MEBANE LETTER.

Cor. of the Gleaner.

The Mebane Tobacco Market was launched today by its opening sale, and to express it mildly, it was a great success in every respect.

The Mebane Tobacco Co. composed of the business men of the town of Mebane, built a large, well arranged, modern, up-to-date warehouse and were fortunate in getting Mr. W. M. Miles as proprietor. Mr. Miles has had twenty-one years experience in the warehouse business; eleven years with the Watts Warehouse, Reidsville, N. C. and the past eleven years with the Acee's Warehouse, Danville, Va., and was considered one of the most popular warehousemen in Danville.

The first load of tobacco for the opening sale drove in at 6 o'clock A. M. Monday and by Monday night, there were thirty wagons in the warehouse and when Mr. Don Gwynn, of Danville, Va., the prince of auctioneers, sold the first pile of the weed, there had been unloaded in the warehouse seventy-five wagon loads of tobacco, in this, Orange, Pearson, Caswell and Alamance Counties were represented.

Several visiting warehousemen from Durham, Burlington and other towns were on the sale and congratulated Mr. Miles on his opening sale. Mr. Miles is very popular with the warehouse proprietors, who are his competitors, but they realize that he is a fair competitor and, consequently, they have the kindest of feelings for him.

Mr. Glass and Mr. Graves, representing the American Tobacco Co. and the Continental Tobacco Co. were present. There were numbers of buyers from other markets, in addition to the local buyers present.

The sale was a success in every respect. There was a total of 32,415 pounds of tobacco sold at an average of \$9.20 per 100 pounds, which is said to be the highest average of any opening sale on any market in North Carolina for this season.

The sale was a success in every particular. The buyers were pleased and the farmers, as a unit, were delighted. Of all of the tobacco sold, there was not one dissatisfied farmer and not one pile of tobacco was taken in and every one expressed themselves as pleased and delighted. Mr. Bruce Warren, who is one of the largest and one of the most prominent farmers in Oaswell County, expressed the sentiment of the farmers in this community, when he stated that he was pleased and fully satisfied and got all that his tobacco was worth and further stated that he and the farmers of this community felt kindly to the American Tobacco Co. and their owners.

It is indeed very gratifying when the farmers expressed such kindly feeling for a corporation as large as the American Tobacco Co. and it shows conclusively that we have with us an "era of good feeling."

Yours truly, W. E. White.

News at Bingham.

Bright Prospect's For The Year's Work—Athletic Notes.

Cor. of the Gleaner.

Everybody is delighted with the exceptionally fine class of boys at Bingham this session. Last year, the high character of the cadet corps was a subject of general remark but recently a cadet remarked that "the boys this session had last years' crowd beat by half".

A number of States are represented in the enrollment including North Carolina, South Carolina, Georgia, Florida, Arkansas, Virginia and West Virginia. One of the most popular cadets is Mr. Nathaniel Cabral of Brazil.

Bingham has maintained a fine faculty of graduates for years but it is thought that none have excelled in ability and merit the body of teachers for this session. President Gray retains the department of Bible. Capt. Walter S. Crawford is in charge of Latin, Greek and English for his seventh year; Major Jenning Wise Hobson, a distinguished graduate of the Virginia Military Institute is commandant of cadets; Mr. B. D. Privett is meeting with much success as Physical Director and Coach, and Capt. S. B. M. Chiselin, a leading graduate of Washington & Lee University, although recently arrived, is already making a success. Capt. Chas. R. Campbell, who made a great success of the music department last session is again at his post.

The first athletic victory of the year was secured last Monday when Messrs. Campbell and Long representing the Bingham Tennis Club won a notable victory over the team of Elon College. The boys were treated with great courtesy and friendliness and enjoyed the visit to Elon. The Football Team is engaged in daily practice and a schedule of games for the session will be given in a later article.

Cadets are continuing to come in Mr. Barbisch of Texas, one of the old students and Mr. Ralph Guthrie of West Virginia, and Mr. Short of North Carolina being expected in a few days.

Foley's Honey and Tar cures colds, prevents pneumonia.

C. B. Kluger, the Jeweler, 1060 Virginia Ave., Indianapolis, Ind., writes: "I was so weak from kidney trouble that I could hardly walk a hundred feet. Four bottles of Foley's Kidney Remedy cleared my complexion, cured my backache and the irregularities disappeared, and I can now attend to business every day and recommend Foley's Kidney Remedy to all sufferers, as it cured me after the doctors and other remedies had failed."

Miss Martha Justice, sister of Hon. E. J. Justice, returned to Greensboro Friday from Rochester, Minn., where Mr. Justice recently underwent a difficult and serious operation for abdominal troubles. Mrs. Justice will remain with him until he is able to make the long and tedious journey home.
