COOPER-FRICKE.

Popular Graham Young Lady and New Yorker Married in Graham Baptist Church.

In a ceremony unsurpassed for beauty, Miss Julia Cooper of this place, and Richard F. Fricke of Plattsburgh, N. Y., were united in marriage at 8 o'clock, Tuesday morning, Dec. 30, in the Graham Baptist church in the presence of a large number of relatives and intimate friends of the couple.

The church was beautifully decorated. A color note of green and white was effectively used, evergreens and white ribbon being particularly attractive. The entire space from the chancel through the choir space was banked with ferns. Cathedral candles were used in casting a subdued light over the solemn service.

Prior to the ceremony Mrs. R. L. Holmes, presiding at the piano, played "Traumerl" following which Miss Myrtle Cooper, sister of the bride, in her most charming and art effective manner, sang "Because," by D'Hardeler. At the first strains of the "Bridal Chorus" from Lohengrin, the ribbon bearers entered and advanced to the pedestals on each side of the choir space where they took their places. They were little Misses Edith Moon and Mildred Trolinger, the bride's nieces, and were pretty in dainty dresses of pink satin with tulle trimmings.

Next were the groomsmen, who entered and took their places at the chancel. These were Sam Hason and Cyrus Ealise, F. W. Ferrell and Willard Goley.

Miss Lola Cooper, sister of the bride, and maid of honor, entered. She was beautiful in her gown of pink satin and old lace. She carried a bouquet of pink Killarney roses.

Next came the ring bearer, little Miss Annie Boyd Trolinger, niece of the bride, daintily dressed in white tulle over white satin and carrying the ring in a white rose.

Then the bride, handsome in a traveling suit of midnight blue tricot with accessories to match and carrying a shower bouquet of white roses and valley lilies, entered on the arm of her brother, Thomas Cooper, who gave her in marriage. They were met by the bridegroom and his best man, Curtis Fricke.

The beautiful and impressive ring ceremony was performed by Rev. L. U. Weston, pastor of the church and the bride, "Hearts and Flowers" was softly played during the ceremony. Mendelssohn's wedding march, from "Midsummer Night's Dream," was used as a recessional.

The bride is the charming daughter of Mrs. Julia Cooper of this place, and is prominent in social circles. She is a graduate of Asheville Normal.

For several years she taught in the Graham graded school and during the past year she taught in the Salisbury City school. The groom is the son of Mrs. Amelia Fricke of Buffalo, N. Y. He is a graduate of Cornell University. He now holds a position as county agricultural agent of Clinton county, N. Y., and is located at Plattsburgh, N. Y.

After the wedding Mr. and Mrs. Fricke left on the 9 o'clock train for Washington, Baltimore and New York where they will spend their honeymoon. They will be at home after January 10 at 241 Cornelia street, Plattsburgh, N. Y.

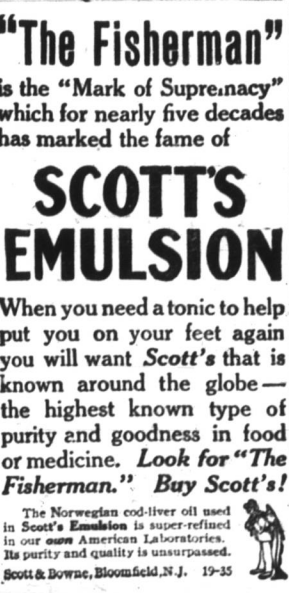

The array of beautiful gifts received by the bride testifies to the popularity and esteem in which she is held by her many friends.

Gift of \$10,000 to Haw River Graded School.
The trustees of Haw River Graded School are working on plans for an addition to their school building. The architect has not finally completed the estimate, but figures that the addition will cost between twenty-five and thirty thousand.

The Holt-Granite Mills Co. being advised of the plans has donated \$10,000 to help the trustees in their efforts. This is a very generous donation and one that no doubt is fully appreciated by the Haw River community. Nothing that the Company could have done with that sum of money would be of more lasting benefit. It will not only materially aid in making the much needed improvements to the school building for the accommodation of the present patronage of the school but will be helpful for years in the future, and doubtless will be the means of rescuing many an ambitious boy and girl from a life of idleness. This is a splendid thing the Holt-Granite Mills Co. has done.

Relieve Your Rheumatism For 25c. NR does it by its digestion, assimilation and elimination—the logical way. NR Today—Relief or No Pay. There are three vital processes of human existence—the digestion of food, the extraction of nourishment from it and the elimination of the waste. Let anything interfere with these processes—let them be interrupted or improperly carried on, and sickness follows. Poor digestion and assimilation means failure to derive full nourishment from food and leads to the development of many serious ills. Rheumatism—due to some interference with the process of elimination, causes kidney and bowel action, impairs the blood and cleanses the whole system. You'll feel like a new person when you've taken NR Tablets a week. You've tried the expensive medicines and doctors, now make the real test. You'll get results this time.
