GRAHAM, N. C., June 18, 1914.

**Postoffice Hours.**  
Office open 7:30 a. m. to 1:30 p. m.  
Sunday 9:30 to 11:30 a. m. and 4:30 to 6:00 p. m.  
J. M. McCRACKEN, Postmaster.

## LOCAL NEWS.

—A party of young people picnicked at the Country Club grounds last Friday night.

—There is yet time to plant and make food for man and beast, but no time to lose.

—Since the showers have come the people here are making garden like early Spring.

—We have had an unusually long dry spell for the time of year, reports from this and other counties are to the effect that a good wheat crop has been harvested.

—Rev. J. F. Minnis of Elon College filled the pulpits of Graham Christian church Sunday morning and New Providence Sunday afternoon in the absence of the pastor, Rev. J. F. Morgan.

—Onida Band of Graham, which has forged its way to the front by energy and determination, has been engaged to make music for Mebane's Big Day on the 4th of July. The Graham boys are to be congratulated on their success.

—A dozen automobiles from Burlington were here Monday afternoon advertising the Chautauqua which will be held there from June 27th to July 3rd. The people of that city are determined to make a success of the Chautauqua, and will, if pulling together and thorough advertising will accomplish the result.

—The County Commissioners were in session Monday and attended to some routine business. The special business under consideration was that looking to the construction of the new jail. They have under consideration plans and specifications for a modern, up-to-date fire proof jail, such a one as they and the people of the county recognize the county should have.

—In this immediate vicinity there have been several refreshing showers in the past few days. About half past five last Saturday afternoon the first rain of any consequence for more than a month fell. Sunday afternoon a heavy rain fell for a short time. It was accompanied by a strong wind which blew down a few trees and broke many limbs from trees. There was also some hail. Again Monday afternoon there was a shower. In the Southern part of the county in some sections there have been fine rains, but the Northern part of the county is suffering badly for rain.

**Onida Cotton Mills Being Completely Overhauled.**

Onida Cotton Mills, L. Banks Holt, Mfg. Co., owner, shut down Saturday for repairing and overhauling. This is one of the large mills of this section. A large force of hands is at work putting in concrete floors. Large quantities of the newest and best machinery will be installed—lappers, cards, spinning frames, looms, etc. An expenditure of \$50,000 or more gives some idea of the extent of the improvement to be made in the equipment. It is proposed to thoroughly modernize the plant from bottom to top and make it equal in all respects to the best.

**Won a "Davenport."**

In the News and Observer popularity contest, in which Prof. J. B. Robertson was a candidate, he won the 3rd prize—a Davenport. His friends hoped he would win a "1914 Chalmers Six," or the next, a "1914 Studebaker Four." But he did not. However, his face is just as bright and he is just as buoyant as if he had outclassed all competitors. He philosophically says he can sit down and rest comfortably while the other fellow is bouncing over the boulders and paying the repair and gasoline bills.

**Dr. Long to Preach.**

Rev. W. S. Long, D. D., of Chapel Hill will preach at Graham Presbyterian church Sunday morning, 10:15 a. m. For many years this was Dr. Long's home and it will be a pleasure to hear him again. The public is cordially invited to attend.

**Mr. Crowson Postmaster at Burlington.**

Mr. O. F. Crowson, Editor of the Burlington News, received a dispatch from Washington Monday afternoon stating that he had been recommended for Postmaster at Burlington, resigned. Washington dispatches say that he will be confirmed by the Senate this week.

**Social Items.**

Miss Marco Goley delightfully entertained Tuesday morning in honor of her guest, Miss Fanny Blaw Whit. Auction Bridge was played after the game a salad course was served.

On Wednesday morning Mrs. Frank Moore entertained the Graham Bridge Club. Many out of town guests were present. Mrs. L. Banks Williamson and Mrs. James H. Holt of Burlington made the highest scores. At the close of the game a delicious salad course was served.

We are glad to learn that Mrs. Vernon Castle is recovering from an operation for appendicitis; now, if she will only cut out the tango how nice it would be.

Waiting doesn't pay. If you neglect kidney backache, Urinary troubles often follow. Act in time by curing the kidneys.

Doan's Kidney Pills are especially for weakened kidneys. Many people in this locality recommend them.

Here's one case.

Mrs. Della Stubbins, Haw River, N. C., says: "Some years ago I was attacked by pains in my back and limbs. Later on, I suffered terribly from my kidneys. I began to bloat and doctors said I had dropsy. I could not sleep, was nervous and weak and could not do my housework. The kidney secretions were also in bad shape. I finally heard of Doan's Kidney Pills and began using them. I soon improved and am now able to go about and do my own housework. My kidneys are in much better condition."

Price 50 cts. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Stubbins had. Foster-Milburn Co., Props., Buffalo, N. Y., adv.

## Supt. Robertson Speaks Word of Encouragement to Corn Club Boys.

Dear Corn Club Member:

I have been very much pleased with the large number enrolled in our county club this year. We have nearly 100 members—45 in the last number reported from the Raleigh office. I am very anxious that every boy plant his acre and do his best and remain in the club till the end—the harvest season of the fall.

No doubt you have been discouraged by the extreme drouth. You may not have your patch planted, or if you have it planted, it may be you have been unable to get a stand and see it grow. While the drouth has been one very unusual for the time of year, yet the test time, the time when corn mostly needs rain for a crop, has not yet come. That time is in July and August. So there is a chance for a crop yet. I do not think the chance is as good to plant late as it is to plant sooner, yet you can plant any time in June and make corn. So, if you have not done so, plant, if you can do it in June. Keep trying. "The darkest hour is just before dawn."

The County Fair Association will offer special premiums this year to the Corn Club members. Get ready to win some of them.

We want every member at our annual picnic between the girl's Tomato Club and the boys' Corn Clubs. These picnics are becoming great occasions for instruction and pleasure. The time for the picnic is August 8th and the place is my home—one mile west of Burlington. I want you to come. I'll write you again about this a little later.

Keep the rules of the Club to the letter, from start to finish. You will find them on the last page of the hand-book sent out in April. Keep plowing, keep planting, keep pushing, keep pulling, keep persevering until the last row is laid by.

Yours in the work,  
J. B. ROBERTSON.

## In Memory of Firemen.

Written for The Gleaner.

Memorial services were held at the M. E. Church, South, Sunday evening in memory of the firemen who have passed into the great beyond. The services were conducted by pastor Rev. R. G. L. Edwards. The text was John 15:13. The touching and impressive tribute to the dead, woven in with applicable admonitions to the living were eloquent in their simplicity. Rev. Mr. Edwards is fast winning his way into the hearts of the people here by his simple and direct presentation of the Gospel and also for the great influence for good he is wielding over the young men and boys of the town. The town is greatly blessed in having such a man.

## DEATHS.

Mr. James M. Cole died at his home at Haw River Tuesday morning, aged 72 years. He was a Confederate soldier, and a member of Company D, 15th Regiment. He attended the reunion at Raleigh last week and had been sick since his return. He arose and dressed Tuesday morning and walked out. On his return he laid down and died inside of five minutes. He is survived by his widow and five children—three sons and two daughters. The funeral was conducted from the Baptist church in Haw River of which he was a member by Rev. Jas. W. Rose, and the burial was in Linwood cemetery yesterday afternoon at four o'clock.

## Death of an Infant.

The infant daughter of Mr. and Mrs. M. W. Young, aged about seven months, died last Friday afternoon, and the burial was in Linwood cemetery Saturday afternoon. The bereaved parents have the sincere sympathy of many friends in this sad dispensation.

## Engineer and Fireman Killed Near Reidsville.

John P. Wingate, one of the oldest and best known engineers in the service of the Southern railway, and Gale Pickard, his fireman, lost their lives shortly after midnight Sunday morning, when Southbound passenger train No. 29, the Southern's fast train between New York and Jacksonville, was derailed at Sadler, the first station north of Reidsville. The train was running late and making a speed of about 40 miles an hour when the engine and tender left the track and rolled down an embankment. The mail car, baggage car, and express car, two day coaches, and a Pullman car left the track, but did not turn over. The mail clerk and baggage master suffered slight, slight bruises. There were no injuries among the passengers.

When the engine turned over Fireman Pickard was caught beneath the tender and was probably killed instantly. Mr. Wingate was found lying by his engine, his body badly bruised and scalded from head to foot. He suffered the greatest agony and died about one o'clock. He regained consciousness a few minutes before he died and passed away with a prayer on his lips for himself, his wife and children.

The telegraph operator at Sadler wired news of the accident to Greensboro and in a few minutes physicians and a wrecking crew were hurrying to the scene of the disaster on a special train.

The track was cleared about noon and the ill fated train reached Greensboro at 12:00 o'clock, carrying the bodies of the dead engineer and fireman. The remains were sent to the home of engineer Wingate in Spencer, and Fireman Pickard in Salisbury.

The accident is believed to have been caused by a bar of iron that dropped on the track from one of the northbound trains Saturday night. The track was torn up and twisted for a distance of about 500 feet.
