Miscellaneous. Read this Carefully. The following letter from a well-known Western lady explains itself and is worthy of careful reading: "I wish to say to the sick and those that are feeble and weak, and those who are in need of a tonic, that in all the vocabulary of medicines they will find the most virtuous and the greatest benefit from Parker's Tonic has been an invalid for five or six years past, and given up to die by the most skillful physicians of Kansas and Colorado. Parker's Tonic has kept me alive, and raised me up after everything else failed. I have organic heart disease, combined with spinal and great nervous debility, and have cold sinking spells with no pulse, and the only medicine that will bring on a reaction is Parker's Tonic. I have never known it to fail in curing a cold if taken in time, and it relieves pain quicker than any remedy I have ever tried. I send you this because I would like for others to know how much good it has done me. It is just as good for you. Try it and be convinced." - MRS. D. SHULTZ, Louisville, Kansas, P. O. Box 92.

THE GOLDSDORO MESSENGER, MONDAY, DECEMBER 13, 1886.

PROCEEDINGS Of the Board of Education of Wayne County. GOLDSDORO, N. C., Dec. 6, 1886. The Board of Education met in regular session to-day. Present J. A. Bonitz Chairman and J. F. Oliver. The meeting was called to order by the chairman and declared ready for business. D. J. Broadhurst, having duly qualified as County Superintendent of Public Instruction, took his seat as Clerk of the Board. It appearing to the satisfaction of the Board of Education, that the census for District 24, white race, has been incorrectly reported and not having been sworn to, as required by law, it is hereby ordered that J. J. Roberts proceed at once to take the census of said district and report to next regular meeting of the Board. The application for formation of new districts 24 and 25, to have been considered to-day, was postponed to next meeting. The consideration of application of District 41, from District 39, is deferred to January meeting, when it is proposed to annex a portion of District 40 to District 41. All persons interested are notified to appear before the Board. John Holmes was appointed a committee to fill vacancy in District 19, white. W. G. Broadhurst and Henry Grady were appointed committees in District 41, colored, to fill vacancy. The consideration of application of Jesse W. Bunn to have a new district formed out of Academy district with school house at Bunn's Cross Roads is postponed until January meeting, and all parties are hereby notified to appear as the matter will be disposed of then. It is ordered by the Board of Education, that for the present school year, the pay of teachers holding 1st grade certificates shall not exceed \$25.00 per month and \$20.00 per month for teachers of 2nd grade, and all contracts proposed to be made at a large salary, shall first be approved by County Superintendent of Public Instruction. It is ordered that the salary of Superintendent of Public Instruction shall be \$500.00 per year and it is ordered on him that he shall visit the schools of the county as much as it is possible. The attention of school committees is called to see, 28, chapter 174, acts of the Legislature, 1885, which reads as follows: "No change of districts shall be made until full information is laid before the County Board of Education, showing the size, boundaries and school population of all the districts affected by the change. Unless for extraordinary geographical reasons as change of districts lines shall be made that will constitute any district with less than sixty-five children of school age. The County Board shall furnish plans and require committees to construct comfortable houses with a view to permanency and enlargement, as the increasing population may demand. The County Board shall in all matters, obey the requirements of the State Board of Education and the State Superintendent."

SOMETHING NEW. Surprise parties are not so numerous as of yore, and kissing games are not so popular as dancing. Their indulgence is late, but says the Buffalo Courier, at one of these parties the other evening, at an uptown residence, the junior female element insisted on being permitted to show their brethren something new. They had found a new order, it was explained, and wished to initiate the boys into its mysteries. They took possession of the front parlor and closed the folding doors, leaving one of their number on guard. The gentlemen found one of their crowd—a beardless youth—had disappeared, and wondered what had become of him; they returned to their sorrow. The lodge being in readiness for the reception of candidates one of the young men was escorted into the room. He found four blushing maidens standing in a row in the corner of the room, with a tete in front. Upon this he was seated and blindfolded, and then told that one of the girls would kiss him. If he could guess her name he would be privileged to repeat operation. Of course he made a miserable failure, but instead of being allowed to retire was compelled to occupy a seat on the opposite side of the room. Just imagine his feelings, when the next victim was led in and had been prepared for the sacrifice to see missing beardless youth rise up ghostlike from behind the girls, imprint a good, sound smack on the uplifted and expectant lips of the candidate, and then dole back to his place of concealment. One after another the young men were victimized. The fun of it was to hear some of them demand more than one trial before the removal of the hood-winks—one, a well known physician, not being content with less than three kisses. He was enthusiastic over their sweetness, until the sweet was turned to gall as he saw the boy salute his successor on the throne of misery.

"SELAH." "New Torah Advocate." "What is the meaning of Selah?" We do not know. A half dozen meanings have been given it. Here it is supposed to refer to some modulation of the voice in singing. In the Targum the Chaldean paraphrase of the Old Testament, it is translated "to eternity." Gesenius says that the most probable meaning is "silence," or "pause," and that it was intended to direct the singer to pause while the organ plays the interlude or harmony. The word is found twenty-one times in the Psalms and three times in Habakkuk. It is omitted in the Latin Vulgate, as it were no part of the text. It is one of the most abstruse things ever done. To see a minister look a congregation in the face, and say Selah, when neither he nor they have the slightest idea what it means, is ridiculous in the extreme.

The opinion of the people is that Dr. Bull's Cough Syrup is the best and most effective remedy for Coughs, Colds, Sore throats, Asthma, etc. The healing and purifying qualities of Salvation Oil render it the best article for the speedy and safe cure of ulcerated sores. Price only 25 cents. Colored people in the South are said to pay taxes on \$00,000.00. The usual treatment of catarrh is very unsatisfactory, as thousands of despairing patients can testify. On this point a trustworthy medical writer says: "Proper local treatment is positively necessary to success, but many, if not most of the remedies in general use by physicians afford but temporary benefit. A cure certainly cannot be expected from snuffs, powders, douches and washes." Ely's Cream Balm is a remedy which combines the important requisites of quick action, speed and safety with perfect safety and pleasantness to the patient.
