CLASS TARS TARS TROM & DRAWER CONTRACT

Magnificently Executed and Tastefully Wrought

The portaits of the commanders are clear and striking, accurate and life-like. They were produced by eminent artists from photographs furnished by the surviving heroes, and by the relatives and friends of those deceased. The engraving is superb in the display of art, clear and vivid in outline, and the grouping of the portraits at once convince the mind that the artist possesed an originality of conception never before equalled.

The Historic Gray Uniform, the Gold Buttons, Stars and Braid on Collar, (denoting rank), stand out in bold relief from the beautiful back ground, each portrait is made in imitation of a large Imperial Cabinet Photograph (4 x 6 inches,) distinct in every respect from the portraits surrounding it, yet so superior in conception, execution and harmony of colors that it defles criticism.

The Commanders represented on the engraving are :

Robert E. Lee, T. J. (Stonewall) Jackson, G. T. Beauregard, Fitzhugh Lee, Joseph E. Johnston, A. S. Johnston, Stirling Price, J. A. Early, J. B. Hood, R. S. Ewell, James Longstreet, Wade Hampton, W. J. Hardie, A. P. Hill, J. E. B. Stuart, Braxton Bragg, E. Kirby Smith, J. C. Breckinridge, Leonidas Polk and Admiral Raphael Semmes.

Only a few of these great heroes are now living, and all of them were great, as Commanders of the Armies of the Confederacy, and they thus became endeared to the hearts of the people of the South. Every Confederate Veteran served under one or more of these Gallant Leaders, and they and every true Southern Patriot should possess one of these elegant souvenirs. The engraving is appropriate for the parlor, library, hall or office, and will compare favorably with the finest paintings.

The Portraits are Printed on one sheet of Heavy Plate Paper, beautifully Tinted (ready for framing) size, 22 x 29 inches, and will be sent to any address on receipt of Price, \$2.00.
