**In Honor of Miss Long.**

The following ante-nuptial events have been given in honor of Miss Minnie Long, who is to be married at 4 o'clock this afternoon:

Last Friday afternoon from 4 to 6 o'clock Mesdames Armstrong Holt and Robert Hawn entertained at a linen shower in honor of the bride-to-be. After a delightful salad course a messenger came to the door with a package which contained a large number of exquisite handkerchiefs and other articles.

At 3 o'clock Saturday afternoon Mrs. R. N. Cook entertained the Bridge Club at Mrs. E. P. McClure's in honor of Miss Minnie Long. After several interesting games, the guests were invited to the dining room which had been tastefully decorated in pink and white. In the center of the table there was a miniature bride. On entering the room Miss Josephine Thomas for the hostess presented a set of gold pins to the guest of honor who was escorted to a chair specially prepared and beautifully decorated for her.

Yesterday afternoon from 4 to 6 o'clock Mrs. J. N. Taylor and Miss Annie L. Folger entertained at the former's home, giving the bride-elect a miscellaneous shower. Little Miss Winston Wicker, daintily attired as a bride, entered to the strains of Mendelssohn's Wedding March and presented Miss Long with a basket filled with articles of beautiful handwork.

Last night there was a rehearsal at the Presbyterian church and afterward a reception was given at the home of Miss Long's parents, Dr. and Mrs. Will S. Long, which was attended by the members of the bridal party, intimate friends and relatives.

**Mid-Winter Press Association.**

A Mid-Winter meeting of the North Carolina Press Association was held at the O. Henry Hotel in Greensboro last Thursday and Friday. More than 100 members of the craft were present. It was a business meeting, and little else engaged the attention of the members than those things pertaining to the newspaper business. The cost of print paper was taken up and the consensus of opinion was that about the only way to meet that and other high costs incident to the publication of a newspaper would be to increase subscription and advertising rates.

It was the pleasure of THE GLEANER to spend Thursday evening with the brethren, renewing old acquaintances and making new ones. Thursday evening the social feature of the meeting came off. It was a banquet at the O. Henry, where the members were entertained, given complimentary to the Association by Greensboro's two excellent daily papers, The News and the Record. It was a fine spirit of hospitality and good fellowship which prompted these papers to assume the expense of such an elaborate spread. During the evening excellent and enjoyable speeches were made by the speakers named below. It would be a pleasure to give a synopsis of the speeches, but we must forbear.

Graham People Are Pleased to Learn How It Has Been Done.

It's pretty hard to attend to duties with a constantly aching back; With annoying urinary disorders. Doan's Kidney Pills make work easier for many a sufferer.

The pains in my back were so severe that I had to stop work. I heard a lot about Doan's Kidney Pills, so I got a box and took them according to directions. They relieved the misery and it pleased me to give this recommendation."

Price 60c, at all dealers. Don't simply ask for a kidney remedy, get Doan's Kidney Pills—the same that Mr. Jeffreys had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

**Endeavors Union Meeting Held in Burlington Monday Night—Officers Installed—Graham Christian Church Society Awarded Banner.**

The regular mass-meeting of the Burlington-Graham Christian Endeavor Union was held Monday night at the Reformed church in Burlington at 7:30 o'clock. This was the first meeting of this organization this year and plans were laid for greater activities during the year.

The theme for the meeting was "What Christ Would Have Us Do This Year for Our Church, Our Community and Our Union," which topics were discussed very interestingly by Rev. J. W. Harrell, Mr. F. L. Gibbs and others. After this a Purpose Meeting was held and each one present made some definite purpose as to what they purpose to do along the line of Christian service for the year 1920.

The newly elected officers were then installed by Rev. J. E. Fritchett, Rev. J. W. Harrell and Rev. F. O. Lester. The officers for the year being: J. O. Cobb, President; Miss Nonie Moore, Secretary; Mr. Herbert Coble, Vice-President; Miss Cecilia Bacon, Asst. Secretary; Mr. H. J. B. Wagner, Treasurer; Mr. F. L. Gibbs, Chairman Lookout Committee; Mr. Ray Harden, Asst. Chairman Lookout Committee, and Miss Louise Moore, Supt. Junior C. E. Union.

The Banner was awarded the Society of the Christian Church of Graham, N. C., for the best work done during the last two months.

The Christian Endeavor Union is now composed of thirteen societies, located in the towns of Burlington and Graham, containing a membership of three hundred or more young people, and indications are that this year will see the greatest growth in the history of the organization.

**Unusual Value--In Tires for Small Cars**

Not only is characteristic Goodyear merit conspicuous in Goodyear Tires for small cars but ordinarily the first cost is found to be not greater than that of other tires; often it is actually less.

The combination of unusual value in first cost and very low final cost, of course, is a result of Goodyear experience, expertness and care employed as insistently in the making of 30x3-, 30x3½- and 31x4-inch tires as it is in the construction of the famous Goodyear Cord Tires used on the highest-priced automobiles.

For this reason more cars using these small sizes were factory-equipped last year with Goodyear Tires than with any other kind.

Get this unusual tire value to enjoy on your Ford, Chevrolet, Dort, Maxwell, or other small car, at the nearest Goodyear Service Station. Get these tires and Goodyear Heavy Tourist Tubes at this station.

30x 3½ Goodyear Double-Cure Fabric, All-Weather Tread \$20.00  
30x 3½ Goodyear Single-Cure Fabric, Anti-Skid Tread \$17.65

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size in water-proofing \$3.90
