Farmers Mutual Directors Meet.

On last Saturday the Board of Directors of the Farmers' Mutual Fire Iusurance Association was in session, checking up the work of the past year. The business of the Association was found in good and satisfactory shape, and that the business and membership are growing. It was found that since January 1st the Association had paid only \$80.00 for losses by fire, wind and lightning, an excellent record. The Association now has in hand funds to meet losses promptly. This fund is provided by a small annual assessment. This Association provides the cheapest insurance at all, and every farmer should avail himself of the protection it offers.

Residents of Graham, who testified years ago, now say the results were permanent. This testimony doubly proves the worth of Doan's Kidney Pills to Graham kidney sufferers.

A. T. Webster, mail carrier, 97 South Maple Street, Graham, N. C., says, "I suffered from pains in the small of my back and there was soreness across my kidneys. I finally got a supply of Doan's Kidney Pills and they soon made me feel much better. I am sure that this remedy is all that it is claimed to be. All I said about Doane's Kidney Pills when I recommended them before, still holds good."
