A POWDER mill explosion in Chicago and a colliery explosion at Scranton, Penn., both cost the loss of several

Manning.

THE acting Secretary of the Treas ury is calling in bonds straight along. Mr. Morrison's resolution, though dead, yet speaketh.

THE Home Club is denounced bitterly by the other Knights of Labor for the alleged plot to assassinate Mr. Powderly, the great labor leader.

House of Commons have resolved not against the new Tory government.

THE French statesman Jules Simon says that a conservative republic is the only stable government for the Frenchmen. He is probably right.

at Culpeper.

THE dogged determination of the New York anarchists, even in the face of death and life imprisonment, convinces many that they have resolved to die rather than desist.

THE old postmaster, Wilson, at Savannah holds out against his successor, Mr. George W. Lamar. The former says that he has done nothing wrong and that the President has no authority to remove him.

PRINCE ALEXANDER of Bulgaria, received a great ovation on his return. English dispatches seem to throw doubt on the wisdom of the return, but there can be no doubt of his heroresult, his course was wise.

have all the powder and other explosives made far from any center of population and industry. The Washington Star goes so far as to propose that these things shall all be manufac tured in the alkali desert of the extreme West.

least lost their hold on Bulgaria. The new cabinet in that country is strongly anti-Russian. The neighboring States, Servia and Roumania, have been converted by Russia's action from enemies into friends of the Bulgarians. Russia occasionally overdoes things, but she comes up smiling for a new trial on the next day.

THE first female master workman of the Knights of Labor has just been appointed in District No. 24, Chicago. Mrs. Elizabeth Rodgers is the wife of George Rodgers, a prominent labor agitator. Mrs. Rodgers is thirty-nine years of age and is now the mother of eleven children, eight of whom are alive. She has been a supreme judge in the order and has gained ability by her rulings, which are quoted all over the country. Mrs. Rogers is somewhat conservative; that is to say, she is strongly antagonistic to the anarchists, although she has reinstated the expelled lodges. The country will ganizations will make the distinction between themselves and the assassins very clear and broad, they will inotherwise.
