**SCHOOLS AND SEWERAGE.**

On next Tuesday Graham will vote on two very important propositions:  
 One authorizing the issuance of \$50,000 in bonds for remodeling and enlarging the Graded School building and adding other departments, and for providing better school facilities for the colored people. The other for \$100,000 in bonds to provide an adequate sewerage system for the town.

These are two of the necessities for modern communities. No town can hope to keep pace with the demands of the day without good schools and a sanitary sewerage system.

Of these for a town of the size of Graham it would be difficult to decide which is the more important—unless both are.

The children must be educated to equip and prepare them for the battle of life; to give them an opportunity to do the best of which they are capable. Hence the town as a community must provide ample facilities for the education of all of its children. No one who would have an enlightened and intelligent citizenship can afford to do otherwise than vote for school bonds.

Health is of prime importance to enable a person or people to perform well all the services that may and might be required. Sewerage will help immensely to conserve and promote the general health—therefore vote for the sewerage bonds.

Attention is called to the report of the engineers on the first page of this paper.

The views of President Wilson and Col. William Jennings Bryan upon the Peace Treaty and League of Nations at the Jackson Day dinner were very much at variance. Some suggested that Col. Bryan was bidding for another nomination for President. But he has since said in understandable terms that he is no more in the running.

North Carolina Republicans are boosting Judge Jeter C. Pritchard for President. The Republicans want to break up the solid South, but they won't experiment by naming a Southern Republican as their candidate for President.

The Democratic National Convention this year goes to San Francisco. The National Committee in session in Washington last Friday fixed the date and the place. June 28th is the date the convention will meet.

Tonight (Thursday) at 12 o'clock the United States becomes theoretically dry—a prohibition government.

**A Proclamation by the Governor.**

On January 15, 1920, according to the action of the citizens of this Nation, the fundamental policy of this Government regarding the liquor traffic will change, and, according to our Federal Constitution, it will be unlawful to manufacture, sell, transport, import, or export intoxicating liquors for beverage purposes in the United States. Under the provisions of the Law Enforcement Code passed by Congress October 28, 1919, the Internal Revenue Department is charged with the enforcement of this law, and Mr. Roper, the head of this Department, is appealing to citizens and State officers to give the Federal officers full co-operation in this work.

Now, therefore, I, Thomas Walter Bickett, Governor of North Carolina, by virtue of the authority vested in me, do hereby proclaim that Sunday, January 18th, be set apart as "Law Enforcement Day," and I request that the ministers of the State on that day read this Proclamation to their congregations and call on them to co-operate with the officers for the enforcement of our National and State anti-liquor laws.

Done at our City of Raleigh, this 6th day of January, in the year of our Lord one thousand nine hundred and twenty, and in the one hundred and forty-fourth year of our American Independence.

T. W. BICKETT,  
 Governor.

**Prospect for \$300,000 for New Buildings at Elon—Other Items of Interest.**

Cor. of The Gleaner.  
 Elon College, Jan. 14.—The Elon delegation to the Des Moines Convention gave a very vivid and interesting account of the convention at a special mass-meeting of the students this afternoon. Dr. N. G. Newmann, college pastor, who also attended the convention, spoke of his experience, and presented as the first speaker Miss Janie Angel. Miss Angel told particularly of the trip side of the convention and of its largeness. She was followed by Mr. J. W. Fix, who, during the convention, became a volunteer for the Y. M. C. A. work in foreign fields. He spoke of his experiences in the convention and of its high spiritual tone. The third speaker was Miss Juana Pinnix who spoke of the Des Moines people as hosts and of the aftermath of the great convention.

Announcement was made today of the fact that Elon College is to participate to the extent of at least \$300,000 for new buildings in the Men and Millions Forward Movement of the Christian church. The field secretary of this movement is Rev. J. O. Atkinson, D. D., of this place, and there are associated with him three other secretaries. The plan is to make an every-member-census and raise a minimum of \$80 per member over a period of five years for general benevolences of the church. This is said to be the largest per capita financial campaign ever undertaken by any protestant church. There is great rejoicing here that the college-ists to enter so liberally in this campaign and especially so since it has just recently concluded a campaign of its own which netted it in the neighborhood of \$100,000 in cash and subscriptions for the permanent endowment funds.

**ALEOPARD CANNOT CHANGE ITS SPOTS**

Mr. Dodson, the "Liver Tone" Man, Tells the Treasurer of Calomet.

Calomet loses you a day! You know what calomet is. It's mercury; quicksilver. Calomet is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomet attacks the bones and should never be put into your system.  
 When you feel bilious, sluggish, constipated and all forced out and believe you need a dose of dangerous calomet, just remember that your druggist sells for a few cents a large bottle of Dodson's Liver Tonic, which is entirely vegetable and pleasant to take and is a perfect substitute for calomet. It is guaranteed to start your liver without stirring you up inside and out.  
 Don't take calomet! It cannot be trusted any more than a leopard's wild out. Take Dodson's Liver Tonic which straightens you right up and makes you feel fine. Give it to the children because it is perfectly harmless and doesn't gripe.

**Pale, Anemic Girls Need a Blood Tonic**

Pepto-Mangan Enriches and Builds Up the Blood.  
 Pallor, Headaches and Shortness of Breath Disappear.

Pepto-Mangan Sold in Liquid and Tablet Form.

Why should any girl or young woman continue to have a pale, sallow complexion and a listless, run-down system devoid of energy and vitality?  
 Such young folks are continually unhappy and dejected simply because they accept such a condition as their misfortune, and envy their friends who are in the bloom of health and enjoying all the good things of life.

If such young women would realize that their anemic condition is probably due to thin, impoverished blood, which could easily be enriched by Gude's Pepto-Mangan, how much happier and attractive they would be.

Gude's Pepto-Mangan is a safe, beneficial and pleasant tonic for anyone suffering from any ailment caused by poor blood. If taken regularly for a few weeks it will enrich the blood with thousands of the healthy red-blood cells that are needed to carry nourishment to every part of the body.

Pepto-Mangan is sold in both liquid and tablet form. Both contain the same medicinal ingredients.

Buy Pepto-Mangan at your druggist's. Be sure the name "Gude's" is on the package. Without "Gude's" it is not Pepto-Mangan.

This is a democratic country, and even dignified courts hum the once popular air "keep the home fires burning."

A dollar doesn't go as far as it once did, but it finds its way back to the same old crowd of big business men.

Don't worry. Pretty soon the cost of living will be so high that it will be quite out of sight and then we won't be reminded of it any more.

**This Is Better Than Laxatives**

One NR Tablet Each Night For A Week Will Correct Your Constipation and Make Constant Dosing Unnecessary. Try It.

Poor digestion and assimilation mean a poorly nourished body and low vitality. Poor elimination means clogged bowels, fermentation, putrefaction and the formation of poisonous gases which are absorbed by the blood and carried through the body.  
 The result is weakness, headaches, dizziness, coated tongue, inactive liver, bilious attacks, loss of energy, nervousness, poor appetite, impoverished blood, sallow complexion, pimples, skin diseases, and often times serious illness.  
 Ordinary laxatives, purges and cathartics—salo, oil, calomel and the like—only relieve for a few hours, but real lasting benefit can only come through the use of medicine that tones and strengthens the digestive as well as the eliminative organs.  
 Nature's Remedy (NR Tablets) and take one tablet each night for a week. Relief will follow the very first dose, but a few days will elapse before you feel and realize the full benefit. When you get straightened out and feel just right again, you need not take medicine every day—an occasional NR Tablet will then keep your system in good condition and you will always feel your best. Remember, keeping well is easier and cheaper than getting well.  
 Nature's Remedy (NR Tablets) are sold, guaranteed and recommended by your druggist.

**NOTICE**

Of Special Election and of New Registration of Voters Therefor Concerning the Issue of Bonds for Road Improvements by Graham Township.

All persons are hereby notified that, pursuant to an order of the Board of Commissioners of Alamance county, made at a regular meeting held on the first Monday of January, 1920, there will be held in Graham township, North Carolina, on Tuesday, the 2nd day of March, 1920, a special election to decide whether there shall be issued by said township \$50,000.00 of coupon bonds which shall run for the period of fifty years, and which shall bear interest at a rate not in excess of 6 per cent per annum, payable semi-annually, and the proceeds of the sale of which shall be used for the construction of a road leading north from the town of Graham in the direction of the old Sellars Mill site and crossing Haw river to said township line, and for the purpose of building and constructing a bridge to cross said Haw river between the town of Graham and the said township line at a point to be designated by the Commissioners appointed to expend the proceeds of the sale of said bonds.

For the purpose of said election a new registration of voters is ordered. The registration books to be used at said election will be open for the registration of voters for twenty (20) days preceding said election. For the purposes of said election A. R. Henderson is appointed Registrar, and J. S. Cook and C. P. Harden are appointed judges.

Said election will be held, and in all respects as provided in Chap. 122 of the Public Laws of 1913, and the acts amendatory thereto. Said election will be held at the regular polling place for general elections in said Graham township.

By order of the Board of Commissioners of Alamance county, at a regular meeting held Monday, January 5, 1920.  
 B. M. ROGERS,  
 Clerk of the Board.

**Women who use New Form of Liquid Iron to build up and enrich the blood possess real secret of Youth**

The real difference between an old woman of thirty and a young woman of fifty is one of health and bodily vigor. The secret of Youth is nothing more mysterious than this. The blood is perhaps the most important factor in maintaining health in women. You need no other evidence than to look around you among the women of your acquaintance. The sick and ailing and pale are anemic, listless and colorless—the lack of rich red blood is plainly apparent in their appearance.  
 The woman whose blood is healthy and full of vitality always has red cheeks, a good complexion and a body that is supple, active and tingling with energy.

The most important thing the blood needs to enrich it and enable it to carry life and vigor to all parts of the body is Iron.  
 And the most successful and reliable method of putting this great essential into the blood is through the use of a natural form of soluble iron, known as Acid Iron Mineral. Thousands of women have found health in this way, and have been able to retain the attractiveness of youth in spite of the advancing years.  
 Acid Iron Mineral contains no alcohol or injurious drugs—it will not blacken the teeth, and druggists will refund the purchase price if you are not satisfied with the improvement it brings.
