Young Walker Moore Killed by Lightning.

Yesterday morning about eight o'clock Mr. Walker Moore drove into Mr. A. C. Hornaday's livery stable to get out of a shower of rain. He hitched his team and walked to the back of the stable to look at a colt. At that time there came a flash of lightning and a sharp report. A little son of Mr. Hornaday ran home, about 75 yards away, when the lightning flashed, leaving Mr. Moore at the stable alone, but the little boy did not know that Mr. Moore had been struck. Mr. Hornaday came in from the railway station about an hour later and found Mr. Moore lying on his face and immediately went to a broken electric wire. He went at once for the father who had gotten out of the wagon up street. The only marks were two slight burns on the face. Life was extinct when he was found. The circumstance of this death is one of exceeding rarity. There was but one flash of lightning seen and a single report.

Mr. Moore was about 21 years of age and a son of Mr. John E. Moore, who lives near Galbreath bridge, two miles southeast of Graham. He is spoken of by everyone as an exceptionally fine young man. He is survived by several brothers and sisters. The interment was in Linwood cemetery about one o'clock today. The body was moved to this community from Hickory Mountain township, Oatham county, about three years ago.

TOWN IMPROVEMENT BONDS SOLD.

Street Commission Planning to Begin Work by July 1st.

The \$50,000 street improvement bonds for Graham have been sold. The purchasers are Sidney Spitzer & Co. of Toledo, Ohio. It is expected that the bonds will be delivered and the money received about July 1st, when the Street Commission is preparing to go to work. The Commission consists of Mayor W. I. Ward, who is ex-officio chairman of the Commission, and Mess. Lynn B. Williamson, Chas. P. Harden, Chas. A. Scott, John T. Black and Seymour S. Holt. The Commission held a meeting Tuesday night to begin to make preliminary arrangements for starting the work, such as engaging an engineer, getting prices on material, etc.

Modern Woodmen County Camp Meeting.

The County Camp meeting of the Modern Woodmen of America was held here last Monday evening, beginning at 7:30 o'clock. The County Camp is composed of Graham, Mebane and Swepsonville lodges. Mr. H. L. Holmes of Graham was elected County Consul, and Mr. Lon G. Turner of Graham was elected county delegate to the State meeting at Charlotte and Mr. H. E. Kirkpatrick of Swepsonville alternate. All the county officers were elected for the term of three years. At the close of the county meeting Graham Camp conferred the degrees upon a large class. After the work was over "The Feed Degree," which was prepared by the committee, consisting of Messrs. J. Elmer Long, D. N. E. Scott, P. S. Dixon and E. D. Scott, was given to the great satisfaction of all present.

The address by Mr. W. B. Ray, State Deputy, was excellent and the response by Mr. J. Elmer Long was highly enjoyed. Other addresses were made by Mr. Geo. A. Blackmon of Haw River on "What We Did," and Mr. H. E. Kirkpatrick of Swepsonville on "Where We Are Going."

It speaks well for Graham Camp, which was organized Dec. 19, 1913, with 22 members and in three months has grown to over 150, it being the largest order in Graham.

Baraca-Philathea State Meet.

At Durham on April 25 to 28 the State meet of Baraca and Philathea will be held. Delegates from Graham have been elected as follows: New Providence—Earl Hall and Sam Welch, Mrs. P. R. Perry and Miss Mattie Rich.

Fine Progress on Monument Fund—Mandale Banner School in Raising Fund.

Graham Chapter U. D. C. reports fine progress with the monument. One incident worthy of special note is the gift of \$13.00 from the Mandale School, Prof. A. T. Hurst, Superintendent. This was raised on "The School Children's Cards" put into the county schools by the Daughters, \$1.00 being the amount raised on each card. Mandale is the banner school to date, and the Chapter will present the school with a large framed portrait of General Lee, as a reward of merit for this interest and effort in commemorating our Southern heroes. The names of all school children who have helped in this way to erect the Confederate Monument will be read out in public at the unveiling, and the cards with their names will be put in the cornerstone. We are confident that these young people who have shown such interest in this work will in the future be loyal citizens and an aid and honor to their State.

A Word of Thanks.

The pastor of the Graham Baptist church and his family desire to express their sincere thanks for kind remembrance from the Ladies' Missionary Society and other members of the flock. Quite a number of packages of eatables came into the pastor's home Tuesday afternoon. This is one time they slipped up on us. We had not dreamed anything of the kind was on hand. Assuring the donors the kind act is highly appreciated, we are,

Yours truly, JAS. W. ROSE, and FAMILY.

No Difference

The Proof is Here the Same As Everywhere.

For those who seek relief from kidney backache, weak kidneys, bladder ills, Doan's Kidney Pills offer hope of relief, and the proof is here in Graham, the same as everywhere. Graham people have used Doan's Kidney Pills and Graham people recommend Doan's kidney remedy used in America for 50 years. Why suffer? Why run the risk of dangerous kidney illness? Bright's Disease? Here's Graham proof. Investigate it.

N. Foster, shoemaker, Mill St., Graham, N. C., says, "I am never without Doan's Kidney Pills in the house. I know that they are the best kidney remedy to be had. I was rheumatic. My joints and back were sore and stiff and my kidneys acted irregularly. The kidney secretions contained sediment and were painful in passage. Finally I took Doan's Kidney Pills. They did me more good than anything else I had ever used."

For sale by all dealers. Price 50c. Foster-Millburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

COUNTY COMMISSIONERS.

Committee To Visit Modern Jails, Looking to Building New Jail—Tax-Masters Appointed.

The County Commissioners met Monday in regular monthly session with the following members present: Geo. T. Williamson, chairman, W. H. Turrentine, C. H. Roney, Chas. F. Cates and W. H. Fogleman, and transacted business as follows:

Anderson & Simpson were authorized to furnish Miss Kate Simpson in provisions to the amount of \$2.00 per month for two months.

E. A. Noah and others were allowed to run a telephone line along the public road from Bellemond cotton mill to Burlington with the understanding that the poles shall be so planted as not to obstruct the road or ditches in any way, or interfere with other lines along said road.

G. Ab. Fogleman was authorized to lay off road asked for from M. F. Cullers, running around the North end of Buckingham mountain by J. M. Garrett's and others and crossing at a point near the colored people's church, connecting with public road leading from Liberty at a point near Stroud place. When the petitioners put the road in good traveling condition without expense to the county the Board will receive it as a public road.

W. H. Fogleman, G. Ab. Fogleman, W. H. Turrentine and Geo. T. Williamson were appointed a committee to investigate the road asked for from Graham to Snow Camp.

John Holt was authorized to furnish Henry Clay Laseley's wife with provisions to the amount of \$1.50 per month for two months.

The Daughters of the Confederacy were allowed space in the Court House Square, North of the Courthouse to place the Confederate Monument.

Whereas the Grand Jurors of Alamance county have for the last several terms of the court recommended the building of a new jail; and, whereas, the Judge of the Superior Court at the last criminal term of court instructed the Clerk of the Court to furnish the County Commissioners a copy of said recommendation; and whereas, the said Judge intimated that steps would be taken at the next term of court against said Commissioners, unless definite arrangements are made to build said jail; and whereas, the Board has already appointed a committee composed of W. H. Turrentine, R. N. Cook and Geo. T. Williamson, to secure plans and specifications to build said jail, now, therefore, be it resolved, that said committee be instructed to visit several modern jails in the State at once, to the end that definite steps may be taken at the next regular meeting of said Board to build said jail.

Bennett Thompson was relieved of poll and road tax on account of disabilities.

That J. H. Vernon, County Attorney, and Chas. D. Johnston, Register of Deeds, be instructed to investigate the title to the land at the County Work
