SCHOOL NEWS.

The fourth regular meeting of
Alamance Teachers' Association
was held in the court house Sat-
urday, February 7th. Despite the
rain a number of teachers were
present.

The date of the County Com-
mencement was publicly announced
at the last Teachers' Meeting. As
heretofore, it will be held the last
Saturday in April, which is April
23rd. Several new features will
be added this year and many for-
mer ones will be enlarged. The
Girl's Tomato Club will have the
largest representation present at
any commencement yet held. A
number of girls from the different
schools are making with their fin-
gers the dresses they expect to
wear at the commencement. Sev-
eral industrial products will be on
exhibition, and handsome prizes
will soon be announced for those
schools bringing the handsomest
floats to the commencement.

The Bow-Peterson Co. has offer-
ed two pins to the two 7th Grade
graduates showing the greatest
proficiency in English Grammar
and Composition. The first prize
is a solid gold pin, and the second
prize is a solid silver pin. These
will be awarded at the County
Commencement.

The Friendship High School will
give a play "The Deacon," at
Sweepsonville, Saturday evening,
February 28th. This play prom-
ises to be quite a success and it
is hoped that a large audience
will greet the High School on its
first tour.

The Saxapahaw School has or-
ganized a Country Life Club with
the following officers: President,
Mr. Hardy Stockard; vice-Presi-
dent, Mr. S. E. Woody; Secretary,
Mr. W. R. Freshwater. This is
the seventh local Country Life
Club in the county. This Club had
a box party some days ago and
made \$22.00.

Mr. J. G. Clark, of the Center
School, was in Graham last Mon-
day, and purchased for his school
a globe, two maps and two teach-
er's chairs.

The Country Life Club of Ala-
mance will offer to the schools of
the county this year the following
prizes for material improvement
made in the school buildings,
grounds, and the general equip-
ment.

1st prize, \$50.00 Cash.
2nd prize, \$25.00 Cash.
3rd prize, \$15.00 Cash.

AFTER SICKNESS OR OPERATION
It is a pathetic mistake to accept drugs or alcoholic mixtures when nature craves nourishment to repair the wasted body and restore the vigor of health.

For forty years the best physi-
cians have relied on the whole-
some predigested nourishment
in Scott's Emulsion which is totally
free from alcohol or opiates.

Scott's Emulsion sharpens
the appetite—renews blood—
nourishes nerves—strengthens
bones and restores the courage
of health to make life bright.

4th prize, quartered oak table,
given by White Furniture Co. of
Mebane.

5th prize, Teacher's Chair, given
by Green & McClure Furniture Co.,
Graham.

6th prize, Teacher's Chair, given
by Mebane Chair Factory, Mebane.

7th prize, Wall Clock, given by
Z. T. Hadley, Jeweler, Graham.

8th prize, Water Tank, given by
Holt & May Hardware Co., Bur-
lington.

9th prize, Water Tank, given by
Graham Hardware Co., Graham.

10th prize, Clock, given by M. B.
Smith Furniture Co., Burlington.

A cash prize of \$10.00 will be given
to the negro school making the
greatest material improvement.

It is hoped that every school in
the county will strive for first
prize. It will not take very much
work, or time, or money, to
clean off a playground, or to
sow grass and plant flowers. Why
not have a beautiful schoolhouse?
It costs very little to build a wood
house and other out-buildings, and
these add much to the comfort of
the country school.

All work done between Septem-
ber 1, 1913, and April 30, 1914, may
be reported by schools contesting
for the prizes. These reports must
be sworn to be correct and must
be in the hands of the County Su-
perintendent not later than April
30th. These reports should be
carefully kept. No equipment pro-
vided for with county funds will
be counted in the contest; but, all
permanent improvement or sup-
plies, and all work donated to the
school will be counted. Let man,
woman and child in Alamance
county do something for the
schools during the next two
months. The only people who fail
are those who do not try.

Chapel Hill Letter.

Cor. of The Gleaner.

Chapel Hill, Feb. 9.—The high
school activities of the University
for this spring are gathering in
interest and momentum, as the time
for the approaching State-wide
contests draws nearer. First
among these comes the High
School Debating Union, which is
carried on under the auspices of
the "D" and "Phi" Literary Soci-
eties and the Bureau of Extension
of the University. One hundred
and fifty of the leading and sec-
ondary high schools of the State
have enrolled in the Union, and
have arranged in triangles. The
triangular debates will be held
throughout the State on March 20,
and the final contest for the Ay-
cock Memorial Cup will be held at
Chapel Hill on April 3. The query
that will be discussed by all of
these schools is, "Resolved, That
the Constitution of North Carolina
should be so amended as to allow
the Initiative and Referendum in
State-wide legislation."

Graham is in the triangle with
Burlington and Jamstown.

The second annual inter-schol-
astic track meet of North Carolina
will be held at Chapel Hill on
April 3rd, under the auspices of
the Greater Council and the Alu-
mni Athletic Association of the Uni-
versity. Any secondary school in
the State is eligible to send rep-
resentatives to compete in this
meet. Eleven events, including the
usual field and track features will
be held. To the school which wins
the highest number of points a
championship cup will be award-
ed, and to the team winning the
relay race a cup will be award-
ed. Every contestant winning a
first place in any event will be
awarded a silver medal, and
every contestant winning a sec-
ond place in any event will be
awarded a bronze medal. All who
come for the meet will be enter-
tained by the students of the
University through the county
clubs. Among the schools that
already enrolled for this meet, are:
Raleigh, High Point, Gastonia, Bur-
lington, Goldsboro, Gatesville,
Edenton.

The first annual championship
contest in baseball for the year is
open only to public high schools,
city or rural, that shall have play-
ed and won up to and including
May 2nd, as many as four games
from teams representing schools
not have been defeated, shall be
of similar rank, and shall
eligible to enter the preliminary
contest. The committee at Chapel
Hill, through this elimination
contest in the preliminary games
which shall be arranged, will set-
tle on the two best teams in the
State. These two teams will come
to Chapel Hill some time in May
to play the championship game.

All expenses including transporta-
tion both ways, hotel bills, enter-
tainment on the "Hill", of the two
teams thus selected for the final
game will be paid by the Alumni
Athletic Association of the Uni-
versity, under whose auspices this
contest is being held. The com-
mittee in charge of this contest is
composed of the following mem-
bers: N. W. Walker, chairman;
T. G. Trenchard, E. C. Ervin, Nat-
t. Cartmel, Oscar Leach, and E.
R. Rankin, secretary.

Chinese Barbers
No soap is used. The beard is
softened by applying hot water,
then the work of scraping off the
hair is begun with a piece of steel
two inches long, one and a half
inches wide, and from a half to
three-quarters of an inch thick at
the top, tapered down to the cut-
ting edge like a wedge.

A small piece forged out at the
thick part has a piece of wood at-
tached like a small hammer han-
dle. However, with such a razor
as most people never saw, the bar-
ber does the work, and those who
patronize him come out well sha-
ven.

The barber when sharpening the
razor does not grind it, but holds
it on the floor on a flat piece of
wood with his foot; then with a
steel scraper he scrapes the edge
down thin, after which he finishes
it on a stone.

Before the Empire became a rep-
ublic the Chinese tonsorial artist
had a great deal more shaving to
do than barbers in other countries,
for he had to shave the head, all
but where the que was allowed to
grow, and all the young men and
boys had to have their heads sha-
ven from early boyhood.
