In a short time they cured the attack and improved my health."

Suggestive Questions on the Sunday School Lesson.
By REV. T. S. LINSKOTT, D. D.

July 2nd, 1911.
(Copyright, 1910, by Rev. T. S. Linscott, D. D.)
Isaiah's Prophecy Concerning Sennacherib. Isa. xxxviii:14-33.
Golden Text—God is our refuge and strength, a very present help in trouble. Ps. xli:1.

(1) Verse 14.—What letter was it that Hezekiah spread before the Lord?
(2) Is it the privilege of every man to spread all his letters, including those which give him trouble, before the Almighty God, and if so, what is the advantage in doing it?
(3) What if any advantage is there in telling our troubles to God in the house of the Lord, over doing so in our own homes?
(4) Verses 15-30—Hezekiah tells God in much detail the nature of his troubles. Now what good is it to do that, seeing God knows all about it in any event?
(5) Why does God not know all about our heartaches and our needs before we tell Him, in the same way as He knows afterward?
(6) What is the advantage of urging God by all the argument we can think of, as Hezekiah does here, to answer our prayers?
(7) What effect does the degree of our vehemence, or the extent of our desire, have upon God in answering our prayers?
(8) Why did not God answer Hezekiah direct, instead of through Isaiah?
(9) Apparently some men with equal goodness are better able to receive detailed messages from God than others. If this is so, why is it?
(10) May we rest with absolute certainty in the assurance that having told God our needs, He will supply them? Why?
(11) What is the reason for believing that no person and nothing can bring ultimate injury to a man, or a cause trusting in God?
(12) Why are men so foolish as to think they can prevail against God?

(14) Verse 23.—Why does God take injury done to His people as done against Himself?
(15) Would you go so far as to say that every hurt by word or deed, done against a child of God, is done against God? Give your reasons.
(16) Give an example of how God restrains the wicked as stated here, "I will put my hook into thy nose, and my bridle in the lips."
(17) Verse 30:32—As an example of how God rules, and overrules, things of your own blessings, and say how many of them are a result of your own efforts and how many from causes over which you have had no control?
(18) Verses 33-37—What means did God take to prevent Sennacherib from capturing Jerusalem?
(19) How did the angels of the Lord slay probably 185,000 of the soldiers of the Assyrian army in one night? (Give some Bible examples of how such things have been done.)
(20) Verse 38. To what extent is it a rule that men get what they would like to give others and that "They who use the sword perish with the sword"? (This is one of the questions that may be answered in writing by members of the club.)
Lesson for Sunday, July 9th, 1911.
