GRAHAM, N. C., April 12, 1917

Amunition Plant and Grain Elevators Destroyed.

At Minneapolis Tnesday two large grain elevators were destroyed. About 175,000 bushels of wheat and corn were destroyed or damaged. Both of these are believed to have fists besought Leader Kitchin to about by enemies.

The same day Eddystone Ammunition plant, near Chester, Pa., was blown up. About 120 persons were killed outright and more than a hundred others seriously injured. This, too, is believed to have been the result of a foul plot.

Then does it not behoove the country to guard against foes on every hand?

The Negro Not Disloyal.

A number of exaggerated report ence to the acute conscience which obsesses Mr. Kitchin does not disof attempts on the part of German spies and enemies of this country to arouse the negroes against the States Government have United gained currency, but when run down war Congress through the culmi- spection and care of all food, rapid they have come to naught. It is not believed that this country has any-rounded. In the course of his elaobelieved that this country has anything to fear in the way of disloyalty on the part of the negro, and when in found himself a defender of and the real test comes he will be found as loyal as any other class of our citizenship and as willing to bear this country from foreign foes. A against America and all neutral Nanumber of the leaders of the negro race have already spoken out in ringing terms of loyalty.

Leader Kitchen of the House has States is joining with Great Britain and the Allies to suppress that come in for his share of criticism for the part he took in opposition to the war may be brought to a speedy end. The Administration the resolution declaring the existence to stop the war. Leader Kitchin would have the United States give of a state of war on the part of the Imperial German Government against aid to Germany through inaction, through a sacrifice of National the United States. To say the least of it, it was ill-timed at this critical juncture. Mr. Kitchen, if the rights of a neutral country, he will, can redeem himself by getting squarely behind the administration to put the country in a state of thorough preparedness for any event that the war may develop.

unseemly misbehavior of Mexi-

Every Man a Sanitarian in the Army, Walking the Best Spring Tonic.

An effigy painted yellow and la-beled "Stone-LaFolicite" was strong up to a light post in the down Township. Walk some every day has be town busine rescribed as a prescribed as a preventive of spring tever. But this does not mean walking in and about the of ton, a few blocks from the White the House, Thursday night, by a crowd house or standing on your feet while at work. It means going for a walk in the open air and soup-shine, relaxing mind and body, leaving carees behind, and enjoy-ing walking for the good it will do.

As spring comes on the body re

quires extra attention. It needs oning up in order to properly aditself to the chauge of se and to completely recover from the bad effects of high tempera-tures and indoor living during the winter. But drugs, pills purgatives are not needed. They

do more harm than good. Spring tonics that are worth while are exercises that will take you out in Graham Citizen Tells of His Ex-

exercises that will take you out in the open air, sufficient and regu-lar rest of mind and body, and a diet mainly of fruits and vege-tables. Walking every day in the open air is particularly recommended, whether it be walking to work or walking for health sake. As to the health value of walking, Dr. William A. Howe says: "This means of improving health, like fresh air, is within the reach of most people. Its energizing influence should be more widely utilized. A reason-able distance should be walked every day, regardless 'of weather eouditions. It is not well to walk the reach of most people. Its energizing influence should be more widely utilized. A reason-able distance should be walked every day, regardless of weather

(APRIL 18th)

YOU ARE CORDIALLY INVITED TO BE OUR GUEST 10 A. M. TO 5 P. M.

All CHERO-COLA Bottling Plants throughout the United States will celebrate National Chero-Cola Day on April 18th by keeping "open house" between the hours 10 a. m. and 5 p. m.

There will be more than a million bottles of CHERO-COLA served free to visitors of the many CHERO-COLA Bottling Plants on this date_April 18th.

It is estimated that more than a hundred thousand merchants who sell CHERO-COLA, will have their stores decorated with bottled CHERO-COLA and display advertising matter for this occasion. Millions of consumers who appreciate CHERO-COLA'S "Individual Sanitary Package" idea will again welcome this opportunity for the public to see for themselves the modern method of bottle sterilization, cleansing and re-filling employed by CHERO-COLA Bottling Plants throughout the country.

Graham Chero-Cola Bottling Co.

The purity and wholesomeness of bottled CHERO-COLA has rapidly gained favor with the con-suming public. As evidence—CHERO-COLA has reached a volume in its development greater than has ever been reached by any other bot-tled carbonated beverage for the same period of time,-a record we are proud of and a fact worthy of your consideration.

National Chero-Cola Day, you will note, is an educational feature of our advertising campaign. We want the public to know what CHERO-COLA is. We want the public to know why it is served only in bottles. We want you to visit our plant and see for yourself-at the same time receive booklets telling the whole story. Don't fail to come_April 18th.
