Throw out the Line

Give the Kidneys Help and Many Graham People Will be Happier.

"Throw Out the Life Line"—The kidneys need help. They're overworked—can't get the poison filtered out of the blood. They're getting worse every minute.

Will you help them? Doan's Kidney Pills have brought thousands of kidney sufferers back from the verge of despair.

J. J. Foster, Front St., Burlington, N. C., says: "I can recommend Doan's Kidney Pills just as highly now as I did three years ago when they gave me such great relief. This preparation never fails to help me when I have occasion to use it. I had attacks of kidney trouble for a long time and the worst symptom was a pain in the small of my back. The kidney secretions were also unnatural. Doan's Kidney Pills entirely disposed of my trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Veterans Return Thanks.

To The Graham Chapter Daughters of The Confederacy and the good people of the town of Graham, N. C.:

We have so often tried to express to you the deep sense of appreciation and gratitude for the honors you so freely and so lavishly give to us as representatives of that far-outnumbered but yet unconquered army, which, for four long years, against fearful odds, bore aloft on its gleaming bayonets the Southern Confederacy, that we are at a loss for words of sufficient force and power to express our feelings now. But suffice it to say, that you have not gone backward or lost interest in your labor of love. You have proven to us that, although we all soon shall be gone, and our names as individuals shall pass forever from the memory of man, yet to the generations following will be taught the truth about that nation which was destined so soon to pass from the galaxy, and the righteousness and justice of our "Loved and Lost Cause."

And let us say again, we have once more thoroughly enjoyed and are very grateful for the reception you have given us, and we hope that these reunions here will serve to remind us of the grand reunion you tender, and the Great Feast which is spread, of which we are told "eye hath not seen, ear hath not heard, neither hath it entered into the heart of man to conceive of the good things that God hath prepared for us."

Suggestive Questions on the Sunday School Lesson.

By REV. T. S. LINSKOTT, D. D.

July 23rd, 1911. (Copyright, 1910, by Rev. T. S. Linscott, D.D.) Josiah's Devotion to God. 2 Chron. xxxiv:1-13.

Golden Text—Remember now thy Creator in the days of thy youth. Eccl. xlii:1.

(1) Verse 1-2—Whose son was Josiah?

(2) What had been the character of Amon?

(3) Whose son was Amon?

(4) What had probably induced the wicked reign of Amon?

(5) Is a boy of eight years of age morally responsible to God?

(6) Verse 3—How old was Josiah when he began to seek after God?

(7) If Josiah when a boy had not sought and found the Lord, what effect would that have probably had upon his reign?

(8) If a boy is not converted by the time he is sixteen years of age, what are his chances of ever being converted?

(9) Take one hundred boys at sixteen years of age, in the same social positions, fifty of them converted and fifty not; what are the chances respectively for the worldly success of these two sets of boys?

(10) In the training of boys there are at least three things essential to their success; health, education, and character or religion. Which should parents pay most attention to without neglecting any one, and why?

(11) How old was Josiah when he began to take an aggressive part in the spiritual welfare of his kingdom?

(12) Verses 4-7—Why should the rulers of the people feel responsibility for the righteousness of the nation, and see to it personally that reforms are carried out?

(13) Which comes first in order and why, the purging of the nation from gross national sin, or the outward and public worship of God?

(14) Why can there be no real worship of God on the part of an individual or community, if at the same time sin is being committed?

(15) Verse 8—Which should have first claim upon our resources, our homes or the church?

(16) If the homes of the people are well cared for, and the church is in a run down condition, how would you estimate such a people?

(17) Verse 9—Who are the people that are in duty bound to keep up the church of God?

(18) From whom had the money been collected to repair the Temple at Jerusalem?

(19) Should money be solicited from outsiders to build, repair, or keep up the house of God?

(20) Can you find any place in the Bible where they raised money for the worship of God other than by direct giving?

(21) Where do you find in the Old or New Testament any precedent for pew renting, bazaars, concerts, lectures, tea meetings, or for any other commercial method for financing the church? (This is one of the questions which may be answered in writing by members of the club.)

(22) Verse 10—Why is it vital that the church of God should be kept in a comfortable and an attractive condition?

A Ready Sealer.

For traveling carry a candle with you, and when about to make a jump, as the theatrical people say, seal your bottles with it. It takes only a minute to light the candle, turn it upside down and let the tallow drip around the cork of a bottle, but it insures perfect carriage of the fluid content.—Good Housekeeping.

BARBERS' ENDORSEMENT OF TO-BAC-TON

A Barber's endorsement of a hair tonic is sufficient proof of the merits that it contains, as no barber can afford to handle an inferior hair tonic, as the patrons of a barber shop hold the barber responsible for the superiority of the article used, unlike the patron of the drug store who only holds the manufacturer responsible, although barber shops seldom handle hair tonic in packages, as they buy in bulk and apply it for their customers, but To-Bac-Ton Hair Tonic is also put in packages and handled by the druggists, which puts it in reach of both men and women and is sold by both Drug Stores and Barber Shops under guarantee that your money will be refunded if it fails to give satisfaction. To-Bac-Ton is a new discovery recently made in the well known plant, Tobacco, whose medicinal values have been known for over four hundred years, but until recently was never used for the purpose of destroying the dandruff germ that causes the hair to fall out.

TO-BAC-TON is now in the hands of the majority of the druggists and over ninety per cent. of the Barber Shops in North Carolina, which is a guarantee of its superiority.
