Democratic Mass Convention.

All Democrats of Alamance county are notified that there will be a Mass Convention held in the court house on Saturday, April 3rd, at 2 o'clock p. m., to select delegates to the State, Congressional, Judicial and Senatorial conventions, and to elect a county chairman.

All voters who expect to affiliate with the Democratic party are invited to attend.

W. S. COULTER, Acting Chairman.

THE GLEANER'S "Southwest Alamance" correspondent has something to say about woman suffrage this week. She is willing to leave the voting and office-holding to the men and thinks the women will have enough to do to attend to the home. There are not a few good women besides her who would leave the functions of government entirely with the men; and on the other hand there are many men who honestly believe in woman suffrage, feeling that they should have a voice in choosing the makers of the laws under which they must live.

Herbert Hoover has at last, perhaps, decided where his political heart is. He has been playing "hide and seek" with both Republicans and Democrats. The latest from him is that he is a Republican of a modified kind. If he runs for president he will do it outside the ranks of both old parties. It took him too long to decide on his political beliefs to suit the rank and file of either of the old parties.

Another Richard is in the field for U. S. Senator. Hon. A. L. Brooks has thrown his hat in the ring to succeed Senator Overman. The latter has not yet made any formal announcement. With both these able gentlemen running a battle royal is looked for.

The Senate failed on the Peace Treaty. Now a proposition is up for the House, in which a resolution has already been introduced, and the Senate to pass a joint resolution declaring the war at an end with Germany. It is destined to meet with some rough sledding.

The Democratic convention will meet Saturday at 2 p. m. The first announcement was for 11 a. m.

Hon. A. L. Brooks Candidate for U. S. Senate.

To North Carolinians—Both Men and Women: "I desire to announce my candidacy for a seat in the United States Senate, beginning March 4, 1921. I shall enter the Democratic primary to be held June 5. North Carolina under the constitution is entitled to two United States Senators. No Democrat has so far announced his candidacy for this office. I am therefore not entering the field against anyone. I am entering it for everyone, both men and women.

"My decision to become a candidate for the Senate is born of the conviction that I am in entire sympathy with the currents of thought that are shaping the lives of our people. A vast and complex task confronts the Senate of the United States, and the intelligence and efficiency with which it is done will largely determine the destiny and happiness, not alone of North Carolina and the United States, but of the whole world. No man has any personal claim on the people in such a crisis. Vision, fitness and capacity should be the controlling factors in selecting a Senator for this high service.

"My candidacy is in no wise dependent upon the ratification of the federal amendment, granting equal suffrage to women. I feel that the women of the State will be interested, however, in the election of a man who has from the beginning been in sympathy with their aspirations. I shall not change my position upon any public question in order to induce anyone to vote for me. Death-bed repentances are thought to be inadvisable for the next world, but they have never been regarded as shining examples for this one.

"I invite the forward-looking men and women of North Carolina to support me for this position. I shall from now until the day of the primary lay before the people of the State the reasons for the faith that is in me, so that you may judge of my worthiness to represent and ability to serve you.

Great Britain is trying to establish three great air routes in India, Africa and South America; and so far we don't seem to be doing anything to establish one in the United States.

Success With Sweet Potatoes.

Agricultural Extension Service, Raleigh.

II. How to Make the Bed.

In the open ground, select a location that is well-drained and well-protected; a southern exposure is to be preferred. Make an excavation 6 inches deep, 4 to 5 feet wide and as long as needed. A comparatively narrow width of bed is desirable, because of the convenience of being able to reach the middle of the bed from the sides without strain. Put about 4 inches of sand or loose loam in the excavation and level; place the potatoes on this bed as closely together as practicable without touching. Cover with about one inch of sand or loose loam and water thoroughly by sprinkling.

When the young plants break through the surface, add another inch of sand to develop a good root system. The sand or soil used should be secured from a location where sweet potatoes have never been grown in the past. Clean straw, hay or leaves may be thrown over the bed as a protecting mulch in the early part of the season.

In the cold frame: The cold frame is located and prepared in the same manner as the bed in the open, with the exception that a frame of boards, 12 inches high on the back (north or west) side and 6 inches high on the front (south or east) side, is fitted in the excavation. The frame may be set on the surface of the ground and have earth banked around it. The frame is covered with sash or canvas.

Amount of Seed to Bed.

To set 1 acre, with 1 pulling, bed 6-8 bushels.

To set 1 acre, with 2-3 pullings, bed 3-4 bushels, or 1 bushel seed for 1,000 plants at 1 pulling.

If main crop is to be planted with vine cuttings, bed sufficient seed to produce plants for one-sixth to one-eighth the area.

Catarhal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running ear or discharge, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system. We will give the Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulate free. All Druggists, etc. F. J. CHENEY & CO., Toledo, O.

There seems a general suspicion that the Turks have in some way bucconed the allies, but it must be remembered that "Con" is the beginning of the Turk's capital.

Board of Health Revises Former Resolutions Prohibiting Carnivals, Circuses and Such Like.

Be it resolved by the Board of Health of Alamance county, in special meeting assembled, that the resolution, rules, and regulations passed by said Board on March 20, 1920, be amended to read as follows:

It be resolved that, whereas, Alamance county is just recovering from a serious epidemic; and Whereas, in other parts of the country, both within and without the State of North Carolina, epidemics of contagious and infectious diseases are very prevalent, and are likely to be spread and contracted by personal contact in dense crowds of people; and Whereas, this Board is of the opinion that traveling shows, such as circuses and carnivals, are the means of transmitting and spreading such contagious and infectious diseases, and that their coming into Alamance county from other portions of the country, with their attendant crowds, constitutes a menace to the health of the people of Alamance county, in that they tend to spread contagious and infectious diseases; now, therefore, be it

Resolved, That until further action by this Board, all such traveling shows, usually denominated circuses and carnivals, be prohibited from exhibiting in Alamance county.

That any person, or member of any firm, or officers, managers, or representatives of any corporation, violating these resolutions, rules, and regulations, shall pay a penalty of \$1,000.00 for each and every violation.

That every person employed by, or associated with such person, firm, or corporation, in giving such exhibitions in violation of these rules, shall pay a penalty of \$50.00 for each and every violation.

That each and every day such exhibitions shall be given, shall constitute a separate offense. That these penalties are fixed by authority of the law authorizing this Board to fix penalties for violation of its rules, and are in addition to the public law that constitute a misdemeanor.

Has Winter Worn You Down?

Sickness That Lingers, or Strain of Caring for Others, Makes Spring Days Dangerous

GET BACK YOUR STRENGTH

Red Blood Means Old-Time Vigor, and Pepto-Mangan Builds Rich, Red Blood

Perhaps you've been ill this winter—or others in the family have, and you've worn yourself out with extra burdens. And now your strength is slow to return.

Week after week you've felt too tired for anything, and have looked it, too—color bad, eyes dull, and no enthusiasm.

When you don't feel well you are not well. Probably what you need right now is the good blood tonic, Pepto-Mangan. Physicians everywhere recommend Pepto-Mangan for run-down, anemic people. Ask your doctor about it. Pepto-Mangan supplies the things that blood-starved people lack. It puts iron and vigor in the blood. It paints the cheeks in Nature's way, and restores the hearty appetite.

The blood is naturally sluggish in the Spring and the whole family would profit by taking Pepto-Mangan which tones up and builds up. It is pleasant-tasting and soon makes you feel better. Your own druggist has it ready for your call, and in both liquid and tablet form, just as you prefer.

But to be certain that you get the genuine Pepto-Mangan, ask for it by the full name "Gude's" Pepto-Mangan. Look for the name "Gude's" on the package. adv

Dopesters figure it may be Cincinnati vs. Cleveland in the world series and Ohio would have the whole stage to herself should it also be Harding vs. Cox in the same season.

CUT THIS OUT Special Notice: Dr. Frederick Jacobson says that phosphates are just as essential to any woman who tires easily, is nervous or irritable, worn out or looks haggard and pale, to make a strong, robust, vigorous, healthy body, as they are to make corn, wheat or any vegetable plant grow strong and healthy. The lack of phosphates is the cause of all endemic conditions and the administration of 5-grain Argo-Phosphate Tablets will increase the strength and endurance 500 per cent in a few weeks time in many instances. Dispensed by Hayes Drug Co.

Ice price higher because winter was so cold; last summer it was high because winter of 1918-19 was so mild.

THE SIGNS OF LACK OF IRON IN THE BLOOD

Nervousness—Lack of Appetite—Easily Tired—No Endurance—Falling Off in Bodily Vigor

These are a few of the symptoms that indicate your blood is weak and anemic and lacking in red corpuscles. Vigorous young men and women all have rich red blood, but age and worry and hardship take the power and strength out of this life fluid. You can supply what the blood lacks, you can enrich the blood, you can bring back the strength and vigor you once had. If you will take a teaspoonful of Acid Iron Mineral three times a day. You'll note the effect, first, in an increased appetite—food will begin to taste good. The next improvement will show in your sleep—you will awaken in the morning refreshed and feeling like a new person. Your friends will remark the improvement in your appearance and you yourself will feel as you know you ought to feel.

WHY IT SUCCEEDS

Because it is For One Thing Only And Graham People Appreciate This. Nothing can be good for everything. Doing one thing well brings success. Doan's Kidney Pills are for one thing only. For weak or disordered kidneys. Here is Graham evidence to prove their worth. Mrs. Matilda Martin, Guthrie St. Graham, says: "I use Doan's Kidney Pills whenever my back aches and my kidneys aren't working just right, or when I have headaches and my nerves are unstrung. I find I can depend on Doan's Kidney Pills for relief from this trouble and you can always find a box in my home." Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Martin had. Foster-McLure Co., Mfgs., Buffalo, N. Y.

HENRY D. YEN SYSTEM-CLEANER, - DYER, - HATTER, - LAUNDERER

THE BEN-VONDE SYSTEM. This Certifies that Henry D. Yen has completed The Ben-Vonde System of Dyeing and Cleaning and, upon examination, is pronounced worthy of graduation. We therefore awarded him this DIPLOMA.

OLD HATS MADE NEW LADIES AND GENTLEMEN: Now is the time to have your old Panama hat and straw hat cleaned and blocked, instead of buying a new one. We clean and block all kinds of hats.

FRENCH DRY CLEANING Eliminates the soil from the finest and most delicate garments without loss of color or shrinkage, and cleans your garments clean. We French dry clean in a superior manner. Prompt service.

DYEING. Perhaps you have some apparel, the color of which is not suitable for fall or winter wear, or you have tired of its present shade, or it is soiled or faded; if so, our dyeing will make it suitable and serviceable again for months, at a price that is nominal, with the present high cost of new garments. Our service offers unlimited money-saving opportunities, enabling one to dress neatly and tastily with economy.

SPECIAL Feather cleaning or dyeing, and also FURS and GLOVES cleaned. We handle everything that can be cleaned or dyed. Prices the lowest consistent with first-class work.

GRAHAM LAUNDRY, Graham, N. C.

Special attention to mail orders. Whatever may menace the heart of the world, it seems in no immediate danger of fatty degeneration. Sir Edward Carson's acceptance of the latest home rule bill will convince the Sinn Feiners that it hands them an orange, if not a lemon. The farmer who "lives at home and boards at the same place" can view the high cost of living with more equanimity than any other citizen. After reading the evidence in the Newberry case, it appears that this country could pay off all of its debts by auctioning off the senatorships. Before long we will be worrying as to the safety of the peach crop and then we'll know Spring is here and that Winter is trying to linger in her lap.
