RHEUMATISM ARRESTED. Many people suffer the torture of lame muscles and stiffened joints because of impurities in the blood, and each succeeding attack seems more acute until rheumatism has invaded the whole system. To arrest rheumatism it is quite as important to improve your general health as to purify your blood, and the best way to do this is by using Scott's Emulsion, a natural blood-maker, which its medicinal nourishment strengthens the organs to expel the impurities and rebuild your strength. Scott's Emulsion is helping thousands every day who could not find other relief.

WARNING!! Delinquent Tax-Payers.

All 1914 and prior taxes which are not paid to me before noon of Monday the 5th day of July, 1915, will positively be advertised and the property to cover sold.

The law allows no further indulgence to Delinquents. I am an officer sworn to obey the law. I have no other recourse than to advertise and sell. I shall, therefore, be unable to evade the unpleasant duty of levying on the property or garnishing the wages of each and every delinquent who does not settle at once the amount of his delinquency.

I can make not one exception—it will be useless to ask further time—it is beyond my power and legal right to extend it. Those who have not settled with me by July 10th can only blame themselves, and I solemnly warn these, here and finally, that if they do not at once respond to this notice, the steps required by law will, without further warning, be regrettably but unhesitatingly taken.

It can not be expected that I shall personally call on every delinquent, and I shall not attempt to do so.

It is your duty to settle for your taxes at my office, and unless you do so before noon on Monday the 5th day of July, I regret to advise that the unpleasant and expensive method of enforcing collection by law must be employed against you.

Respectfully, R. N. COOK, Sheriff Alamance County.
