GOLDSBORO, N. C. THURSDAY, DECEMBER 2, 1886.

NOTICE.

We dislike to worry our delinquent friends, but so far comparatively few have...

CLEANINGS HERE AND ELSEWHERE.

Ground has been broken for the erection of a new Methodist church in Wilmington.

Mr. Sam. Spier has taken an agency for the Penn Mutual Life Insurance Company.

Have you heard the news? If not, then read the new advertisement of Messrs. Sol. Einstein & Co., in this paper.

The United States Circuit Court in session at Raleigh. Mr. B. F. Aycock, of this county, is one of the grand jury.

Mr. D. Brownley, a well-known brickmason of Wilson, died suddenly at the Rock Spring hotel, in Wilmington, on Monday last.

There will be a tournament and ball at Aurora on the 17th inst. The committee has our thanks for an invitation to be present.

Mr. Ed. T. Albritton, of Mount Olive, left yesterday for Alabama, contemplating locating in Andalusia, for the purpose of practicing law.

Bishop Lyman consecrated the church of the Holy Trinity in Paris, 25th inst. It was built by the American residents of the French capital.

Attention is directed to the new advertisement of Messrs. Fuchler & Kern. They are now putting their stock of toys and holiday goods in position.

Mr. J. M. Wood, of New Hope township, a most excellent citizen, has been appointed a Justice of the Peace in the place of Thomas W. Uzzell, Esq., resigned.

The "Racket Store," recently opened in the Weil building, by Mrs. W. H. Lyon, solicits a liberal share of patronage. See the new advertisement in this paper.

Read the new advertisement of Messrs. Best & Thompson in this paper. This clever firm offers a full stock of groceries, also boots and shoes at lowest prices.

The enterprising firm of Hood, Britt & Hall appear in a new advertisement, to which the attention of our readers is directed. Give them a call. They are a clever trio.

The flag pole for the weather signal is soon to be placed in position on the MESSENGER building. In the meantime the daily reports are bulletined in front of this office.

Raleigh had a very destructive fire on Tuesday. It originated on the cotton platform. One thousand bales of cotton were burned, and the loss is estimated at \$50,000.

Mr. Milton Harding, a building contractor of much experience, of this city, is a Louisburg, and we are anxious to learn, will probably contract for several buildings in that enterprising town.

Regular monthly meeting of the Eclipse Steam Fire Engine Company to-night, at 7:30 o'clock. Every member ordered by the Foreman to be present. R. G. LAMB, Secretary.

In our last issue, in giving the names of the Directors of the Asylum, the printer left out that of our friend M. M. Katz, Esq., of Wilmington, which we regret very much. Mr. Katz is a very active and zealous member of the Board.

Mr. J. R. Dal, of the Albemarle section, Duplin county, has left on our table a huge hornet's nest, which he says is but one year old. It measures three feet three inches in circumference, and two feet in length, and is artistically put together.

Cotton futures sold on Wednesday at the following quotations: December 9.00@9.10; January 9.14@9.15; February 9.24@9.25; March 9.34@9.35; April 9.44@9.45; May 9.54@9.55; June 9.64@9.65; July 9.74@9.75; August 9.80@9.81c.

Attention is directed to the advertisement of Messrs. H. M. McKinnin & Brother, doing business at Mount Olive. This clever firm has a full line of merchandise, and enjoys a popular trade. They sell at lowest prices and treat every body as a neighbor.

In spite of dull times and stringency in money matters, the advertising patronage and job department of this office are all that we could reasonably hope for. The attention of our readers is directed to the large list of new advertisements in this paper.

Prof. J. A. and M. H. Holt, of the Oakdale Academy, report the largest attendance in the history of the institution. Two hundred students are enrolled; the course of study has been revised and extended, and advantages are offered equal to those of any high school in the country.

The County Board of Education will meet on Monday next. There seems to be a wrong impression in this connection, and to correct it we would say that the present Board, consisting of Messrs. J. A. Bonitz, J. F. Oliver and Albert Aycock, will continue in office another year. A new Superintendent (Mr. D. J. Broadhurst) begins his term on Monday.

Wilmington Review: Forest fires are racing in Bladen, Brunswick and Columbus counties and the efforts of citizens to extinguish the flames have thus far proved fruitless. Large tracts of timber land have already been burned over, and the destruction of property has been large, and the rain is not yet completed. It seems that nothing less than a soaking, drenching rain can possibly extinguish the flames. The high winds which have prevailed have aided in the destruction. Heavy clouds of smoke have been visible in the Northwest all day, which bear ample testimony to the reports of the extensive fires in that direction of which we have heard.

We are pleased to learn that the festival and bazaar, given on Friday last, by the ladies of Mount Olive, for the benefit of the Baptist church in that progressive little town, was a decidedly pleasant and successful affair. And in this connection the ladies will please imagine our politest bow for their kind remembrance of "eye editor." That box of cakes was most delicious. Thanks.

The State Treasurer is now paying the warrants issued on the pension appropriation to disabled soldiers and indigent widows. The appropriations for both 1885 and 1886 will be paid from the treasury this year, the total of which is \$60,000. The treasurer says that the pensioners receive their quota very gratefully, and with the highest appreciation of the efforts of the State to aid them.

Sheriff Grantham on Monday secured with the School Board the amount of \$1,617, error in his license tax for 1884, as found by the School Board Finance Committee. The Sheriff had paid \$1,564 for the same year too much to the county. The mistake was corrected by the Board of Commissioners, and the amount ordered to be refunded, and paid over to the school fund.

Mr. R. Gregory, Esq., one of the State Senators-elect from the first district died last week. The Governor has ordered a special election for January 6, 1887, to fill the vacancy, and has ordered the sheriffs of the respective counties of the district to make proper notification of the counties composing the district are: Currituck, Camden, Pasquotank, Hertford, Gates, Chowan and Perquimans.

Clinton Cavassian: Mrs. Charlotte McMillan, wife of John McMillan, died near Lisbon, in the 56th year of her age. The financial condition of this section is alarming. Numbers of laborers are anxious for work. The work is here, but the money to pay for it is wanting. The new unoccupied store building belonging to Mr. J. H. Pugh, situated at the fork of the Walnut and Raleigh roads, one mile and a half from Clinton, was mysteriously burned about sunset last Saturday evening.

The Raleigh News and Observer makes the following acknowledgment of our Goldsboro firemen: "When it seemed that the flames would get altogether beyond the control of the fire department here, a telegram was sent to the Goldsboro fire company, requesting that they hold themselves in readiness to come to the rescue if necessary. Through the never failing courtesy and kindness of Col. A. B. Andrews, a special train was ordered to be ready at the same time, and within twenty minutes from the reception of the telegram at Goldsboro, the 'boys' flashed back a response, saying their fire engine was on the train, and they only waited for the word to come. The thanks and appreciation of the Raleigh people for such promptness and willingness cannot be expressed as fully, and they realize that Goldsboro has forged one more lasting link in the chain that already held the two cities together in goodwill and friendship."

Mr. J. D. DANIEL and Miss Mamie Thompson, of this city, were united in marriage, at the home of the bride, on Thursday evening of last week. We wish them long life of happiness and prosperity.

REMEMBER that the ladies of the Baptist Church will give a sociable this (Thursday) evening, in the new Sunday School room, adjoining their Church. They will take pleasure in serving palatable substantial and delicacies at moderate prices.

The impression prevails, we believe, that there is room for no more patients at the Colored Insane Asylum. We learn that, now, under proper conditions, admission for five or six may be secured in the male department.

In response to a telegram asking the assistance of our fire department at a conflagration in Raleigh, Tuesday afternoon, the fire alarm was sounded and the Eclipse Company, with the "Mary Alice," began preparations for repairing to the scene, but before leaving a second telegram brought the intelligence that the fire was under control. The fire occurred in the Raleigh cotton yard and the people there feared that a wide spread conflagration would ensue.

On account of increase in registry business the Goldsboro Postoffice has been made an Inner-Registered Sack Exchange. That is to say, all registered letters from this point for the North are placed in a pouch provided for the purpose and a receipt for the whole is taken instead of a receipt for each letter, thus saving much time and insuring greater accuracy. All registered letters for North of Richmond are sent to that city for redistribution. Registered matter from the North is received here in these pouches on the fast mail.

If somebody don't look sharp some body will be indicted by the next grand jury for selling whiskey on Sunday. So much slipping in the back door on the Sabbath is ominous of law breaking, especially at a season when the average citizen does not yearn for ice water. We don't want to see any of our citizens sentenced to imprisonment with Leavy fine, but this law against selling liquor on Sunday ought to be rigidly enforced, regardless of where the penalty will fall. The vote last may did not change this law in the slightest degree, and that vote should not be construed as license to sell seven days in the week when only the question of selling six days was passed upon.

We doubt the propriety of the city authorities issuing license to candy vendors and other catch-pennies to do business on our streets. They do so here as long as they get their quarters with all the cash that they have been able to gather. This has the appearance of injustice to our candy manufacturers and merchants, who do business the year around in dull as well as brisk times, and who pay considerable taxes. Some of these concerns are tainted with gambling features and for this reason alone should not be tolerated. By these regular and insidious proceedings they are induced to invest money that would otherwise find its way into regular trade channels, thus injuring our merchants and also injuring the individuals in the numerous instances where they get little return for their money.

Centimeter Kid Gloves, 5 buttons, \$1.50. Foster Kid Gloves, 5 hooks, \$1.00. Ladies Kid Button Boots, \$2.50. C. P. Corsets, Thomson Corsets, 525 Bone Woven Corsets, 290 Bone Woven Corsets. Easy Hip and Abdominal Corsets, at M. E. CASTEX & CO'S.

RESOLUTIONS OF RESPECT.

WAYNE LODGE, No. 112, GOLDSDORO, N. C., Nov. 15, 1886.

On the first day of November, 1886, Brother JESSE J. BAKER, the oldest member of Wayne Lodge, No. 112, was called away forever from his earthly labors, in the 75th year of his age. He was warmly devoted to the interests of Masonry, and especially to the building up and well-being of this Lodge, in which he discharged the duties of treasurer with great fidelity, and for more than twenty years. True every trust, and a warm and cheerful contributor to the support of all by all who knew him. His walk was just and upright, and he practiced in the various relations of life the cherished tenets of our ancient order. Therefore,

Resolved, That in the death of Brother JESSE J. BAKER, while he subservively bow to the will of the Most High, we mourn with heartfelt sorrow the loss of one of the most active and useful members of this Lodge.

Resolved, That we extend our sincere sympathy to his wife and family in this afflictive bereavement.

Resolved, That as a mark of respect to the memory of our deceased brother, the members of this lodge will wear the usual emblems of mourning for thirty days.

Resolved, That a copy of these proceedings be sent to the family of our deceased brother; and that copies be furnished the several newspapers of this city.

SWIFT GALLOWAY, JOHN H. POWELL, Committee.

Argus and Advance please copy.
