The editors have had a glorious time at Lencir this week. We ardently desired to be with them. Twenty-two years ago we were with them in that beautiful little city. They will spend the remainder of the week visiting the many places of interest in the mountain counties.

We see the opinion expressed that Senator Simmons and Gov. Kitchin will be the only two senatorial possibilities. Others think that the other candidates-Judge Clark, ex-Gov. Aycock and Gen. Carr-will develop considerable strength in different localities. But it's too far ahead for real sentiment to crystalize.

Mrs. Harris Shoe, who lived in Cabarrus county, was killed by lightning Monday evening last week. The Concord Tribune says Mrs. Shoe was standing on the back porch of her home, when a bolt of lightning struck her on the forehead almost without warning, as there was little indication of a thunder storm. Her body was badly mutilated, it is said, having the appearance of being riddled with shot. Mrs. Shoe was about 30 years old and is survived by her husband and six children, the youngest only five weeks old.

Descendants of every President of the United States since 1861 were invited to the silver wedding celebration of President and Mrs. Taft at the White House Monday.

## Washington Notes.

or, of The Gleaner.
'Washington, June 24, 1911. The Democrats in Congress, are making good the pledges that they made to the people last fall. The House of Representatives which is overwhelmingly Democratic has passed the Wool Bill by a majority of more than two to one. This bill cuts the duty in half on raw wool and makes a like reduction in the tariff on manufactured woolen goods. The effect of this bill if it ever bemes a law, will enable the poor people and the middle classes to uy woolen goods at reasonable prices, a blessing that they have

not enjoyed during the reign of Republicanism which began in the year of 1897 under Wm. Mekinley. It is uncertain what the fate of this bill will be when the Senate acts on it, as the Senate is still overwhelmingly Republican. President Taft is just now laced in a most singular position, and from a partisan standpoint a very embarrassing one. The nost aggressive support that his Canadian reciprocity bill has reeived in the Senate comes from the Democratic members who re gard it as a step in the right direction, but a great many Republicans are openly and many others are secretly opposing the passage of this bill which was passed

The Democrats are also en deavoring to establish a parcels tries enjoy, by allowing articles been on three weeks. Neither has the Southern Express Company,

## "Cardui Cured Me"

For nearly ten years, at different times, Mrs. Mary Jinks of Treadway, Tenn., suffered with womanly troubles. She says: "At last, I took down and thought I would die. I could not sleep. I couldn't eat. I had pains all over. The doctors gave me up. I read that Cardui had helped so many, and I began to take it, and it cured me. Cardul saved my life! Now, I can do anything."

## The Woman's Tonic

If you are weak, tired, worn-out, or suffer from any of the pains peculiar to weak women, such as headache. backache, dragging-down feelings, pains in arm, side, hip or limbs, and other symptoms of womanly trouble, you should try Cardui, the woman's tonic. Prepared from perfectly harmless, vegetable ingredients, Cardui is the best remedy for you to use, as it can do you nothing but good. It contains no dangerous drugs. It has no bad after-effects. Ask your druggist. He sells and recommends Cardul.
