# 1919 TAXES DUE

The County Commissioners have turned over to me the Tax Books for 1919. The last Legislature passed a State-wide law allowing a discount of 1 per cent. on all taxes paid before Dec. 1st, a flat rate for December, and adding a penalty of 1 per cent. per month after January 1st. Pay and get the discount and avoid the penalty.

**1919 Dog Tax Due**  
Dog license tax must be paid before Dec. 1st. The penalty is \$50 for failure to pay. Every dog must wear a tag. Respectfully,  
**CHAS. D. STORY**  
Sheriff of Alamance County.  
October 6, 1919.

**ONE GAME MR. THRIFTLESS CAN'T PLAY**  
**STEEL MASTER BEGAN TO SAVE WHEN YOUNG**  
Recognized That Success Lay in Sound Investment--Safe Security in World is Now Offered By Government.  
Andrew Carnegie died not long ago, leaving behind him \$300,000,000. He had given away about \$300,000,000 in an effort to avoid the reproach of dying rich.

It is probable that the high cost of living gave the "steel master" little worry during the latter half of his life, but it is certain that in his boyhood the prices of the necessities of life were vital factors. And Andrew Carnegie in his early years met the cost of living with the same remedy which America's leaders, headed by President Wilson, are now putting forth as the basic principle of the fight to withstand the menace that lurks in the soaring prices of today. That remedy is thrift--the practice of saving, the elimination of waste and sound investment.  
In the days when Andrew Carnegie, 14 years old, earned \$120 a week as a bobbin boy in an Allegheny City cotton mill, and later when he earned \$11.25 a month as a telegraph messenger boy, the cost of living meant much to him. He had little margin for saving. But he did save. There were few opportunities for the small saver to make safe investments. Securities were not issued in small denominations. There were no Thrift Stamps or War Savings Stamps, backed by the government, into which the meagre proceeds of the Scotch boy's thrift could be converted.  
But Andrew Carnegie at the age of 30 determined upon safe investment. The soundest securities that offered were 10 shares of stock in an express company worth \$100. Carnegie had to borrow part of the money he paid. But he was convinced that savings lying idle were not performing their proper function.  
The American man or woman, boy or girl of today does not have to borrow to add to the savings fund in order to find safe investment. The government makes sound security in the form of Savings Stamps, Treasury Savings Certificates, and war bonds available to every saver who will begin to practice thrift by the regular investment of sums as small as 25 cents.  
Every American today has a better opportunity for success than lay before Andrew Carnegie when he faced the world.

**ARE YOU A CAPITALIST?**  
The dictionary defines a "capitalist" as one who has a "pecuniary surplus." The dictionary is wrong. A capitalist is one who has a pecuniary surplus which is invested.  
Are you a capitalist?  
You are if you are buying War Savings Stamps or Treasury Savings Certificates. They represent "pecuniary surplus" or, in simple English, "savings," and they make your money work by bringing to you 4 per cent interest, compounded quarterly.  
Are you a capitalist?  
Secretary of Commerce Redfield recently said to the Cleveland advertising men, "There are \$4,000,000 subscribers to our Liberty Loans. I suspect that many a factory is manned, as I know some government services are, by a force from top to bottom of capitalists, in varying degrees, but not the least really."  
Don't kick about the high cost of living. Beat it by trimming your sails and buying War Savings Stamps. The capitalists are not kicking about the high cost of living.  
Why?  
Because they have money at work. Out your expenses to the bone. Invest in War Savings Stamps.  
Be a capitalist.

**SCOTCH SONGS TO DATE**  
If a body meet a body  
Coming through the eye:  
If a body save a dollar  
Why, then, bye and bye,  
When the shiftless people holler  
"Money's Scarce and tight!"  
He who saves the nimble dollar,  
Will come through all right!  
Should auld acquaintance be forgot  
And never brought to mind?  
Why, no!--unless he is a sot  
And better left behind.  
But one thing you must not forget,  
A thing more true than funny:  
"When your mind on saving's set  
It's easy saving money!"  
Knowing War Savings Stamps are a good investment won't do you any good unless you back up the knowledge with your money.  
Follow the example of rich men if you would be rich. They make their money work for them. You can do it by buying War Savings Stamps.

**Rounding Up the "Reds."**  
Seattle, Wash., Nov. 11.--Federal officers today raided the offices of the Seattle Union Record, seized the entire plant and arrested several employees, E. B. Ault, the editor among them.  
United States District Attorney Robert C. Saunders said the office was raided on instructions from Washington, D. C.  
The Record editorially, yesterday said the rioting at Centralia was "the result of a long series of illegal" acts by the dead former soldiers themselves.  
Federal officials also seized the plant of the Equity Printing Company and arrested Walker C. Smith, editor of the International Weekly, which is printed at the Equity shop. Smith was charged with violating the espionage act.  
Governor L. F. Hart of Washington announced he would start a state-wide campaign to wipe out Industrial Workers of the World, Bolsheviki and other radicals and called upon all state officials to cooperate in the work with Federal and county officials. The governor received messages asking him to convene the legislature to pass stringent anti-Industrial Workers of the World laws.

**LIFT OFF CORNS!**  
Apply few drops then lift sore, touchy corns off with fingers.  
Doesn't hurt a bit! Drop a Little Frezzone on an aching corn, instantly the corn softens, then you lift it right out. Yes, magic!  
A tiny bottle of Frezzone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.  
Frezzone is the sensational discovery of a Cincinnati genius. It is wonderful.  
See the Sheriff before December 1st and pay your State and County Tax and get the discount.

Condition to Avoid.  
The dangerous moment in life comes when men begin to over-value the past at the expense of the present. It is the moment of religious controversies, for ancestor worship, for narrowing in, for exalting one set of people and excluding another. When we reach it, it means that we are growing old. But we need never reach it.--Exchange.
