Local News.

Graham Chapter of the Daughters of the Confederacy will meet with Mrs. S. G. Lindsay at 3 o'clock Thursday afternoon.  
We were pleased to have Mr. R. M. Andrews editor of the Burlington News, call yesterday. He is a pleasant and agreeable gentleman.  
The arrival of the new post-office boxes will be announced later. Postmaster Hughes will be delighted to furnish us the item as a matter of news.  
Mr. Jerome H. Thompson of Albright township is moving his family here today. They will occupy the Dr. J. B. Thompson residence on N. Maple St.  
We have some nice little pocket calendars to give away. They contain calendars, space for memoranda for every day in the year and some besides, and some information worth attention.  
The mild weather and warm rain of last Thursday night and Friday almost cleaned up the snow and ice. A little remains yet on the north side of buildings where it banked up.  
The friends and acquaintances of Mrs. Fannie A. Williamson, who is at the Stokes-Whitehead Hospital in Salisbury, will be pleased to learn that her condition is much more favorable than a few days ago.  
Mess. A. B. Nicholson and Sam, T. Johnston went to Kinston Monday to figure on the contract for a building for the feeble minded at Kinston. They returned yesterday and feel that they have a good chance to land the contract.  
An exchange, speaking of the streets in his home town, says they are worse than the roads in the country. The same is about true of the roads and streets in Alamance. Fact is, a gentleman told us a day or so ago that he got along very well till he struck the streets in Burlington and Graham. Our towns ought to get out of the mud.  
The bad weather has demonstrated the necessity of more street crossings, or stepping stones in town. A lady proposed to write about and publish the fact that there is no way to get across either N. Main St. or N. Maple St. at the point immediately North of the M. E. church, but she turned the matter over to us with the injunction that we "put it strong." Now it's "up to" the city fathers.  
Notwithstanding the weather, and it seems to have been sufficient to cool the ardor and dampen the courage of an enthusiast, Manager Hatch of the Piedmont Railway & Electric Co. has pushed through two preliminary surveys from Graham to Stephensville and is heading for Saxonpaw and Chapel Hill, whither it is the purpose of the Company to extend its line. We bid the enterprising gentlemen good-speed in their plans of development.

New Pipe Organ Installed.  
In the latter part of last year we published the fact that Messrs. J. Harvey and William E. White and their sister, Mrs. Phil. Carleton, now of Richmond, proposed to give the Presbyterian church a handsome pipe organ as a memorial to their mother, the late Mrs. Emma V. White. Before Christmas the pulpit platform was changed and a recess built at the rear for the reception of the instrument. A choir platform has been built between the organ and the preacher's desk. The installation of the instrument was completed last week and on Saturday night an informal recital was given by Prof. Blythe of Burlington, who knows how to handle an organ. The organ is of splendid volume and sweet and mellow tone. Our Presbyterian friends have just cause to feel proud of this splendid organ.

Second Series Matures—\$4,000 To Be Paid.  
A year ago the first series of stock in Graham Home Building Co. matured and the shareholders were settled with. Now comes the second series issued a year later, and those fortunate and foresighted enough to have taken stock will receive their money with interest. Next Monday night a public meeting will be held in the court room and the \$4,000 will be paid. Don't fail to attend.

A full line of Buggies of all kinds and a big lot of Farm Machinery. See our stock and get our prices before you buy anything in our line. HADLEY & HUGHES, Graham, N. C.

Capt. Thos. Tate and Wm. P. Iseley. Tate and Iseley are familiar family names in Alamance. In the West are many family names familiar to Alamance people. Both gentlemen, whose names are given above, were born in Alamance and went West many years ago. Both have passed over the river. Capt. Tate lived at Burlington during the civil war and held an important position in connection with the N. C. Railroad. Soon after the war he went to Jackson, Tenn., and there he died on Dec. 15, aged 71 years. He grew to prominence in church and financial affairs in his adopted home. His first wife was a daughter of Dr. Wm. Tarpley who lived at Burlington. Fifteen days later, on Dec. 30th, Mr. Iseley died at Excelsior Springs, Mo., aged 76 years. He went west over forty years ago and formerly lived at Holt, Mo., where his daughter married Jezeiah Tickle who was born and reared in Boone Township. Mr. Iseley married Miss Sarah Clapp of Burlington, who survives him. Only a few of their old friends and acquaintances are living.

Good Work Done Daily in Graham—Many Citizens Tell of It.  
Nearly every reader has heard of Doan's Kidney Pills. Their good work in Graham still continues, and our citizens are constantly adding endorsement by public testimony. No better proof of merit can be had than the experience of friends and neighbors. Read this case:  
Mrs. W. Cates, of Graham, N. C., says: "I was afflicted with kidney disease in a very painful form for a long time and often the pains in my back almost prostrated me. I could not make any sudden movement without suffering intensely and I also had pains and dizzy spells. The kidney secretions bothered me and the doctor's medicine did not help me to any extent. When I heard of Doan's Kidney Pills, I got a supply and the results of their use were excellent. My kidneys were regulated and I was restored to better health than I had enjoyed for years."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Wm. I. Ward, Esq., Opens Office Here.

This week Mr. William I. Ward has opened a law office in Graham. He is an Alamance boy and obtained license last year. For several months he has been associated with W. H. Carroll, Esq., in Burlington. They will continue to be associated in the trial of cases where the services of both are desired. Mr. Ward's office is in the Holt-Nicholson building. He is an estimable young gentleman and we wish for him great success in the learned profession he has chosen for his life's work.

Teachers in Session.  
The Alamance Teachers' Association held a most interesting session in the court house in Graham on last Saturday. Although the roads were very muddy the attendance was very representative. The entire session was full of thought and pointed, practical suggestions for the teacher; and attention and interest was without a break to the end.  
The session was opened by singing "Work, for the Night is Coming." At the conclusion of this song, all joined in the Lord's prayer, and then the active work was begun.  
Prof. J. A. Bivins, of the State Department of Education, took up that part of the Reading Course that deals with child study and organization. His lecture was practical, timely illustrated and good. It was the kind that makes the teacher feel that he is benefited, that he has something to carry away.

At the conclusion of the address of Prof. Bivins, Supt. Robertson passed to the teachers copies of a new and home-made song that he stated had never been sung. It is entitled "Alamance," and set and sung to the tune "America." The fourth verse is the same as the fourth verse of our loved "America." The Association readily sang the other three verses, "Alamance," which runs as follows:—  
I.  
My county, 'tis of thee,  
Sweet land of chivalry,  
Of thee I sing;  
Land where first patriots died,  
Land where they stood when tried—  
From every one betide,  
Let freedom ring.

II.  
My native county thee,  
Land of the noble free,  
Thy name I love;  
I love you, Alamance,  
I love each leaf and branch,  
Where'er it has a chance  
On thee to grow.

III.  
Let every one who lives  
In this dear county now,  
Sing us to sing—  
Sing of the deeds to dare,  
Upon a field so fair,  
Their own dear lives to share  
For freedom's sake  
At the conclusion of this song the Supt. made several announcements in regard to the county work. He concluded his announcements by telling of the passing of Mr. James I. White, a few days ago. The Supt. stated that Mr. White had been a member of the County Board of Education for a number of years and that he had taught public schools for 50 years and was a charter member of the Association—a thorough teacher, a friend to education, a courteous gentleman, whereupon the Association unanimously carried a motion to appoint a committee to draft appropriate resolutions.  
Dinner was then served in the Town Hall and enjoyed by all, the Graham Graded School teachers very kindly serving. While the teachers chatted merrily around the table, Mr. E. P. McClure, of the firm of Gresh & McClure, played some new, catchy selections on a large Edison graphophone.

The feature of the evening was the Demonstrative Lesson in Reading by Miss Mary Carter, teacher of the First Grade in the Graham school and a conference made from observations from the lesson and lead by Prof. Bivins. A dozen or more beautiful little girls of Graham were present to do the reading. It might be said with due conservatism that the demonstration lesson was also a model lesson. This decision was established by the number of salient good points that were brought out in the conference by the teachers who observed. The conference closed the work of the session. As the teachers left the hall, several of the number with the longest experience claimed for this session a place among the very first for interest and real practical benefit.

As a result of using kerosene oil to kindle a fire, Mrs. Peter Ferrall of Fayetteville was painfully and perhaps fatally burned Thursday morning. Mrs. Ferrall was alone in the house at the time of the accident, and rushed to the piazza, from which she fell to the ground, the clothing being almost entirely burned from her body before a passing negro woman came to her rescue and extinguished the flames. The force of the explosion was so great that the stove was blown to the top of the house, tearing a hole through the ceiling.

Suggestive Questions on the Sunday School Lesson.

By REV. T. S. LINSOOTT, D. D.

Feb. 4, 1912.  
(Copyright, 1911, by Rev. T. S. Linscott, D. D.)  
The Wise Men Led by the Star, Matt. 2:1-12.  
Golden Text—Look unto me and ye shall be saved all the ends of the earth; for I am God, and there is none else. Isa. 45:22.  
(1) Verse 1—Where was Bethlehem, the birthplace of Jesus?  
(2) Where was the home of the parents of Jesus, and what had brought them to Bethlehem?  
(3) Who were the wise men that came seeking to see Jesus?  
(4) Verse 2—What evidence is there, if any, that God has revealed himself to other peoples beside the Israelites?  
(5) Give your opinion of the "star," which the wise men saw. (a) Was it created on purpose, or did God cause them to associate a new star, to them, with the birth of Jesus? (b) Was the star objective or subjective?  
(6) Were the wise men right in their opinion that Jesus was "born King of the Jews"? Why?  
(7) Verse 3—What is the evidence for or against the idea that God meant Jesus to be the earthly King of the Jews, as the wise men seemed to think and as Herod feared?  
(8) Why should Herod and "all Jerusalem" be troubled at the news of the birth of a Jewish King?  
(9) Verses 4-6—What prophet is here referred to, and where did these priests and scribes quote from?  
(10) Did the prophet they quoted think that the expected Christ was to be an earthly King? Why?  
(11) Verse 7—What is it which makes diligent study of a worthy subject noble or ignoble?  
(12) Verse 8—How would you describe a man with a motive of Herod when he sent these wise men off to find Jesus?  
(13) What reason is there, if any, to believe that some staid Church to-day, pretending they are seeking Jesus, with as ignoble motives as Herod had?  
(14) Verse 9—If a man today would see Jesus what "star" or sign does he need to follow?  
(15) Does God send a "star" or its equivalent pointing to Jesus to every man or to only a few? Give your reasons.  
(16) Verse 10—Mention some things which always produce joy and then describe that which produces the greatest joy to mortals known.  
(17) Verse 11—What is the ground for belief that those who seek Jesus will surely find him? (This is one of the questions which may be answered in writing by members of the club.)  
(18) What are the emotions stirred, the motives formed and the deeds done by all who really seek and find Jesus?  
(19) Verse 12—Is there any liability that those who live in the presence of Jesus will ever be duped into uttering lying lies?
