GRAHAM, N. C., Dec. 11, 1919

Senator Fall, Republican, with Senator Hitchcock, called on the President one day last week ostensibly for the purpose of talking over the Mexican situation. Fall is from New Mexico and favored a move to break with Mexico. But, the real purpose was to confirm the report that Mr. Wilson was mentally incompetent to discharge his official duties. Fall was "disappointed" he found Mr. Wilson entirely competent to handle the situation. This Mr. Wilson proved when he took issue with the war-like ones and they deferred to his opinion.

The coal strike is ended after a tie-up of five weeks. President Wilson's proposal being accepted. Striking miners numbering 400,000 will return to work today and tomorrow. These responsible for the strike should be attended to by the government under any law that is applicable. The material loss to the country has been immense. It will take the remainder of the winter to get back to a normal basis.

The fuel administration has announced more drastic measures for the saving of fuel than were in force during the war. The time for the operation of non-essential industries has been reduced from 48 hours to 3 days per week in many sections of the country. Many trains, too, have been annulled that will effect a saving of 15,000 tons of coal daily.

Republicans in Congress are concerning themselves more about politics than the matters that are urgent in need of attention for the real good of the country. The Peace Treaty is on hand and should be passed so that the country could start on the road to normal conditions.

It is predicted that Clyde Hoy will hurry John Motley Morehead in the 9th under an avalanche next Tuesday. The Republicans will not be able to break through the Democratic ranks this time at that particular point—their money and big guns will fail them.

Floods in Georgia, Alabama and Mississippi are doing much damage. Yesterday at Columbus, Ga., the Chattahoochee river was the highest on record. Several lives reported lost and property losses of many hundred thousands.

Over in Petrograd, according to a news report, the bolsheviks stand a striker up before a firing squad. That may not end the strike, but it effectively ends the striker.

Republicans will hold their national convention in Chicago on next June 8th, so the national committee decided yesterday by a vote of 44 to 9 for St. Louis.

Out in Kansas for lack of coal the people are burning \$1.50 corn to keep warm. Sponsors for the coal strike are to blame.

Gen. Wood and Gov. Lowden are in the lead as Republican presidential candidates.

Forty cent cotton has been reached and a higher mark is still ahead.

Wanted--Red-Blooded Men!

Happy and Successful People Everywhere are Always in Great Demand

Best Friends--Red-Blooded

Pepto-Mangan Produces Better Blood--Sold in Liquid and Tablet Form

Get into the red-blooded class if you are not there now. Take a few weeks' course of that splendid tonic—Pepto-Mangan and note how you improve in health and looks. Pepto-Mangan is a red-blood maker and is for sale at the drug store right near your home. It is put up in both liquid and tablet form. Take which you choose, but see that the name "Gude" is on the package. Without "Gude" it is not Pepto-Mangan.

It is the cry everywhere—"Wanted--Red-Blooded Men." The soldiers and sailors that won the war were red-blooded, two-fisted fellows. In business it is the red-blooded man that stands the strain and wins the big successes. The world has no place for the thin-blooded weakling. It is natural, too, that red-blooded men and women should have more friends, and they do. They are better human beings than the thin-blooded anemics, who are likely to be "grouchy" and irritable most of the time.

Research Station At the University

Established by U. S. Bureau of Education—Will Investigate Educational Problems, School Organization and Management, Truancy, Parent-Teacher Organization.

HIGH SCHOOL FOOTBALL CHAMPIONSHIP TAKEN FROM GREENSBORO.

Cor. of The Gleaner.
 Chapel Hill, N. C., Dec. 9th.—President Chase of the University of North Carolina announces that the United States Bureau of Education has established a research station at the University with Dr. L. A. Williams of the school of education, as director, and that the University and the Bureau of Education would co-operate on research studies in educational problems, some of which will be published by the Bureau and used widely in its educational work. Besides Dr. Williams, Dean M. C. S. Noble and Dr. Edgar W. Knight, of the school of education, have been named as special collaborators, and all three of them, in addition to their work at the University, will become dollar-a-year men, working for the government.

The establishment of the research stations follows the adoption of a new policy by the Bureau which will work jointly with several universities in investigating educational problems. Other institutions besides the University of North Carolina at which research stations have been placed are the Universities of Pennsylvania, Iowa, Virginia, Texas, and Minnesota.

With special assistance and co-operation from the National Bureau of Education the university school of education will make investigations on such subjects as school organization and management, the control of truancy, school budget making, parent-teacher organizations, and special problems of rural schools. This sort of work is being done by the university now but under the new plan it can be done much easier and more effectively, and the Bureau will render substantial aid through sending privileges and in other ways. The research station will be a fractional part of the Bureau of Education but it will also be a part of the university.

Chapel Hill High School won the high school football championship of North Carolina by defeating Greensboro High School 78 to 0. The game was played on Emerson Field at the University of North Carolina and was the sixth State football championship conducted by the university. Greensboro had won the championship of the western part of the State and Chapel Hill of the eastern part. The final game was hard fought in spite of the large crowd, and was witnessed by a large crowd of university students in addition to special rooters from Greensboro. Chapel Hill was much heavier and in Captain Sparrow and Merritt who had two backfield stars that would make many college players hustle for their jobs.

NEW FORM OF IRON RELIEVES STOMACH TROUBLES

Eat What You Like—Stop Suffering From Acid Stomach—Gas, Pains and Other Forms of Indigestion—Results Almost Immediately

For years physicians have been searching for a form of iron that could be combined with certain other ingredients like pepsin, etc., for use in treating chronic disorders of the digestive tract, mal-assimilation, etc., etc. This is sufficient evidence that medicine recognizes the great value of iron for stomach troubles when administered in proper form. If you have been disappointed with lack of results from pills and tonics used to contain iron you can now understand that the iron was not presented in a form that could be absorbed by the stomach into the system. And therefore could not possibly bring you benefit.

This new form of iron is not prepared by chemists—it is found in Nature itself combined with other highly beneficial medicinal agents. It is quickly absorbed by the system and in sufficient measure to bring results that you can feel in a very short time. Just ask your druggist for Acid Iron Mineral. He will also tell you that stomach troubles are relieved by taking a spoonful in a glass of water three times a day. And for acute conditions like "sour stomach" etc., a single dose will in most cases bring relief. This natural form of iron seems to neutralize the excess acid in the stomach as nothing else in all medicine. Stomach disorders of long standing where the patient is subject to dizziness after eating, giddiness, headaches, dizziness, etc., yield positively to steady treatment with Acid Iron Mineral.

And don't forget that the general system is strengthened and invigorated owing to the iron content of this great medicine. All druggists cheerfully refund the purchase price if the results are not satisfactory to you in every way.

For Sale by All Good Druggists.
