rts to Assess Difficult Properties— Standard of Value is to be 100 Per xperts to Assess Difficult Properties— The Standard of Value is to be 100 Per Cent of Conservative Judgment—Revaluation is for Benefit of Local Govvernments-A Square Deal for Cities

BY A. J. MAXWELL.

The last article covered the organization for the revaluation of real estate under the new act, ex-cept special examiners. The act authorized the Tax Commission to Shares of stock in their banks employ for the State special examiners to assist in appraisal of to the residence of the share-properties the value of which is difficult to ascertain. This proit may be found practical experts is located, against the bank, and in appraisal of particular classes of property will be employed with the view that all property of each of such classes will be accurately is located.

Brother Councilor and Brethren is located. ision anticipates that in so far as and equally appraised in all parts of the State. Capitalization of enterprises has been handled in such wide variety of ways that it furnishes in many cases a totally naccurate index of the value of the property represented. The success of the revaluation plan will depend upon the thorough-ness, accuracy and fairness with which it is done, and it will not o to assess at full value the classe of property the value of which will be within the knowledge of the assessor and to take a poor

#### The Standard of Value.

will have little knowledge.

The standard of value is 100 per ent, or as expressed in the act, what the property would sell for at ordinary sale for cash. Forced sa'es, auction sales, and sales on "the extortion plan," or the al-lurements of time prices are to be eliminated as a matter of course unnaturally inflated values shall be used, even when supported by some conditions of sale. The rule

s plain enough: the difficulty is Our in the application. of value is in every case a matter of sound judgment and discretion based upon accurate knowledge of the property. A very small per-centage of property has actually changed hands by recent sale, and even as to this small percentage there is in every case room for in vestigation of the character and onditions of the sale to ascertain It would be an everlasting f the price represents actual fair informed men will in almost every case differ. The one thing that will be insisted upon is that the

assessing officer in every case, as to each piece of property, large or small, get all the available factsnot take for granted, but take the trouble to investigate—and after acquiring all the knowledge that can reasonably be gained in a proper way, exercise an intelligent, conservative judgment as to actual, stable value, and and then apply 100 per cent of that judgment as the basis of value To use any other basis-

with inequality the general rule.

The State tax rate has been re

95-90 per cent—would be like knocking a chock from behind the wheel of a car standing on a steep incline—it would settle right back to the old levels, with a different rule applying in each county, and

duced this year to 112-3 cents. The average tax rate in the counties, including special taxes for arger cities in the State the total about 10 per cent of the taxes collected in the counties from property will be for the use of the State, and less than 5 per cent of total taxes collected from property in the cities is for the use of t what each man and woman in the cites is for the use of the use o d be victorious because property tax for its revenue, exould not finance the war, still cept for the public school tax, help to finance our Allies. which will be distributed back to argument might have the count'es. So that the chief used by each one of our general magnitudes. So that the chief been held in several communities in the State for the purpose of appointing local directors of the war, and so made it postory. They could have received by Sectory. gold, And if through patient toil, we reach the land Where tired feet, with sandals

loosed, may rest, Where we shall clearly understand. I think that we will say: "God knew the best!

## Annual Carolina-Virginia Baseball a Greensboro Saturday.

Cor. of The Gleaner

Chapel Hill, April 9 .-- Interest in college baseball throughout the State and South this week will center on the annual Carolina-Virginia game to be played in Greensboro on Satur day, April 12, when teams repre senting the two rival State Universities will meet in what has been termed the "annual basebul classic of the South." are that thousands of baseball enthusiasts and supporters of the two institutions will journey to Greens horo to witness the contest and par ticipate in the other social events of the day, as in the past. It will be a gala day occasion for the Gate City and the Spring sporting event of the

State. dent body of the University to Greensboro to support the Carolina team. A mass-meeting will be held Orange Crush is obtainable by L. Banks Holt, June 14th, 1889, team. A mass-meeting will be held here tomorrow night to crystalize wherever soft drinks are sold. Interest and enthusiasm over the One ice-cold bottle will induce This April 1st, 1919. game, which is already at fever heat on the campus. Some pithy talks will be made by faculty members and students, college yells will be practiced, and plans for organized consistent resting will be formu-

Reports from Greensboro speak of provision being made for the elaborate entertainment of visitors. The North Carolina College for Women has anuounced that it will keep 'open house' on Saturday night. another important item on the pro

gram.
The Carolina team will enter the classic with a string of victories to its credit. Five opposing nines, Oak Ridge, Camp Bragg, Elon College, Durham, Moose, and State A. & E. College, have already been met thus far and defeated. Virginia thus far has downed Richmond College, but was the loser in the contest with Lincoln Memorial University. Virginia also plays William and Mar and Hampden and Sidney before the game Saturday, while Carolina meets Guilford College and V. P. I. be-

fore the Saturday engagement.
Both Carolina and Virginia, each with ten letter men back, are well prepared for Saturday's combat.
