GRAHAM, N. C., June 24, 1920

BIG DAMAGE BY HAIL.

Kinston, Lenoir county, was near the center of a most destruc-tive hailstorm Wednesday afternoon. Wayne and Pitt, adjoining counties, were also hard hit. The damage is estimated to be around four million dollars by latest accounts. Three townships in Lenoir had their crops almost completely obliterated. Farms up to 750 acres had everything in the way of crops completely destroyed. Tobacco, cotton and corn fields were completely destroyed. On one farm alone the loss is estimated at \$100,000.

SECOND PRIMARY.

The next primary will be held on Saturday, July 3rd. The contest will be between Hons. Cameron Morrison and O. Max Gardner for Governor; Messrs. Baxter Durham and James P. Cook for State Anditor; and Judge B. F. Long and W. P. Stacy for Assoclate Justice of the Supreme Court.

The North Carolina delegation to the National Convention, it by Farrell-Hayes Drug Co., Graseems, are for McAdoo, notwith- ham, N. C. standing he has announced that he is not a candidate. It also ap pears that there are many delegates from other States that insist on being for McAdoo. If the people want him, and appearances indicate they do, it is not believed McAdoo will turn a deaf ear and flatly refuse.

Republican candidate for President Warren G. Harding so far has failed to arouse any noticeable enthusiasm, nor has his party papers had much of praise in his behalf. His nomination appears

Typhoid Fever and How to Prevent or Reduce its Appearance.

Typhoid fever is an acute com-municable disease due to the pres-ence, first in the intestinal canal and later in the blood of the sick and later in the blood of the sick person of a living moving germ, microscopic in size, called the baccillus typhosus. It is dis-tinctively a filth disease that in a great majority of instances gains entrance into the body through taking food or drink contaminated with some bodily discharge from a person who either has or has had it. Certain persons have the disease and recover from all symptoms of it but continue either when the history period was called. When the history period was called. regularly or intermitently to discharge the germs from their bodies. As with all the communicable diseases it is most often contracted from the least suspected person, place or thing, because the amount of human excrement necessary to convey it is so small is to be unrecognized by the supplies the suppl

nary senses.

The typhoil death rate is said to be the best index of the sanitary intelligence of a community.

As the health of the State at W. C. Thurston, Plain large is governed by the health of the individual members of its population, it is therefore evident that public health is largely a The defendant above in matter of personal responsibility.

As an individual who should be proud of his citizenship in this itate, what are you doing about the conditions which are respon-tible for the shameful typhoid ituation? You may ask what you side for the shameful typhoid situation? You may ask what you an do, in reply to which it may be said that you may do much by precept and example. First; as a t, lend your moral support activities of the State de t of health in its cam ign for sanitary closets and bhoid vaccination. Second: as example, have nothing les-an a modern sanitary privy on occupied property you may and take typhoid vaccine as rotection against the chance of ction from, some insanitary y belonging to someone else has less intelligence and de-ty than yourself.

The study of these sciences is simplified in the early stages, but there is little attempt to "sugar coat" the hard facts.

> A visitor to a second grade classroom recently found the pupils—none more than eight years old—glibly discussing rhombusses, rhombolds, trapezoids and

In the Superior Court. W. C. Thurston, Plaintiff,

The defendant above named will take notice that the plaintiff above named has caused summons to be issued against him, and ha filed a complaint against said de fendant, and in said complaint has asked the Court for a judgment in favor of plaintiff and against defendant, in the sum of \$5,442.52. That said claim is based upon the alleged failure of the defendant to ship and deliver to plaintiff certain cotton of the kind and quality alleged to have been purchased by the plaintiff from the defendant, and a cons-quent loss to the plaintiff of the

amount above sued for.
At the time of the issuing o said summons, the plaintiff sued out, and there was issued by the Court a warrant of attachment directed to the Sheriff of Guilford county, North Carolina, which warrant of attachment was duly levied by said Sheriff of Guilfor county upon 193 bales of cotton aeld by the Greensboro Ware-house & Storage Company of Guil-ford county, North Carolina, be-longing to defendant and stored in said Warehouse & Storage Com-

pany in the name of defendant. Said summous and warrant of attachment, by order of this Court continuing the original return day, have been made returnable Monday, July 19, 19 0, and the defendant is required to ap-pear and answer or demur to the complaint on said return day, or the relief demanded will be
