Convicts Kept Faith.

enty-five long term convicts employed on the railroad construction work four miles north of Elkin, after giving their word that they would not attempt to escape, kept faith with Guard Lewis who rode the distance to btain medical assistance for two fellow guards who were struck by lightning during a severe electrical storm. Guard C. R. Mc-Grady was killed instantly by a bolt and Guard Walter Simmons was probably fatally injured. When Lewis returned he found his prisoners safe.

Right in your busiest season when you have the least time to spare you are most likely to take diarrohea and lose several days time, unless you have Chamber-lain's Colic, Cholera and Diar-rhoea Remedy at hand and take a dose on the first appearance of the disease. For sale by all dealers.
