETT, who was taken sick while on a visit to her brother, in Beaufort, has returned, but is still quite feeble, we regret to learn.

DEMOCRATIC township Conventions next Saturday. The county Convention, for the nomination of legislative and county ticket, two weeks later—that is to say, on Saturday, Sept. 18th.

DON'T forget that the Graded School needs your help. The appeal is made for a most meritorious object. Are you going to let this opportunity for doing good pass by? We hope not.

REV. DR. MARX MOSES and bride are en route from Germany and are expected to arrive here in a few days. The many friends of the Dr. wish the happy couple a safe trip over the "deep blue sea."

MR. ED TAYLOR is preparing to erect a dwelling on the Southwest corner of John and Pine streets. The building that stood there was torn down last week. It was one of the oldest in the city.

A SHOWER came up about 9 o'clock, last Wednesday evening, and interfered with the Episcopal ladies, Lawn Party then in progress in the front yard of Hon. W. T. Dortch. Nevertheless, we are pleased to learn that the party was a financial success.

The colored Normal School will open the next term on Monday, Sept. 6th, at the colored Graded School building, with Miss Louise S. Dorr in charge. We learn that until the Graded School opens pupils will be received at from forty cents to one dollar per month, according to grade.

MASTERS GEORGE HOWELL, Hugh Miller and Albert Rosenthal left on Thursday of last week to enter the University of North Carolina. These young gentlemen graduated at the last term of our Graded School and we deem that a brighter trio of as youthful "fresh" were never enrolled at the University. They reflect credit upon themselves and upon the superiority of our Graded School. We anxiously hope that their future may prove as prosperous as it now promises.

WAYNE COUNTY PRIMARIES

To Be Held on Saturday, September 4th.

The Democratic township and precinct meetings of Wayne county are to be held on Saturday next. The harmony of the party, the strength and popularity of the ticket to be nominated on the 18th of September, and indeed the success of that ticket at the November election—all depend to a great degree on the manner in which the primary work is done in the precinct and township meetings.

We trust, therefore, that every Democrat who can possibly spare a few hours time will not fail to attend his precinct or township meeting. The delegates chosen at said gatherings should be representative of their respective neighborhoods, thoroughly familiar with the views and wishes of their people and firmly resolved to voice the sentiments of those who appointed them so far as it may aid in the selection of the strongest and most available candidates.

There is no lack of good material, and if acceptable, strong and popular men are nominated, the success of the entire legislative and county ticket is assured. For the Senate we hear the names of J. F. Oliver, F. M. Aycock, W. R. Allen, C. B. Aycock, John W. Isler, W. F. Kornegay, C. F. R. Kornegay, D. J. Aaron, Col. Thos. J. Kennedy, Col. Lewis Whitfield and Dr. Geo. L. Kirby. Mr. C. B. Aycock declines to become a candidate.

For the House we hear the names of I. W. Hatch, W. G. Burkhead, A. L. Sasser, Henry Lee, F. I. Beeton, John W. Isler, J. B. Gardner, A. J. Brown, W. R. Hooks and D. A. Grantham. Some of the gentlemen here named for the Senate and House decline to let their names be used.

For Register Capt. W. T. Gardner seems to have the field. At any rate we have heard no opposition. Mr. John H. Edwards appears to have no opposition for Treasurer. The renomination of both these excellent officers is almost assured.

All interest appears to center on the Sheriff's nomination. The present popular incumbent, Sheriff Grantham, has friends who push him for renomination. His chief competitor seems to be Mr. B. F. Aycock likewise a strong and popular gentleman. Messrs. W. G. Broadhurst, James Berry Gardner, Albert Aycock, W. H. Ham, W. F. Rose and B. W. Bowden are also canvassed in that connection.

Mr. W. W. Slocumb is so far the only aspirant we hear mentioned for Clerk of Superior Court, and Drs. Tom Hill and M. E. Robinson are spoken of for County Coroner.

THE VOTE.

Under the plan of organization each township or precinct will be entitled to send one delegate for each 25 Democratic votes, and one for each fraction of not less than 15. The Seales vote forms the basis.

SAMPSON JOTTINGS.

Paragraphs Caught on the Fly by Our Clinton Reporter.

Our farmers are all busy pulling fodder.

Crops have improved materially, and the yield will no doubt be better than many expect.

Mrs. R. C. Holmes, of Goldsboro, continues quite sick at her father's residence here.

The health of Clinton is remarkably good. No town in the State, in point of healthfulness, surpasses ours.

We hear frequently the Homestead Law freely discussed. Its evils are quite apparent, and our people at last are realizing this fact.

The Episcopal Church in Clinton is being finished. When completed it will present a very handsome appearance.

Sorghum Mills are in operation throughout the county. The cane crop is good, and many hundred gallons of syrup will be made. Some samples we have seen are very fine.

Many persons unite with us in congratulating our young townsman, W. P. Stovall, Esq., on his appointment as Postal Clerk, on route between Richmond, Va., and Wilmington, N. C.

Mr. Stovall is a most worthy young gentleman, and undoubtedly will prove a competent and efficient clerk.

Our schools will all be in operation next week. Nothing is more needful to any community than good schools, and all good citizens should lend their assistance in sustaining those, who by hard, faithful labor are endeavoring to direct and train the youth of our young town. It is a sad failure to appreciate the real and true value of good school teachers.

Annual Stockholders meeting of the Clinton Loan Association was held to-day.

J. L. Stewart Esq., was re-elected President and Mr. A. F. Johnson, Cashier. The old Board of Directors was also re-elected. The Association is in a most prosperous condition.

At last we are to have a railroad. Satisfactory arrangements have been made with the W. & W. R. R. Co., and work will soon begin at Warsaw. The road is already graded, and its completion now is a matter of fact.

For a long, long time we have anxiously looked and wished for railroad communication with the outside world, and now our hopes are about to be realized. With railway facilities our already prosperous little town will assume proportions it should have attained long since. Places in their neighborhood, as a bright future.

Our county will most heartily endorse the action of the State Convention, in its nomination of the present Supreme Court Justices, and the full strength of the Democratic vote will be given the ticket. We now patiently await the action of our county Convention, which meets next Wednesday, Sept. 1st.

TOWNSHIP MEETINGS

To Elect Delegates to County Nominating Convention.

The Democratic citizens of Wayne county are respectfully requested to assemble at the voting places in their respective townships and precincts, at 12 o'clock, M., on

SATURDAY, SEPT. 4, 1886,

for the purpose of appointing delegates to the County Convention, which is to be held at the Court House in Goldsboro, on Saturday the 18th of September, at 12 o'clock M., to nominate candidates for the Senate, for the House, for Sheriff, for Clerk, for Register, for Treasurer, for Surveyor, and for Coroner, also to appoint an Executive Committee to serve for the ensuing two years.

It is hoped that every precinct and township will be largely attended so as to assure a faithful representation of the voters of each precinct in the work of selecting county candidates.

By order of the Executive Committee. JULIUS A. BONITZ, Chairman. Co. Ex. Com.

NOTE.—Each township or precinct shall be entitled to cast in the County Convention one vote for every twenty-five Democratic votes cast by that township or precinct at the last gubernatorial election.
