EUREKA Spring Water

FROM EUREKA SPRING, Graham, N. C.

A valuable mineral spring has been discovered by W. H. Ausley on his place in Graham. It was noticed that it brought health to the users of the water, and upon being analyzed it was found to be a water strong in mineral properties and good for stomach and blood troubles. Physicians who have seen the analysis and what it does, end its use.

If you take calomel today you'll be sick and nauseated tomorrow; besodes it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play.
