THE FAMILY GRAVEYARD. By Sallie Stockard Magnus. How sweet to sleep where the violets are growing overhead. In the quiet little graveyard, God's garden of the dead.

Near the great house in the pasture. And there are the scrubby pines; And round about are the tall trees And the clinging muscadines.

There the sassafras is growing, And the sweet gum stands by the sycamore tree, The trumpet vine holds her red horns, You hear the hum of the honey bees.

There grows the matrimony vine And the Cherokee wild rose; Our kindfolks there are sleeping In their quiet last repose. How sweet to sleep where the violets are growing overhead.

In the quiet little graveyard, God's garden of the dead. And I'm buried with the dead, I want to rest where the violets are growing overhead.

Brains Dullied By Constipation. Some People Only Half Alive; Dodson's Liver Tonic Cleans You Out and Wakes You Up.

When constipation is having its evil effects on your body and brain Nature is doing her best to offset them. But usually Nature cannot do this unaided.

In the past many sufferers at such a time used to turn to dangerous cathartics in a hope of relief. For some people, calomel does appear to give temporary benefit, but as a matter of fact, it is a poison, and is injurious and even dangerous to many.

If you have ever taken calomel you probably have suffered from the evil conditions following its use. But nowadays great numbers of people have learned how to feel better, brighter and healthier by taking Dodson's Liver Tonic instead of calomel.

WE CAN NOW SUPPLY.

THIS HAIR PREPARATION. Almost every day some grateful comes into our store and tells us benefits received from the use of Rexall Dyspepsia Tablets. Knowing how much good they have done others and knowing what they are made, we feel sure they will help you. So great is our faith in them that we urge you to try them entirely at our risk, with our personal promise that if you don't do all you expect them to do and make your stomach comfortable and healthy and your digestion easy, we'll hand back your money.

We couldn't endorse anything any more strongly than we do Rexall Dyspepsia Tablets. Containing Pepsin and Bismuth, they do the great digestive work, soothe the stomach, check heartburn and distress, promote a natural flow of the gastric juice, and help regulate the bowels. Remember, if they don't make your digestion so easy and comfortable that you can eat whatever you like whenever you like, we want you to come back and tell us and get your money.
