

Postoffice Hours.

Office open 7:00 a. m. to 7:00 p. m. Sunday 8:00 to 11:00 a. m. and 4:00 to 6:00 p. m. R. N. COOK, Postmaster.

LOCAL NEWS.

The County Commissioners will meet in regular monthly session next Monday.

Graham Chapter U. D. C. will meet on Thursday, Nov. 6th, at 3:30 p. m. with Mrs. J. Dolph Long.

Alamance Broom Co. is now making brooms. Madam Manager made the first one and she will have it for her office.

Tuesday night a street through the old shop buildings in Burlington was opened with dynamite. It was after midnight when the charge went off. There was opposition, but the work went on.

The Ladies' Aid Society and Mission Study Class of Graham Christian church will meet at 3:00 o'clock Wednesday afternoon, Nov. 5th, with Mrs. E. J. Lester at the Christian Parsonage.

Work on Highway Begins.

Work on the Federal-aid road from Trolinwood to Gibsonville has commenced. The link between Graham and Haw River will be the first built. Material is now being put to the roadside near the bridge at Haw River.

Captured Two Stills.

On Monday afternoon Deputies H. J. Stuckard and E. A. Hensley captured two stills near Swepsonville, one a 35-gallon and the other a 50-gallon still. They also found a lot of boxes and barrels and other evidences that they had at one time been in operation. No one was found about either place.

Meets Friday Night at Seven-Thirty.

Tomorrow (Friday) night at 7:30 o'clock the Parent-Teacher Association will meet at the Graded School auditorium for the purpose of effecting a permanent organization and to attend to any other business which may need attention.

It is desired that not only parents and teachers may become members of this Association, but that all friends of the school will join.

On Friday night, Nov. 7th, Mr. Frederick Archer, Supt. of the Greensboro schools, will address the Association. Greensboro has a very successful Association. Mr. Archer is familiar with its work and will be able to give some valuable information.

Forming Alamance Company of National Guard.

An invitation and an opportunity are now given former soldiers and others to enlist in an Alamance Company of the National Guard. Many of the boys of Alamance were members of old Co. I, 120th Inf., one of the most famous fighting organizations of the A. E. F., and it is desired to perpetuate the reputation of this organization. There will be an annual encampment with full pay. The annual pay for drill at home will be \$90 to \$153. Candidates will apply to Capt. Copeland on Tuesday and Thursday afternoons at P. S. Dixon's tailor shop.

Caught Breaking in Store.

A negro, who gave his name as W. W. Rush from Petersburg, Va., was caught Tuesday night in the act of breaking in Mr. Chas. A. Switzer's store. He was at the back door with a bar when Chief of Police A. W. Moser and Night Police Boyd E. Trolinger hailed him. [The negro was equipped with an automatic ready for business.

Graham has been afflicted with a number of house-breakings lately, and now, that a Night Policeman has been put on, it is hoped that the breakings will be less frequent and that some of the thieves will be caught. Rush is in jail.

It is for the Judge at court to sentence criminals, but we have a sneaking notion that anyone, now while laborers are in demand at the highest wages this country has ever known, caught stealing or attempting to steal should have the extreme limit of the law and then some.

Parent-Teacher Association.

Reported for The Gleaner. The patrons of the school were called together in the school auditorium Monday, October 20th, to organize a Parent-Teacher Association. The spirit with which the people of Graham have always supported the school was evident from the large number present.

Mr. Terrell, who presided over the meeting, explained that its object is the promotion of the welfare of the children of Graham. Short talks were made by Messrs. E. S. Parker, Jr., J. Dolph Long, Dr. W. S. Long, Jr., Rev. E. N. Caldwell, Miss Ferguson and Mrs. J. D. Kernodle.

The Association was organized with Mrs. J. D. Kernodle as temporary president and Miss Minnie Long as secretary. Mrs. Kernodle appointed an organization and nominating committee composed of the following: Mrs. J. Dolph Long, Mr. F. W. Terrell, Miss Josephine Thomas, Mrs. J. Harvey White and Mrs. E. S. Parker, Jr. The name of the Association does not limit the membership. It is hoped that all friends of the school will join this Association, which holds its next meeting in the school auditorium Friday evening, October 31st, at seven-thirty.

C. E. Institute.

Burlington-Graham Christian Endeavor Institute held in Graham Presbyterian church last Saturday afternoon and night was gratifyingly successful. Mess. Karl Lehmann and C. F. Evans, two of the South's ablest Endeavor workers, were present and added zest and interest to the occasion. There were a number of visitors present from other unions. Of the institutes held in Southern Territory lately Burlington-Graham excelled both in finance and registration.

Red Cross Work--

Third Roll Call!

The Third Roll Call of the American Red Cross is Nov. 2-11. The Graham Chapter made such a fine record in War Work and during the Influenza epidemic, that it must be held together so that both the organization and money be ready should further need arise for it. Only recently a contribution was made to a family where typhoid fever was raging.

The Boy Scouts will make a thorough canvass of the town and it is hoped that all will pay the one dollar annual membership fee.

The National Organization needs \$15,000,000 as a war fund, and quo'a of Graham Chapter is \$800.00. Any contribution over and above a dollar membership fee will be applied to this.

There is always work somewhere for the Red Cross to do, and the dollar membership fee can be easily spared this day of general prosperity. May our community be so favored as to seldom need its services, but let us be ready.

Red Cross Work--Read: Do You Think The War Is Over? Then What About--

The 250,000 disabled fighting men?

The 800,000 American boys who were "unfit for service"?

The One American baby out of Seven that dies in its first year?

The 200,000 people who die annually of tuberculosis?

The 500,000 who would die in another influenza epidemic like the last?

The 300,000 children under 5 who die annually of preventable disease?

The thousands of children forced out of school by physical defects?

The accidents that kill 100,000 and disable 500,000 yearly?

The One adult in Seven known to be in need of medical attention?

The 7,000 people who drown every year in American waters?

The war has just begun!

The Red Cross fights Ignorance--Sickness--Suffering--Misery.

NOTICE!

Time For Installing Septic Tanks Extended by State Board of Health.

The State Board of Health has extended the time of construction of sanitary septic tanks until the question of sewerage system has been determined. If, after the survey and estimate is submitted, the town decides to install the sewerage system, extension of time for installation of sanitary septic tanks will be extended until the sewerage system is completed and in operation; provided, however, owners of property in Graham, coming under the State-wide sanitary septic law, shall have signified in writing their intention of making sewer connections as soon as available, and the town shall turn over to the State Board of Health the forty-cent sanitary septic tank license tax for each house or other building concerned, in the manner set forth in the agreement between the town of Graham and the State Board of Health. The above are the conditions under which the people of Graham may defer construction of sanitary septic tanks without becoming liable after October 1, 1919.

All, whose houses are not served by sewer or provided with sanitary septic tanks approved by the State Board of Health, are law breakers and guilty of a misdemeanor punishable by fine of from \$5.00 to \$50.00. If it be decided that the town will have a system of sewerage, the city officials have taken the matter up with the State Board of Health, requesting an extension of time for construction of sanitary septic tanks sufficient to allow the sewer system to be installed and placed in operation.

The State Board of Health has not the right nor the authority to exempt any person or community from the requirements of Chapter 71, Public Laws of 1919, but deems the advantage of sewerage over sanitary septic tanks sufficient to justify non-compliance with the State-wide septic law.
