 GRAHAM, N. C., May 6, 1920

Judge W. A. Hoke is a candidate for the nomination for a seat on the State Supreme Court bench to succeed himself. Justice Geo. H. Brown will not be a candidate again, and most of the candidates, if not all, for the Brown vacancy have announced that they are candidates to succeed Judge Brown and not Judge Hoke. At the June primary this should be remembered. Everybody is pretty well satisfied to let Judge Hoke alone.

Hon. A. L. Brooks is making a pretty vigorous campaign in the race to succeed Senator Overman. He is a most attractive and earnest speaker and has lots of friends. Senator Overman is in Washington, the Senate being in session, and is conducting his campaign by letter.

**Complaints to be Heard as to Valuation of Property—Must be in Writing and Filed by May 17th.**

The Board of Appraisal and Review of Alamance county, realizing the fact that it is impossible to get the property in every instance valued at its true value and equal, and desiring to equalize same, to the very best of its ability, has decided to allow any person, who thinks there is a gross error in the valuation of his property, to put his complaint in writing and mail same to Chas. C. Thompson, County Supervisor, to be in his hands not later than the 17th day of May, 1920, and his complaint will be given due consideration.

This is not intended to give every person who is opposed to the Re-valuation Act a chance to air his grievances, nor is it for the purpose of giving every person whose valuation may be, in his opinion, wrong to a very small amount, a chance to be heard, but this is for the purpose of giving those persons who have a real complaint to make, an opportunity to be heard, and to give the Board an opportunity to correct same.

C. C. THOMPSON,  
 CHAS. F. CATES,  
 WM. I. WARD,  
 Board of Appraisal and Review.

**STRAIN TOO GREAT**

Hundreds of Graham Readers Find Daily Toll a Burden.  
 The hustle and worry of business men.  
 The hard work and stooping of workmen.  
 The woman's household cares.  
 Often weaken the kidneys.  
 Backache, headache, dizziness.  
 Kidney troubles, urinary troubles—frequently follow.  
 A Graham citizen tells you what to do.  
 Let T. E. Redmon, shoemaker tell it: "My work obliges me to do a lot of stooping and it weakened my back so I could hardly straighten up. The pain shot through the small of my back and I was in misery all the time. I heard a whole lot about Doan's Kidney Pills so I started taking them. After I used a few doses they relieved all the misery. Whenever I haven't felt just right since, Doan's haven't stood me up in good shape.  
 Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Redmon had. Foster-McMillan Co., Mfrs., Buffalo, N. Y.

There's a difference between a bucket of water from a pump and a bucket full from a faucet—a difference of many steps that a home water supply system would save.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, it has become constitutional. There is no cure for it but a constitutional one. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circular and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists. Take Hall's Family Pills for constipation.

Spray, spray, spray, and you won't need to pray each day for the bugs to leave your fruit and vegetables alone.

**HOW TO REACH RHEUMATISM THROUGH THE BLOOD**  
 Powerful Iron in liquid form makes rich, red blood and drives uric acid out of the system forever.

It is now generally known that Rheumatism is caused by uric acid which is formed in the blood and deposited through thousands of little capillaries and nerves in different parts of the body.

If you have healthy, rich, red, strong blood, you will never have Rheumatism. Healthy blood eliminates uric acid, and does not allow it to stay in the body to cripple and pain.

The successful and reliable method of getting this great essential into the blood is through the use of a natural form of soluble iron known as Acid Iron Mineral. The nerves are immediately strengthened, bodily vigor is restored and the general improvement of all ailing conditions prove that the blood is getting the iron it must have to maintain perfect health. With the blood thus made healthy, uric acid is eliminated and driven out of the system, even in cases where the trouble is of long standing, and has failed to respond to other methods of treatment.

This new way of driving Rheumatism out of the system through the blood made pure and strong with this natural soluble iron—Acid Iron Mineral—is being adopted by thousands as fast as the story can be told. There is no need to suffer longer—you can be on the road to recovery today. And in driving Rheumatism from your system, this remarkable liquid Iron blood maker will give you stronger nerves, more power in every way.

If you suffer from Rheumatism in any form, no matter how long standing, you owe it to yourself to start using Acid Iron Mineral at once. Do not miss this opportunity. Call at your druggist today. Why suffer any longer?
