Among the more than half a dozen candidates to succeed Justice Brown on the Supreme Court bench is one, Judge B. F. Long of Statesville, who will appeal especially to the people of Alamance, whose honor son he is.

A poll of the members of the North Carolina Legislature is reported to have been taken, and a majority declare in favor of a state-wide hard-surface road system.

Farm Lighting Studied—Other Items of Interest.

Cor. of The Gleaner.

Chapel Hill, N. C., May 4.—The fifty-odd farm-lighting sets now on the market in North Carolina and being sold in large quantities to North Carolina farmers are analyzed, classified, and described in an extension leaflet recently prepared by Prof. P. H. Daggett and W. C. Walker and issued by the county home comforts and conveniences division of the University bureau of extension.

As the second of a series of leaflets designed to furnish information on electric light and power, water supply, sanitation, and telephones for persons who live in country communities, this leaflet, says Prof. Daggett, "is intended as a simple and concise guide for those who are thinking of buying a farm-lighting set. The following study has been made of the plants that are most widely advertised, a number of which are conducting extensive advertising campaigns in this State, for the purpose of classifying each one according to some mechanical feature of operating principle."

Prof. Daggett and Mr. Walker have classified the sets on the basis of direct or belted types; air cooling or water cooling; four-cycle or two-cycle engine; automatic or full automatic stop; carburetors or mixing valves; gasoline or kerosene burning; poppet valve or sleeve valve; governor or no governor; battery or no battery; battery ignition or magneto; and battery rating.

Prof. Daggett announces that a series of tests will be made soon of representative plants and the results published.

The senior class of the University has decided to have an oil painting of the late president, Edward Kidder Graham, placed in the Graham Memorial Building, and has appropriated \$1,500 for the purpose.

Bryant C. Brown of Sneed's Ferry, speaking on "The Test of Democracy," won the junior oratorical contest at the University and received the Carr Medal, the gift of General Julian S. Carr.

Other speakers in the final contest were William H. Bobbitt of Charlotte, W. Roy Francis of Waynesville, and Daniel L. Grant of Sneed's Ferry.

The judges were Professors J. G. deR. Hamilton, Louis R. Wilson, and Norman Fortner.

New officers elected in the general assembly of the Philanthropic Literary Society are Thomas S. Kittrell of Henderson, speaker; Daniel L. Grant of Sneed's Ferry, speaker-pro-tem; W. A. Gardner of Wilson, sergeant-at-arms; A. M. Scarborough of Kinston, reading clerk; and A. L. Purrington of Scotland Neck, reporting clerk.

County Matters.

Several Road Projects Approved and Funds Appropriated.

NATIONAL BANK OF ALAMANCE HIGHEST BIDDER FOR \$200,000 ROAD BONDS.

The County Commissioners met Monday, May 3rd, all members being present and transacted the following business:

Lydia Way was admitted to the County Home and L. H. Johnson was exempted from the payment of poll tax.

D. M. Elder reported on road from Friendship toward Haywood Morris place. Board agreed to pay one-half cost, not over \$500 for county, toward the road.

In regard to the road from Mike Nease bridge to Mt. Hermon, it was recommended that the road be laid off by Geo. M. Isley's place.

It was agreed to pay State Board of Health 25 cts. for each person in Alamance completely vaccinated against typhoid fever.

The Powell Construction Co. was awarded contract for working over one mile of Ossipee road, beginning at fork about one mile west of Glen Raven.

The county is to pay one-fourth the actual cost plus 15 per cent, and the other three-fourths are to be paid by private parties.

County agreed to pay one-half of cost of work being done on road from Burlington to Carolina and Hopedale.

City of Burlington was granted permission to lay water pipe line across bridge at Hopedale.

The National Bank of Alamance reported that it had sold \$200,000 of county road bonds at par and accrued interest.

The sale was approved by the Board. Bids were submitted Monday and the National Bank of Alamance was the highest bidder.

The money arising from this sale is to be used on project No. 22 from Trolinwood to Guilford line.

The Board meets again on the 15th.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was almost incurable. For a great many years doctors pronounced it a local disease and prescribed remedies, and by constantly failing to cure with local treatment, produced incurable disease. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment.

Where Elon Professors Will Spend Summer.

Cor. of The Gleaner.

Elon College, May 8.—Statement made on the Hill today that Prof. N. E. Brannock of the Department of Chemistry has accepted a teaching position in Chemistry in the Summer School of the Columbia University for the summer session of 1920.

Dr. T. C. Amick is to return to the State College in Raleigh as teacher of Mathematics in the Summer School, a position which he has held for the previous three summers.

Dr. W. C. Wicker, of the Department of Education, is returning to Columbia this summer to receive his professional diploma in Education. He will also receive a degree in Education from Columbia at the same time.

Three members of the faculty, it is rumored on the Hill, are to spend the summer in Europe in research, travel, and study.

Prof. J. M. Barra, of the Department of Romance Languages, is expecting to study in the Sorbonne this summer.

Dr. W. P. Lawrence, of the English Department, is planning to study in Oxford, and Miss Helen R. Stewart, of the History Department, on the continent.

Popular Music Will Open Chautauqua

Versatile Company of Young Ladies in Lybarger Quintet

The Chautauqua to be held here is assured of an opening day that will equal the best of the week, for it is announced that the Lybarger Quintet will be the musical organization.

This company of young ladies combines personal charm and artistic versatility in just the right combination to please in the highest degree of the music-loving public.

Miss Alice Lybarger, the leader of this group, has a national reputation for her ability to select and present musical and entertainment features that please the people.

Miss Mary McShane has an unusual alto voice which will be heard to advantage in both solo and ensemble numbers.

Miss Doris Carpenter's readings will delight children and grown-ups. They will be effectively introduced between the musical numbers.

Miss Mae Torrance has a soprano voice of sweetness and power.

As a quartet these voices blend most harmoniously so that in their ensemble numbers they render the latest popular songs in a manner equal to the best in metropolitan circles.

Another feature of their program which deserves particular mention is the whistling of Miss Thelma Davidson. Miss Davidson is fresh from recent platform successes in the Middle West, her home, and she will delight Chautauquans here with her flute-like notes.

ANNOUNCEMENT.

To the Democrats of Alamance County:

I announce that I am and will be a candidate for the nomination for Senator from this Senatorial District. "My many friends" have not been to me and urged me to become a candidate. I have the desire to succeed myself.

I am deeply grateful for the support I have received in the past. I have represented Alamance county in the Legislature of 1911 and 1913 and in the Senate in 1917. I shall do my best in the future.

Truly yours, J. ELMER LONG. March 22, 1920.

FOR THE LEGISLATURE.

To the Voters of Alamance County:

I hereby announce myself a candidate for Representative in the General Assembly, subject to the action of the Democratic party in Alamance county.

Very respectfully, W. E. HAY. 29aplt

WHY SUFFER SO?

Why suffer from a bad back, from sharp, shooting twinges, headaches, dizziness and distressing urinary ills? Graham people recommend Doan's Kidney Pills.

Could you ask for stronger proof of merit? Mrs. A. R. Plinton, S. Main St., Graham, gave the following endorsement in January, 1915:

"My back felt so lame I could hardly get around and when I was doing my housework I had such pains through my kidneys I could not move. When I was stooping the pains were so severe I often had to scream. It was all I could do to turn over in bed and mornings I would have to have some one to help me get up. Doan's Kidney Pills were recommended so highly that I got a box and soon my back was fixed up all right and I felt better in every way."

On July 11, 1915, Mrs. Plinton added, "I still take Doan's Kidney Pills occasionally when my back or kidneys bother me and I always get good relief. Doan's have certainly done me a lot of good."

Large acre yields of cotton mean smaller cost per pound. Suppose 300 pounds are produced at a cost of \$60 an acre—the cotton costs 20 cents a pound. With acre cost only \$45 and yield 150 pounds, the cotton costs 30 cents a pound to produce.

An Open Secret

The secret of buoyant, vigorous health, is a well-nourished body. It is an open secret that Scott's Emulsion is of wonderful help to those who are run-down in vitality from any cause. Try it!

FAMILY ALL WELL?

When Your Friends Ask That, Can You Always Say "Yes?"

PEPTO-MANGAN BUILDS RED BLOOD

The Happy Family is the One Where Everybody Has Red-Blooded Health.

Children should not be pale and wan. Women should not be tired, weak and blue. Young girls should not be sorrow, listless and anemic. Men should not feel run-down and poorly.

Poor health and lack of vitality are often merely the result of impoverished blood.

Guide's Pepto-Mangan is for people whose bodies suffer from lack of proper blood nourishment. Pepto-Mangan enriches the blood and increases the number of healthy red blood cells, which are so necessary to carry the proper nourishment, vigor, and strength to every part of the body.

It contains the very properties that are so sorely needed to build up thin, watery blood. Physicians call it the Red Blood Builder.

For your convenience Pepto-Mangan is prepared in two forms, liquid and tablet. Both contain exactly the same medicinal value.

Insist on the genuine Pepto-Mangan. To be sure you are buying the genuine Pepto-Mangan, ask your druggist for "Guide's." And be sure the name "Guide's" is on the package.

Thousands of bucking bronchos are being slaughtered for meat. Try some. When you desire a second helping, just say: "Pass the buck."

It'll soon be in Museums Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system. Take "Dodson's Liver Tone" Instead! When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel, just remember that your druggist sells for a few cents a large bottle of Dodson's Liver Tone, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate. "Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tone straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't stir."

Valuable Lands for Sale. Pursuant to an order of Alamance Superior Court duly made in a proceeding to which all the heirs-at-law of T. O. Pomeroy were made parties, the undersigned will sell at the court house door in Graham at public outcry to the best bidder, at 12 o'clock, noon, on SATURDAY, JUNE 5, 1920, the following described real property, to-wit: Two tracts of land, both situate and being in Alamance county, and bounded and described as follows: Lot No. 1. Adjoining the lands of Corinna Smith, George Rippey, Mrs. Martha McAdams, Benjamin McAdams (deceased), A. O. Huffman, J. N. Williamson, Jr., and others, bounded as follows: Beginning at a rock, corner with said Martha McAdams in said Rippey's line; running thence S 49 deg E 21.14 chs to a corner with said McAdams, deceased; thence N 47 deg E 4.11 chs to black jack tree, corner with said McAdams, now occupied by Chas. Harder; thence S 44 deg E 12.08 chs to a rock, corner with said Harder; thence S 40 deg W 8.23 chs to a rock, corner with said Williamson in said Harder's line 83.5 lks N. Auction Sale AT DRAPER, N. C.

We have consigned to us for sale at Draper, N. C.,

Saturday, May 15

AT 2 O'CLOCK, P. M.

Some of the best property we have ever sold in this community, consisting of houses and lots within 100 yards of North Carolina's best mill. Grain and grass land, adjoining the farms of Hon. A. L. French and Col. B. K. Terry

Cut into Small Truck Farms FROM 1 to 20 ACRES

Included in this sale is a number of lots just across the Virginia line on the Cascade road, 50x150. This property is all level and all on good roads and right at Draper, one of the best produce markets in the world. Year in and year out this land will produce more grain or grass than the best Dan River low-grounds.

You can get as much as you want or as little as you want, and, if you buy, it will be at your own price.

Can You Afford to Miss This Opportunity?

We have sold land all over the Southern and Eastern States and there is more money in circulation in and around Spray and Draper than anywhere we have ever sold, and this is the only place we know, where there are big mills, that everybody has a chance to own his own home, be a citizen of the State and work where he pleases. The value of all land is controlled by the money in circulation near it and the kind of people who live on it. This being the case, all the land in this community is bound to increase in value, and a dollar invested now will give you big returns. A man in his own home is more independent and makes a better citizen. The more good citizens we have, the more the land will be worth.

Flying Exhibition

We have engaged the services of the Liberty Flyers to advertise this sale and give a public exhibition the day of the sale. These gentlemen will do some of the most daring feats ever executed by any flyers; among other things, Aviator Fillmore will walk the wings of a machine flying 100 miles an hour. Everyone should see this exhibition, showing the advancement in the flying machine, which will eventually take the place of the automobile, as the automobile has taken the place of the horse. Watch out for the flying machine man, if you find a circular at your door, he may have dropped it there, do not let him pass without seeing him.
