THOS. F. McVEY.

Our community has just sustained what seems an irreparable loss in the death of Mr. Thos. F. McVey, which occurred Nov. 9th. Until Monday night preceding he was apparently in the best of health and spirits. About nine o'clock he was seized with a severe pain in his head and soon became unconscious, from which he never rallied. The best efforts of a devoted physician friend and all that loving hearts and hands could do was of no avail and he grew steadily worse until the end came at 9:30 Wednesday morn-

The season of bad roads is approaching and within a comparatively few weeks some of the roads of the county will be disagreeable At Graham, in the State of North Caroline to travel over to say the least. In at the close of business Nov. 10, 1910. fact some of them will be impassable during January and February. And notwithstanding the great discomfort, loss of time and other inconviences and objections it is a comparatively small proportion of the people of this county who realize the extent of anrual loss caused by bad roads.

The usual question was reversed and the question, "What do bad roads cost?" was recently asked in the Richmond Times-Dispatch in a striking editorial on good roads, or rather bad roads. The Times Dispatch declared that bad roads cost from \$400 to \$4000 a mile according to the degree of their badness and the productivity of the farms bordering them and their location. For the entire country the cost of bad roads is estimated at more than a million dollars annually, this loss constituting an ant him for Speaker of the House the Cane Creek Baraca Class filled the same could be truthfully said of Co., Inc., Boston, Mass.
