Largest Baby in the World

Ms. Airy, Ga., Dispatch, 28th.

In James Adolph Cody, two years and three months old, Mt. Airy boasts the biggest baby in the world. James Adolph now weighs 123 pounds, and is growing every day.

With the first indication of the abnormal growth, his parents consulted a physician, and James Adolph was put under his care. All efforts to keep the baby on a diet suitable for one of his age proved unsuccessful to keep him normal.

Baby sleeps well and is perfectly healthy and strong. His appetite is like that of a grown person. For breakfast he will eat three and four large biscuits, with bacon gravy, butter and syrup; two glasses of buttermilk and two cups of coffee.

Between breakfast and dinner he will eat two more biscuits with butter and syrup.

For dinner he can eat a large plate of greens or any kind of vegetables, with boiled bacon, cornbread, biscuit and a whole pie, if he can get it, with two glasses of buttermilk.

Baby eats again between dinner and supper, and his supper is in keeping with breakfast and dinner.

Hon. Hoke Smith was Saturday inaugurated Governor of Georgia, succeeding Gov. Jo. Brown, who defeated Smith for the nomination when the latter had finished his first term as Governor. Smith reciprocated by defeating Brown when the latter had served but one term. The Georgia Legislature, which is in session, will elect a United States Senator to succeed Clay, deceased. J. M. Terrell, who is filling the vacancy temporarily, is a candidate and so is Gov. Smith. It is said the latter will in all probability be elected.

Four men were killed and three badly injured in a collision between an extra and work train, near Superior, Wisconsin, Wednesday.

California Congressman Buys Land in This State.

Wilmington Special, June 28, to Charlotte Observer.

Ex-Sheriff Jordan, of Guilford county, and Congressman William Kent, of California, who has the reputation of being the wealthiest insurgent in Congress, have just closed a deal for forty thousand acres of land near Manchester, on the C. F. & Y. V. railroad, between Fayetteville and Sanford. A portion of the land is in Cumberland and part in Harnett. Sheriff Jordan and Congressman Kent spent the day at Wrightsville Beach and the latter left for Washington tonight.

The large tract of land will be developed and the first move will be to plant out a hundred-acre orchard as demonstration. Work will be started shortly laying out sand-clay roads throughout the estate and roads will be built to Fayetteville, and also to Pinehurst. Efforts will be made to get people from the North who desire to engage in farming. This land is in what is known as the sand-hill section and is the same kind of land on which is grown such splendid fruit in the Pinehurst section. It is said that this sand land around Hamlet is being made to produce fine cotton. The tract will be called "Pine Wild."

Sheriff Jordan has been connected with some of the largest real estate deals ever put through in this State and every project he has been connected with has proven a success. Congressman Kent owns large estates in some half dozen Western States.

Fire at Greensboro, Monday night of last week, practically destroyed the plant and lumber stock of the Guilford Lumber Manufacturing Company. Loss estimated at \$40,000, with \$7,000 insurance.

The wound is serious but the officer is expected to recover.

Kill More Than Wild Beasts.

The number of people killed yearly by wild beasts don't approach the vast number killed by disease germs. No life is safe from their attacks. They're in air, water, dust, even food. But grand protection is afforded by Electric Bitters, which destroy and expel these deadly disease germs from the system. That's why chills, fever and ague, all malarial and many blood diseases yield promptly to this wonderful blood purifier. Try them, and enjoy the glorious health and new strength they'll give you. Money back, if not satisfied. Only 50c at Graham Drug Co's.

Vernon McLamery, of Stanton, Wilkes county, 16 years old, was kicked by a horse a few days ago and died from the effects.

Electrician Electrocuted at Hickory.

Stateville Landmark, July 7th.

Edward Bungardner, assistant electrician for the Thornton Light & Power Co., of Hickory, was electrocuted at 11 o'clock Monday night while repairing a street lamp. The insulation at the top of the lamp had been destroyed and the chain connecting with the lamp and reaching to the street had become connected with the circuit. When he took hold of the chain to lower the lamp several hundred volts of electricity passed through his body, killing him instantly. He lay where he fell for about half an hour before being discovered.

Bungardner was a young man and is survived by a wife and child.
