Go Right At It.

Friends and Neighbors in Graham Will Show You How. Got at the root of the trouble. Rubbing an aching back may relieve it, but it won't cure it. You must reach the root of it—the kidneys. Doan's Kidney Pills go right at it. Reach the cause; relieve the pain. They cure, too, so Graham people say. T. C. Bradshaw, Mill St., Graham, N. C., says: "I cannot say too much in praise of Doan's Kidney Pills and I strongly urge anyone suffering from kidney trouble to at least give this remedy a fair trial. I had a pain in my back for nearly two years and nothing was of a permanent benefit until Doan's Kidney Pills were tried. They helped me from the first and before long I was completely rid of Backache. My cure has proven permanent." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

His many friends will be very glad to know that Prof. Ned F. Relatives and friends have been called by his bedside, and the issue of his ailment is being watched with much concern. The Rev. J. W. Wellons, who is the co-pastor of the Church in this place is spending the vacation granted him by his congregation, visiting friends and acquaintances of long standing in Franklin and Wake counties. Intelligence has reached here with regret that the Rev. P. H. Fleming, D. D., Pastor of the First Christian Church of Burlington, N. The Vacation Number of the College Bulletin appeared on the first of this week and has been mailed to old and prospective students and such friends as desire it. The expectation is that the enrollment will represent an increase over that of last year. August 3, 1911. The Reapportionment Bill. Bearing an initiative and referendum feature to safeguard against gerrymandering in a number of States, the congressional reapportionment bill passed the Senate Thursday. It fixes the future House membership at 433—with two more when Arizona and New Mexico attain Statehood—instead of the present 391. There was not even the formality of a roll call on the final vote. Two amendments, both offered by Senator Burton of Ohio, were attached to the House measure and the House has concurred in the amendments. The increase in the membership of the House will mean an added expense to the country of approximately \$400,000 a year. The salaries of the 432 new members will aggregate \$315,000. Each will have one clerk at \$1,500 which will add \$630,000 to the total. Mileage and other incidental expenses will still further increase the sum, bringing it to the amount first named. Under the decennial reapportionment there is to be no reduction in the membership from any State. The average congressional district will contain over 17,000 greater population than at present, the average district comprising 211,877 under the new plan. The revolution which has been in progress in Haiti has succeeded and President Simon, of Haiti, has fled from the capital, which is in the hands of the revolutionists. Joseph Clary, imprisoned by a cave-in at the White Oak mine, near Joplin, Mo., from Sunday morning, July 30th, was reached by rescuers Wednesday morning, Aug. 2nd. He was alive and well. When the last spadeful of earth was removed by workmen in the shaft and they dropped through into the drift, Clary threw himself into their arms and wept while the shouts of thousands cheering at the mouth of the mine echoed down the shaft. Chiropractic

Chiropractic. KI-RO-PRAC-TIK. THE NEW IDEA. The New Method of Analyzing the Symptoms and Adjusting the Physical Cause of Disease. NO KNIFE—NO ELECTRICITY—NO DRUGS. The Chiropractors assert that the real and only physical cause of disease is a mechanical interference with the flow of innate energy from the brain to the suffering part of organs, and that this interference in most cases is caused by vertebral subluxation (partial dislocation). When such a condition exists, there is more or less pinching of the bundle of nerves at the point of exit from the spine, causing a disorder at twig ends of the nerves. Hence, should the pinched nerve be those that pass to the stomach, there would be "stomach trouble" in some form. If to the kidneys, in time a case of Bright's disease may develop, and so, should any one of the streams of nerves be pinched at their exit, there would be a "diseased condition of the organ to which they pass, unless the pressure be removed. Chiropractic is the only known method to-day by which the spine may successfully be restored to normal condition; thereby removing the cause of the disease, allowing nature to effect a cure. Many cases of long standing have been permanently cured in this way. Don't be prejudiced. Don't condemn Chiropractic without investigation; you know from investigation and personal trial, whether or not drugs have given you permanent relief, and you have taken medicine blindly. If you do not understand the principle of Chiropractic go to the Chiropractor and have him explain to you just what it is. Examination is free, and he will examine your case and point out to you the cause of your trouble. We can refer you to a number of responsible men here in town, now taking Chiropractic adjustments, who will tell you what it is doing for them. It will pay you to "look into it." It may save you years of suffering, and prolong your life.

Suggestive Questions on the Sunday School Lesson.

By REV. T. S. LINSOTT, D. D. August 20th, 1911. (Copyright 1910, by Rev. T. S. Linscott, D.D.) Jeremiah Cast into Prison. Jer. xxxvii. Golden Text—Blessed are ye, when men shall revile you, and persecute you, and say all manner of evil against you falsely, for my sake. Matt. v: 11. (1.) Verses 1-2—When sin is working wreck and ruin, how do you explain that men keep on in their disobedience to God, as Zedekiah did? (2.) How did Zedekiah become king of Judah? (3.) What if any relation was Zedekiah to the king of Babylon. (See 2 Kings xxiv: 17.) (4.) What makes people disregard one whom they believe to be a true prophet, as many of these Jews did Jeremiah? (5.) Verses 3-4—Jerusalem is now besieged with a powerful army, and Zedekiah in fear sent to ask Jeremiah to pray to God for him; was there merit or demerit, in this request, and forecasting their disastrous consequences? Is he a traitor or the wicked for the success of their projects, or the prayers of good people in their behalf? (6.) How should a man be treated who is constantly pointing out national sins, and forecasting their disastrous consequences? Is he a traitor or a patriot? (7.) Verses 5-10—Zedekiah in spite of his oath to the king of Babylon had rebelled against him, and made a league with the king of Egypt; what did God say through Jeremiah should be the result? (8.) What is the demerit of the sin to break an oath or betray a trust? (9.) What reason is there to believe that there comes a time, in the life of an individual, when his fate is sealed and his doom certain? (10.) Verses 11-17—The Chaldean king of Babylon raised the siege of Jerusalem, so that Pharaoh's army of relief returned to Egypt, possibly driven back by the Chaldeans. This gave Jerusalem a short respite. What should the wicked do while God withheld his judgments? (11.) Verses 18-19—What was the probable object of Jeremiah in leaving Jerusalem, now he had the opportunity? (12.) Was there any ground at all for accusing Jeremiah of being a traitor? (See chap. 35.) (13.) Which is generally the worse, "a lie out of whole cloth" or one based upon facts perverted? (14.) Verses 16-19—Why in view of God's almighty power does He permit his servants to suffer for their very faithfulness? (15.) Verse 17—Likely by this time the Chaldean army had re-invested the city, and then Zedekiah, the king, gets Jeremiah out of prison to consult him. Is it a usual thing for bad men whom in prosperity he had consulted, and when in adversity consult them, or ask their prayers? Give your reasons. (16.) Jeremiah told the king the blunt truth. Why should we always do that with sinners? (17.) Verses 18-21—Does a good man ever get where he may not suffer hunger, cold, or other bodily discomforts, or when he does not desire bodily comforts as do other men? (This is one of the questions that may be answered in writing by members of the club.) Lesson for Sunday, Aug. 27, 1911, Judah Carried Captive to Babylon. Jer. xxxix. Marking Lines.
