## NO CONDITIONS TO U-BOAT WAR

Wilson Says Germany Cannot Dictate to U. S.

MUST ADHERE TO POLICY

President in Note to Berlin Says Break Can Be Averted if Submarines Pursue Attacks Under Lates Instructions.

President Wilson will not allow Ger what stand this nation will take in its gotiations with Great Britain.

This stand was taken in a note to Germany, covering the submarine is sue and in reply to the note from Berlin, in which Germany agreed to alter her U-boat campaign. tells Germany diplomatic relations will not be broken while the new orders to submarine commanders are respect ed, but reiterates that any negotiations between Germany and the United States cannot be conditioned on negotiations between the United States and Great Britain.

The note despatched to Berlin was

very brief. It told of the acceptance of the same, of the conditions embodied in the new Berlin regulations for submarine attacks, but insists that Germany adhere to the new policy and that only a strict adherence to these rules will prevent a diplomatic

President Wilson stands by the United States' demand that Germany cease her attacks on vessels in violation of international law, regardless of negotiations which may be carried on with Great Britain over the food

Following is the text of the note cabled by Secretary Lansing to Am-bassador Gerard at Berlin, with in-structions to deliver it to the German minister of foreign affairs:

"The note of the imperial German

government under date of May 4, 1916, has received careful consideration by the government of the United States. It is especially noted, as indicating the purpose of the imperial government as but resigned to take a professorship to the future, that it 'is prepared to in the national university. do its utmost to confine the operation of the war for the rest of its duration to the fighting forces of the belliger ents, and that it is determined to impose upon all its commanders at sea the limitations of the recognized rules of international law upon which the government of the United States has insisted. of the matter in the house of com-"Throughout the months which have mons. On receiving this reply, Mr.

elapsed since the imperial government announced on February 4, 1915, its submarine policy, now happily aban-doned, the government of the United States constantly has been guided and restrained by motives of friendship in its patient efforts to bring to an ami cable settlement the critical questions arising from that policy. Accepting the imperial government's declaration of its abandonment of the policy which o seriously has menaced the good relations between the two countries, the government of the United States will rely upon a scrupulous execution hence forth of the now altered policy of the imperial government such as will remove the principal danger to an interruption of the good relations existing between the United States and Germany.

"The government of the United States feels it necessary to state that it takes it for granted that the im-perial German government does not intend to imply that the maintenance of its newly announced policy is in ny way contifigent upon the course r result of diplomatic negotiations etween the government of the United States and any other belligerent government, notwithstanding the fact that certain passages in the imperial government's note of the fourth in-stant might appear to be susceptible of that construction. In order, however, to avoid any possible misunderstand ing the government of the United notifies the imperial govern ment that it cannot for a moment en-tertain, much less discuss, a sugges-tion that respect by German naval authorities for the rights of citizens of the United States upon the high seas should in any way or in the slight-est degree be made contingent upon the conduct of any other government affecting the rights of neutrals and

### FAIL TO AGREE

Status of American Troops in Mexic Unsettled.
The conference at Elpaso, Texas,

between Generals Hugh L. Scott and Frederick Funston and General Alvaro Obregon, Mexican minister of war, and Juan Amador, sub-secretary for foreign affairs, ended without an agreement having been reached regarding the status of the America troops in Mexico.

A despatch from Marathon, Texas,

"Private Roscoe Tyree and O. G.

Compton, believed to have been cap-tured or killed by Mexicans in the last border raid, arrived in company with Sergeant Smyth. They were brought here on a motor car from Glenn Springs."

The band of Mexican outlaws that raided Glenn Springs and Boquillas, Texas, last Friday, killing American citizens, were believed to be headed into the interior of Coahuila, Mexico. Colonel Sibley, U. S. A., with a force the outlaws' trail, and some of his men may have crossed the Rio Grande after them, Generals Scott and Ob-regon went into conference here again, and probably discussed the last border raid and its consequences.

Asked if he intended sending troops into the Big Bend district in addition to those already on their way, General Funston said: "I haven't any to send."

# TEXAS TOWNS

Mexicans Kill Four, Wound Two and Kidnap Five.

WERE TAKEN BY SURPRISE

Beidlers Who Escaped Put Up Hard Battle Against Heavy Odds-Patro

The American patrol at Glen Springs, fex., consisting of nine soldiers, was almost wiped out in a raid by Mexican bandits, supposedly Vidaistas, across the border Friday night, according to an official report received by General Funston from Lieutenant C. R. Nor-ton, Fourteenth Cavalry, at Alpine,

sent via Fort Sam Houston.

Three soldiers, Cohen, Cole and Rogers, and one civilian, the young son of O. G. Compton, were killed, and two soldiers, Birck and Defrees, were wounded. In addition, three soldiers and two civilians whose names were given as Compton and Govern, have been missing since the fight. The civilians are believed to have been kidnaped and carried south of the in ternational boundary.

The number of raiders is uncertain camp and fired on the troopers as they tried to escape in the dark. The ban dits then looted Glen Springs, robbing the store, and in this operation the casualties to civilians occurred.

Colonel Frederick W. Sibley, con mander of the Fourteenth Cavalry, will roceed from Clark to take con of the troops proceeding to Glen Springs and Boquillas. He will vaery likely cross into Mexico in pursuit of the bandits

The fact that pursuit would not stop the border was stated authoritative by Major General Frederick Fun At department headquarters it was said there would be no waiting, not

cape in safety, and that when column moved it would ride long and fast and strike hard. The raid itself was spectacular. Out of a mass of conflicting reports, difficult to untangle because of lack

of quick communication with the attacked area, the following seemed to "Two hundred Carranza troops, sta-tioned almost across the Rio Grande from Boquillas, two hundred miles southeast of here and nine miles from the river, revolted Friday, seized their arms, ammunition and mounts, and disappeared. Friday night about ten o'clock they crossed the river at Ter lingua, near Boquillas and rode to Glen Springs, several miles from Bo quillas, where a detachment of nine men of the Fourteenth Cavairy was

At 11.30 o'clock the Mexicans charge

ed into Een Springs, shouting for Carranza and Villa and began setting fire to buildings and looting. At the same time they attacked the cavalrymen's camp, setting fire to Sergeant Smith commanding the de-tachment quickly placed his handful of men in line and a desperate resist ance began. The Americans fought with desperation. They were aided by the few civilians in the town. Rifles flashed for more than an hour.

Three soldiers were killed and four wounded, including Sergeant Smith and a private, who were burned while In the meantime a ten year-old boy, a Glen Springs resident, was killed. Finding themselves worsted, the civilians and the remaining soldiers withdrew to the nearby hills and continu-

ed the fighting. Sergeant Smith, with great coolness and bravery, insisted Miners Ratify Wage Pact. The agreement between the anthra cite mine operators and the Unite

Mine Workers of America was rati-fled by a vote of 407 to 117 at the tri-district convention in Pottsville, following the reading and explanation of the agreement. A standing vote was taken after a speech by President White, who told the delegates that it was their duty
