National Rank of Alamance to Increase Capital Stock.

Tuesday night, it was decided to make application to the Comptroller of Currency for permission to increase the capital stock of the Bank \$75,000, which will give the Bank a capital of \$125,000. As soon as the Comptroller gives consent to the increase, the stockholders will hold a meeting to pass on the increase. With the increased capital and the 20 percent surplus, the Bank will have a working capital of \$150,000, an amount sufficient to finance some of the county's largest business enter-

Killed by His Tractor.

Last Friday afternoon about 6 o'clock Mr. Lonnie L. Patton, who had bought 'and lived at the Griffis place, about four miles east of Haw River, was run over by his tractor and received injuries which resulted in his death. He was harrowing and his tractor choked. He got off and cranked up. It was reversed and still in gear and begun to back. He was trying to get to the lever to stop its backing when caught by the cleate on the master wheel and was run over and dreadfully mangled. He was carried to a hospital in Greensboro and died about 6 o'clock Sunday evening. Williams, Green & McClure brought the body here nday night and prepared it for rial. The burial was at Cross Roads Tuesday. Mr. Patton was 39 years, 8 months and 25 days old and was one of the county's best citizens. He is survived by his widow and six

NATURE PROVIDES THE INGREDIENTS

Phosphate, the New Herba Remedy, Now Endorsed by Local People.

If the digestive organs are not properly performing the work which nature has assigned to them, then nutrition, which is absolutely essential to the recovery of other diseased parts, will be lacking and there can be no permanent relief. When bodily nutrition is normal, the stomach digests the food, the blood absorbs and carries the nourishment to the different parts of the body, causing the various organs to properly perform their functions.

organs to properly perform their functions.

Nature has provided a remedy in the ingredients of Argo-Phosphate, the new herbal stomach remedy, which is now being introduced here. It is purely vegetable and pleasant to take and is 'all file of the constructive qualities are so pronounced that beneficial results are noticed from the first day. That this is true, it is only necessary to listen to the statements made daily by local people who have given Argo-Phosphate a fair trial and have been beneficial thereby.

It is dispensed by Hayes Drug Co.

SOUTHERN CHRISTIAN CON-

Salary of Editor of Sun Fixed—

or of The Gleaner.

Raleigh, April 29.—The morn ng session of the Southern Christian Convention heard an address by Mr. John King of Suffolk, Va., on "Tithing." During his discourse he brought out the fact that tithing in time and talent, as well as money, was needed in the advancement

of the Kingdom. Three items from the Wonan's Board was carred over to

Mrs. C. H. Rowland then rendered a discourse on "Woman's Interest in the Kingdom," in which she very vividly brought out the large place the women of two weeks to relatives in Lillington. They were accompanied home by Miss Bessie McLean of that place.

Mrs. C. H. Rowland then rendered a discourse on "Woman's Interest in the Kingdom," in which she very vividly brought out the large place the women of the Church occupied with reference to home and foreign missions. Service and sacrifice was her the character of the character of the packs. e. If it is not Pepto-Mangan.

Mrs. C. H. Rowland then rendered a discourse on "Woman's Interest in the Kingdom," in which she very vividly brought out the large place the women of the Church occupied with reference to home and foreign missions. Service and sacrifice

was ner theme, both of which she said was characteristic of women and appealed to their ministry for the twenty years nature. Concluding she said preceding thereto, or at the diswomen and appealed to their nature. Concluding she said the woman's duty was not to cretion of the board, shall resupplant the work of men but to ceive annuities from this fund

supplement it.
The concluding speaker of the morning was Miss Bessie I. Holt a heart-to-heart talk on the young people's work. She declared that the young people were the hope of the future with reference to the continued progress of the church and it was a super-annuation in the reference to the continued progress of the church and it was a super-annuation in the region of the church and it was a super-annuation in the region of the church and it was a super-annuation in the region of the church and it was a super-annuation in the region of the church and it was a super-annuation in the region of the church and it was a super-annuation in the region of the church and it was a super-annuation in the region of the church and it was a super-annuation in the region of the church and it was a super-annuation in the region of the church and the region of the region of the church and the region of the region o of Burlington, N. the congregation joining in on

luced the Governor. Governor Bickett said that he nad never learned to say "no" to the call of the people of North Carolina for service, and that particularly was this true with reference to the churches. And when the invitation came to speak at the Convention he was

alad to render the service. "When the war began," declared the Governor, "the duties CHANGE ITS SPOTS of the office of Governor of North Carolina were multiplied many Certainly ten times a much work is devolved upon the Governor in times of war as in times of peace. The Governor is held responsible by the Washington authorities for keeping

his State in line for the prosecu tion of the war. It would have been impossible for me to have discharged the numerous and heavy duties and obligations that devolved upon me if it had not been for the enthusiastic and consecrated support that l received from every nook and corner of the State of the churches of North Carolina. The churches believed that we were fighting a righteous war, and we would have given up in de-spair in North Carolina and in the nation except for the conse-

el of North Carolina.

shall go down to my grave with a heart full of gratitude for those great spiritual dynamos.

"I believe in the Church," declared Governor Bickett, "and I believe in its missions. I believe in education. I believe in education. lieve in education. I believe that ignorance is the mother of poverty, and the handmaid of crime; that knowledge is the gateway to truth, and that truth said that he was educated in a Christian college, and was glad that he had been under such an influence. "Christianity," he said, "without education will tive, the mind, the message,

at hand." The Governor went on to say to the convention regarding the work of the women during the last term. By a comparison of the results show almost the results of the woman's work of the woman's work of the sterm. By a comparison of the results of the woman's work of the sterm. By a comparison of the results of the woman's work of the wo Mrs. Ja. K. Mebane, now living for the last several years, and in Washington, D. C., arrived here Monday on a visit to the home of her goals, Mrs. Harper showed the parents, Mr. and Mrs. L. Banks Holt.

The results of the world and several years, and cheeks, a sprightly step, and the whole system made more vigor-hood had been dissipated when the Hindenburg line was broken. Goodyear Leadershipand Tires for the Smaller Cars

Enormous resources and scrupulous care have produced in Goodyear Tires for the smaller cars a high relative value not exceeded even in the famous Goodyear Cords on the world's highest-priced automobiles.

In addition to its larger sizes, Goodyear manufactures an average of 20,000 small car tires a day in the world's largest tire factory devoted solely to the 30x3-, 30x31/2-, and 31 x 4-inch sizes.

Last year more cars using these sizes were factory-equipped with Goodyear Tires than with any other kind.

Their extreme worth is available for your Ford, Chevrolet, Dort, Maxwell, or other car using one of these sizes, at the nearest Goodyear Service Station. Go there for these tires and Goodyear Heavy Tourist Tubes.
