potts on

Sorth Carolina counties, visiting Four unions, acting in concert the rural banking cepters in each inaugurated a strike on the At-lantis system of the Southern Pathe counties. Two divisions of the State were visited-Dr. Raper makcific railroad, known, as the Suning a personal tour of the cou Lines, at 7 o'clock Thursday night. Approximately 2,500 men

engineers, conductors, firemen, conductors and trainmen, from El Paso, Texas to New Orleans, are affected. Reports from division points indicate a general compli-ance with the strike order. The walkout culminated negotiations of more than six months which fail-ed to bring about an amicable adjustment of differences.

A miniature naval battle was lought under the shadow of the Brooklyn bridge, New York city one night last week when detec-tives concealed aboard barges and and policeman in launches exchangeo shots with armed river pirates. Four detectives were injured, three pirates were captured and three motor boats loaded with stolen coffee were recovered. Watch had nished the Department of Agricus ture. From the figures gathered been set because the New York Dock Company complaine d that coffee valued at more than \$2,500 Dr. Raper has formed some very definite impressions a sto rural had been stolen in two nights from conditions, particularly the rela-tion of the banks to the farmer. ts barges in the East river. 5. That the farmers in a num from the banks.

6. That the tenant farmers, es observe the the performance and report to the Ministerial Associapecially the 1-horse farmers, are not desirous of borrowing from the banks as much as they really need for the most effective cultivation of their soil, and the most citizens demand that the municieconomical handling of their pal authorities prohibit shows of like character.

crops; 7. That the tenant farmers are the ones that borrow little from the banks and usually only when their notes are signed by the landlords.

The greates obstacle to the far mer in borrowing on farm mortgages is the cost of abstracting the title to lands, is the observation made by Dr. Raper. The average cost of such service (usually performed by a lawyer) is from \$5.00 to \$10.00, and in a few cases as much as \$50.00 to \$80.00, when the title is complicated. As remedy for this extortion from the farmer, the government representative suggests the adoption o an official survey and registration of every piece of land. The adop-
