GRAHAM, N. C., Nov. 29, 1917.

#### MAJ. STEDMAN.

Hon. Chas. M. Stedman of Green boro was in town Monday. He saw Expeditionary Forces in Europe: a number of friends while here for Bulletin No. 63. only a short while. He is in fine trim for the short session of Con gress which convenes next week The Major about decided at one time that he would not be a candidate for Congress again, but his colleagues in Cougress of all parties importuned him to abandon the idea of retiring, and the pressure was so spontaneous and overwhelming that he yielded. During the crisis of the past three years he has been a most staunch supporter of the administration and his wisdom and courage has been a dependable asset. His colleague felt that his country needed him, and he will go back for another ped, and should be hinged or term.

#### THE WAR.

The fight put up by the Italians shipments. against the advance of the German and Austro-Hungarian armies will should be addressed as now prescribed by postal regulations, and of the war. Not only have the Italians thwarted the purposes of the should be sent care of the Com enemy but they have destroyed large detachments of the enemy's forces. Now that help has reached the Italians it is safe to say that the enemy will make no further progress in that direction, unless their forces are very materially increased.

On the Western front the Allied armies have made advances in the past week that surpass anything and the Hindenburg line has been

ed in the greatest war ever waged 1917. in the history of the world. It is must be clearly marked on the not over yet, and will not be for outside of each box. months to come, unless the unforeand unexpected happens Those in a position to know, seeing it his way, it behooves every to save everything that or would be useful in helping to win. Especially is this true as to America, for she must net only provide for herself, but for the Allies as well. If America and her Allies fail, the pinch of hunger and self denial on other would be bliss as compared

Russia is divided, so there is no disloyal St. Paul speech. communication between the North vest and Southeast. The element in possession of Petrograd is tryto make a separate peace with Germany under the dictation of German officials. Now that this is the case, the Allies class them as enemies and will withhold any help from them.

War savings certificate stamp will be placed on sale on Dec. 3rd, or shortly thereafter, Secretary of the Treasury McAdoo announce allotment to North Carolina \$48,600,000. Col. F. H. Fries Winston-Salem is director of the North Carolina committee and will organize and push the sale.

Submarine warfare goes on and a late report says that 21 British merchantmen were sunk by mine and submarines the past week-four more than for the previous week.

A military base hospital may established at Asheville, A repr established at Asheville. A repre-sentative of the surgeon general's office has been there to look over the field and it is suggested that Kenilworth Inn may be used for the hospital.

While Germany is going through its necessary setting up exercises in the Gulf of Finland its standard mark has dropped to 9.37 cents. It stood 22.5 cents before the scrap of paper incident.

Classes and masses have no rights in a democracy that are not subordinate to the rights of the consumers, who constitute, according to the best figures obtainable, just 100 percent of the world's population.

The Housekeepers League had better engage Rear Admiral Mc-Gowan for a course of lectures on Rain Take

Soldiers Stationed at Camp Sevier, 30th Division, Greenville, S. C.

All mail should be very definitely addressed; that is, not only the name of the larger organizations but the smallest unit to which a man belongs should bout in address.

the worth and the service of the British Navy. In man-power it has increased, since the outbreak of the war, from 146,000 to well over 350,000. In tradition and quality it has quickly identified tself with the spirit of its past.-George Herbert Clarke in Novem ber Southern Woman's

#### War Work at Navy Yards.

Washington, D. C., Nov. 17, 1917.—Nearly 55,000 appointments were made to the forces of mechanics, helpers, and laborers at navy yards and other naval estab lisments during the fiscal year ended June 30, 1917, and since that date appointments have been

ande in increased proportion.

An appropriation of \$7,500,000 is now being expended in the enlargement of the great naval gun factory at Washington, which, when completed, will furnish em-ployment for 4,000 or more skilled mechanics, in addition to the 8. 000 already at work in the plant. In this mammoth factory, one of the best equipped and most interesting in the world, are built the great guns for our war vessels. which carry to every country the message of America's ability to protect herself and to safeguard the rights of her citizens wherever they may be.

The new naval aircraft factory at Philadelphia, which will be completed this month, will also employ about 3,000 men.

workers who man such plants are of a superior class, and they feel a personal pride in turn-ing out products that will stand the test of conflict with the arms of other nations. A considerable part of the building of war ves-sels is also done in Government

its widespread organization, is furnishing the men as they are needed. In certain trades, particularly those connected with shipbuilding, there is usually a Sailmakers, coppershortage. smiths, shipfitters, anglesmiths, blacksmiths, and machinists are

especially needed. Women to operate power sewing machines are also in great demand. The representatives of the Civil Service Commission at the postoffices in all cities are the official recruiting agents for this as well as other branches of the Civil Service. The Commission urges competent me chanics to offer their services to the Government at this time of great need.

#### Driving Turkeys to Market.

Vatauga Democrat.

Mr. Mack Holler of Vilas passed through Tuesday, driving a flock of 125 fine turkeys, bound for Neva, Tenn. He was getting to-gether his shipment, which he said would amount to 400 head by the time he got through the county. Another flock of 262 was driven through by Arthur Adams of Vilas, goings to Riverside. Mr. Adams said the bunch would average about 43 pounds each, making them eost right around \$5.50 pe

Whole Skins and Full Purses.

The Christian Guardian of To ronto in a recent issue pays its respects to these tick-and-flea citizens in Canada and England. They seem to be everywhere. And whether they read or not, and most of them do not, their ears oust burn from time to time. air is everywhere electric with in

dignation.

Here is the blistering rhetoric

of The Guardian:
"Nero fiddling while Rome burned was a far less odious figure than the man of today who, while the whole civilized world is threatthe whole civilized world is threshened with destruction, looks on with internal delight that this great world-conflagration is helping to awell his fortune. And ing to swell his fortune. And while our lads are facing the dead ly gas, the whistling bullet, and the shricking shell, and our casualty lists run into the thousand every month, this man, untouched by it all, unctuously rubs his hands and thanks God for the hands and thanks God for the profit which it means to him. "If this be patriotism, God save us from it. Better far to come out of the war maimed or blind in

body, or with fortune clean spent in the heroic effort to free the world, than to come through it with a whole skin and a fortungreatly increased. "Stories have come to us again

and again of men who have made hundreds of thousands and ever millions of dollars out of the war but they have come from men who told them in sorrow and shame that Canadians and Englishmen should sink so low.

"The only way to permanen wealth lies in the Christian high way of service, and when private greed forgets the other fellow it signs its own death-warrant. The world's resources must be used for the many, not the few, and the only civilization which can be permanent must recognize this fact. Civilization rests upon upon brotherhood"

The surety company which bonded Maj. Geo. L. Peterson as property and disbursing officer of the North Carolina State Guard, has notified Attorney General Manning that the \$7.500 alleged shortage in Peterson's accounts will be paid, the company not waiting for the disposition of the case against Peterson in the courts.
