An Early Morning Fire.

Yesterday morning at 4 o'clock the fire whistle blew and it was soon the fire whistle blew and it was soon found that the P. R. Harden old residence, one of the oldest in Graham, was on fire and promised to be destroyed, but the prompt arrival of the firemen soon checked the flames. In half an hour the flames were out. The firemon of Graham never did better or quicker work. The dwelling had not been occupied for some time. The fire originated in a closet at the end of the L which was about half burned. The main two-story part of the dwelling was not seriously damaged. The corner of the kitchen near by was alightly burned. The damage is about \$350. It is not known how the fire originated, but it is suspected that some one had been in the closet mentioned above and either carelessly or designedly did the mischief. The owners of the property sincerely appreciate the aplendid work of the firemen and thank them most heartily.

Reputation.

For months Graham readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work, they have done in this locality. What other remedy ever produced such convincing proof of merit?

Mrs. Bryan Phillips, Main St., Graham, N. C., says: 'Doan's Kidney Pills are fine and I am just as glad to recommend them now as I did in 1908. My kidneys were out of order. My back hurt me and I was often nervous and dizzy. I heard about Doan's Kidney Pills and got some at the Alamance Pharmacy. They entirely relieved my backache and made my kidneys normal. Once and swhile aince then, I have taken Doan's Kidney Pills and they have kept me well."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
