Mr. J. W. Cates of Burlington, who was so painfully hurt in the automobile accident near Eion College on the 29th of July, has been removed to the Whitehead-Stokes Sanatorium at Salisbury. Grave fears are felt that he will never recover.

A Queen Bee passed through the mails here Tuesday. It was sent by a party in Rockingham to a party at Snow Camp, this county. We have heard of bees being sent through the mails for a great distance, but this is the first time we recall a bee passing through the mails at this place.

Mrs. Lynn B. Williamson gave an enjoyable dance last Saturday night in honor of her guests, Miss Helen Farish of Winston-Salem, Catherine Seales of New Orleans, Virginia McGruder of Danville, Va., and Pricie Farish of Greensboro. Several young men from a distance were present. An orchestra from Greensboro furnished the music for the occasion. During the evening delightful refreshments were served.

A cottage belonging to the L. Banks Holt Manufacturing Company, and located on the Graham and Burlington road, was burned Sunday night. The fire was discovered a few minutes before 10 o'clock. It was a long way from hydrant and the firemen fought under difficulties until they lengthened their hose lines. The cottage was almost a complete loss, but other buildings were prevented from burning. The house was not occupied and it is a reasonable inference that it was set on fire. The loss is about \$300.00.
