Early Frost.

A frost was reported in Northern Tennessee the latter part of last week, said to be 12 days earlier than any record on file. The earliness of the frost here is very unusual, as frost rarely appears in this section earlier than the 10th of October.

Holt-Granite Mfg. Company in Process of Reorganization.
In the Superior Court here last Friday an action entitled C. P. Albright, on behalf of himself and other creditors, against the Holt-Granite Manufacturing Company of Haw River, N. C., the Virginia Trust Company of Richmond, Va., was appointed Receiver of the property of the Holt-Granite Manufacturing Company.
The Receiver was authorized to receive propositions for the sale and purchase of the Company's property. It is expected that a sale will soon be made to a new corporation and operation of the mills shortly be resumed. Nearly all the creditors have already approved of the offer of purchase made and it is believed that all will soon do so. The proceeding in Court was instituted to avoid all question of title and to the end that a satisfactory price may be obtained for the property.

This is one of the largest, most valuable and best known cotton manufacturing plants in this section of the State, and there are many who will be glad to learn that it is to be put on a sound financial footing and to resume operation.

RHEUMATISM ARRESTED
Many people suffer the tortures of lame muscles and stiffened joints because of impurities in the blood, and each succeeding attack seems more acute until rheumatism has invaded the whole system.
To arrest rheumatism it is quite as important to improve your general health as to purify your blood, and the cod liver oil in Scott's Emulsion is nature's greatest blood-maker, while its medicinal nourishment strengthens the organs to expel the impurities and rebuild your strength.
Scott's Emulsion is helping thousands every day who could not find other relief. Refuse the alcoholic substitutes.

At the Tent Meeting.
Reported for The Gleaner.
"72 years in the last generation that will live on the earth," is a statement made by Evangelist U. D. Pickard in his tent across from the court house square. In spite of the cold weather, the interest is growing. Mr. Pickard has a stove in the tent now which makes it warm and inviting.

He continued in part: The darkening of the sun on May 29, 1780, and the falling of the stars on November 13, 1833, were signs warning our attention to the end of the world. More than this God has been sending his messengers to all the world since the year 1844, with the message of His speeding return.

"It is said in Rev. 19: 7, 'In the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God shall be finished.' We are now living in the days of the finishing of the gospel on earth—it is a solemn time in which we live. And therefore demands a careful study of the Scripture prophecies relating to this great event."

"The prophecy of Daniel 8:13-14 not only establishes the Crucifixion, but it makes sure the date when we are to begin to reckon the last generation of men that will live on earth, 2,300 years are to bring us to the cleansing of the Sanctuary, or the judgment. Now these days according to Num. 14:34, and Ex. 4:6, are so many years; and Dan. 9:24-25, tells us that these years were to begin at the going forth of the commandment to restore and to rebuild Jerusalem. The third decree to build Jerusalem went forth in the seventh year of Artaxerxes—Ezra 7:1. In the margin of this chapter is given the date of B. C. 457 from 2,300 years it brings us to A. D. 1843, and in the year 1844."

"This brings us to the last generation; and according to words of Christ in Matt. 24:34, 'This generation shall not pass, till all these things be fulfilled.' If we are now 72 years in that generation, the end must be very near!"

"If men deny this prophecy, they deny the Crucifixion of Christ; for in Dan. 9:24, it says that 70 weeks are determined upon the people." That is, they were cut off from the 2,300 years. It was in the seventieth week that Christ died and rose forever this long change of prophecy sure."

The subjects for the week:
Friday night, "The Great Beast on Daniel 7."
Saturday night, "Strepocaption on the Life of Christ."
Sunday afternoon, "Will Rome Rule America?"
Sunday night, "Is this War Armageddon?"
Monday night, "Strepocaption on the Bible."

Thursday night, "The Judgment."
Friday night, "The Two Covenants."
Saturday night, "Law and Gospel."

Mrs. C. P. Albright Dies Suddenly.

Early last Friday night, about half past 8 o'clock, the news that Mrs. Fannie Albright, wife of Mr. C. P. Albright, was dead, came as a shock. She was taken suddenly very ill Wednesday night. Through Thursday she continued quite sick, but on Friday had grown apparently a great deal better, and Friday evening she died suddenly of heart failure. The passing of Mrs. Albright removes a most estimable Christian woman who enjoyed the love and esteem of her acquaintances in a high degree. She loved her home and to make it a shrine of joy and rest for her loved ones was one of her chief pleasures. She was a life-long member of the Presbyterian church and ever faithful in attendance. The funeral was conducted from the Presbyterian church at 3 o'clock Sunday afternoon by her Pastor, Dr. T. M. McConnell, assisted by Dr. Daniel Albright Long. The interment was in Linwood Cemetery and a wealth of sweet flowers covered the grave. The funeral services were attended by a large concourse of relatives and friends.

The sorely bereaved husband and daughter, Mrs. Frank Moore, have the deepest sympathy of their many friends. Mrs. Albright was a daughter of the late John Donnell of Greensboro, where she was reared. At the time of her death she was 60 years of age. She survived by two sisters and six brothers, all of whom, except Mr. Tom Donnell of Texas and Mr. George Donnell in a Richmond Hospital, were present at the funeral, namely, Mrs. Adge Alexander and husband and sons Donnell and Robert of Greensboro, Mr. Robt. B. Tate of Graham, Mr. J. D. Donnell and daughters Misses Mary and Fannie Sue, Mr. Jas. R. Donnell and wife, Mr. Calvin H. Donnell and Masters Calvin, Jr., and Conrad, Mr. Harry Donnell and wife, all of Greensboro. Others present from a distance were Mrs. Mary Martin, sister of Mr. Albright of Mooresboro; Mrs. John W. Crawford, Mrs. June Stroud and Mr. E. P. Wharton of Greensboro; Mr. Clyde Hunter of Charlotte and Mr. Gene Hunter of Winston-Salem.
