the people vaccinated.

Mr. Wm. C. Lovering, a leading New England Cotton manufacturers

The Roundlap bale of the American Cotton Company continues to win favor with the manufacturers of New England, as well as with the spinners of Europe. You can readily understand why this should be so, in view of the saving, and of the fact that after making a very thorough investigation in one of my mills last summer I found that the average breaking strain of yarn spun from this bale is about 25 per cent. greater than the strength of the yarn spun from the old bale."

Bad management keeps more people in poor circumstances than any one cause. To be successful one must look ahead and plan ahead so that when a favorable opportunity presents itself he is ready to take advantage of it. A little forethought will also save much expense and Busto, formerly chief of the agriculthe first of this week, and a dinner valuable time. A prudent and tural experiment station, at Manilla, will be spread there in honor of he careful man will keep a bottle of Chamberlain's Colic, Cholera and Diarrhœa Remedy in the house, the shiftless fellow will wait until neces sity compels it and then ruin his best horse going for a doctor and sides; one pays out 25 cents, the other is out a hundred dollars and then wonders why his neighbor is getting richer while he is getting poorer. For sale by all druggists.

News-Observer: Though Adju tant General Royster was in his the program for the State guard encampment, as was expected. 'We are being delayed by the question of railroad rates," he explained. "If we can get reasonable rates there will be an encampment at Morehead City this summer. If we can not get such rates over the roads leading to Morehead, then we will try some other road and some other place. We'll have a reasonable rate, or we'll have no encampment "

If you have piles, cure them. No use undergoing horrible operations that simply remove the results of the disease without disturbing the disease itself. Place your confidence in DeWitt's Witch Hazel Salve. It has never failed to cure OTHERS; it will not fail to cure You. J. C. Simmons, the druggist.
