

THE "OLD RELIABLE" THEDFORD'S BLACK-DRAUGHT

White Haired Alabama Lady Says She Has Seen Medicines Come and Go But The "Old Reliable" Theford's Black-Draught Came and Stayed.

Dutton, Ala.—In recommending Theford's Black-Draught to her friends and neighbors here, Mrs. T. F. Parks, a well-known Jackson County lady, said: "I am getting up in years; my head is pretty white. I have seen medicines and remedies come and go but the old reliable came and stayed. I am talking of Black-Draught, a liver medicine we have used for years—one that can be depended upon and one that will do the work."

"Black-Draught will relieve indigestion and constipation if taken right, and I know for I tried it. It is the best thing I have ever found for the full, uncomfortable

feeling after meals. Sour stomach and sick headache can be relieved by taking Black-Draught. It aids digestion, also assists the liver in throwing off impurities. I am glad to recommend Black-Draught, and do, to my friends and neighbors."

Theford's Black-Draught is a standard household remedy with a record of over seventy years of successful use. Every one occasionally needs something to help cleanse the system of impurities. Try Black-Draught. Insist upon Theford's, the genuine.

At all druggists. G. 75

ANNOUNCEMENT.

To the Democrats of Alamance County:

I announce that I am and will be a candidate for the nomination for Senator from this Senatorial District. My many friends have not been to me and urged me to become a candidate. I have the desire to succeed myself.

I am deeply grateful for the support I have received in the past. I have represented Alamance county in the Legislature of 1911 and 1918 and in the Senate in 1917. I shall do my best in the future.

Truly yours,
J. ELMER LONG.
March 22, 1920.

The 3 1/2 cents a mile railroad rate will make short-distance honeymoons popular.

Now that Johnson has been lined up, the Republican candidate should undertake to make a separate peace with William Howard Taft and Elihu Root.

Jack Johnson, who evaded service in France, has one consolation—jail is a safer place than the front line trenches.

Coolidge went into retirement to "polish off his speech of acceptance." Governor Cox will polish off Senator Hardings' speech of acceptance August 7.

Eternity itself might elapse if the new republic of Poland had to wait for help from the Republicans.

Striking for the strike's sake is presently going to be less popular than it has been for some time.

A State-Wide Law Needed.

N. C. Landowners' Association.

North Carolina, especially the eastern section of our State, is laboring under some very serious handicaps. Hookworm, malaria, and the cattle tick are retarding the progress and development of this great State and these evils should be banished without quibbling and further delay. This great State should be made clean. A State-wide law is the only cure for the cattle tick menace and such constructive legislation should be put into effect at once, as in South Carolina, Mississippi, Georgia, Alabama, and other infested Southern States. A State-wide law completely banished this abominable pest, the cattle tick, from our sister States. The result is, that those States have developed rapidly in the livestock industry and are no longer dependent on western States for their meat supply, lard, butter, cheese, milk, and cream. The issue is clearly drawn between scrubby cattle with the cattle tick and pure-bred livestock with no cattle tick.

The hour is at hand when North Carolina must take cognizance of existing evils and banish them from our midst. As statesman and member of the General Assembly, we respectfully invite your attention and your support in the movement for State-wide tick eradication, which will mean more and better livestock, more butter, cheese, lard, milk, and cream for our babies and our grown-ups.

WHY IT SUCCEEDS

Because It is For One Thing Only and Graham People Appreciate This.

Nothing can be good for everything. Doing one thing well brings success.

Doan's Kidney Pills are for one thing only. For weak or disordered kidneys. Here is Graham evidence to prove their worth.

Mrs. Matilda Martin, Guthrie St., Graham, says: I use Doan's Kidney Pills whenever my back aches and my kidneys aren't working right, or when I have headaches and my nerves are unstrung. I find I can depend on Kidney Pills for relief from the trouble and you can always find a box in my home.

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Martin had. Foster-McLouran Co., Mfgs., Buffalo, N. Y.

FED FIGHTERS FOR LIBERTY

Last Mill That Supplied Bread for the Colonial Armies Has Gone Out of Business.

The last mill—the last firm—that had a part in feeding the Colonial armies has just discontinued business, ending the career of what is probably the oldest corporation in this country that has been conducted continuously by the same family. The Lea Milling company of Wilmington, Del., co-operated closely with Washington, who considered the mills of such strategic importance that he ordered the owners to dismantle the burrs and hide the upper stones from the British army. So these great stones, weighing more than a ton each, were carried in ox-carts to remote places, out of reach of the Hessians, and buried. Due to the good memory of a Continental officer, one of these was found later, but the other still lies hidden.

It was at the Brandywine mills that flour and grain reached the highest figure for which they were ever sold in the United States. Old records in possession of the Lea family show that \$24 a bushel was paid for wheat, and that between 300 and 400 barrels of flour brought the gross sum of \$21,000. This happened in 1780.

FOUND SENSATION IN PLANTS

Discoveries Made by Professor Bose Throw New Light on Matters Interesting to Scientists.

That plants respond like human beings to the effects of cold, chloroform and alcohol is the discovery of Professor Bose, the famous Indian natural scientist, whose invention for recording life movement in plants has been widely discussed the world over.

According to the professor, plants are very sensitive. He was surprised to find one day, by means of his recorder, a sudden depression in the plant he was studying, which proved to be due to a small cloud passing over the sun, of which he himself had not even been conscious.

Plants fall asleep like human beings. They do not merely fold their leaves, but they actually become unconscious. This Professor Bose has proven by the varying response of a plant during 24 hours to an electric current. At first it answered vigorously, then its response became enfeebled, and finally, it did not answer at all, between 6 p. m. and 9 p. m.

WEIGHTING FARM TRACTORS.

When a farm tractor needs additional weight, logs and stones are generally piled on the frame. A more orderly provision is made by a new machine, which stores sand or water ballast in its hollow wheels. The two main drive-wheels and the large idlers will hold a good many hundred pounds of extra weight. Instead of being rigidly connected to the frame, the large idler wheels are hung on spiral springs inclosed in iron cylinders. The tractor has no differential, and is steered with planetary gearing, which throws all the power onto one tread or the other.—Popular Mechanics Magazine.

EXEMPLIFICATION.

A young officer, somewhat affected in style, was explaining to his men what happened to a shell after it left the gun. The comedian of the company could not refrain from making remarks sotto voce, much to the amusement of his companions.

Officer—The shell, on leaving the gun, owing to the bore, goes round and round.

Voice—The mulberry bush.

Officer—After its momentum is expended gravity draws it to earth, otherwise it would keep on for evah and evah.

Voice—Amen!

SO CONSISTENT.

Mrs. Subbube—I was cleaning our silver on Sunday when Mrs. Straillace dropped in on her way home from church. Fortunately, though, she didn't find it out.

Mrs. Neddore—She's very strict about the Sabbath, isn't she?

Mrs. Subbube—Very. She apologized for calling on me on that day, but said she just had to tell me the scandalous story about Mrs. Wilde.—Boston Transcript.

SAWDUST PRODUCES PAPER.

In Scotland successful experiments have been made of manufacturing paper from sawdust.

Interesting School News From Guilford.

From Greensboro Daily News.

A petition, with the necessary number of signatures, was presented to County Superintendent of Education Thomas R. Foust yesterday requesting that a consolidated school be organized at Alamance church, southeast of the city.

The present school system in the Alamance vicinity is five one-teacher schools. The petition requests that these five schools be consolidated into one and that transportation be provided for children living a reasonably far distance from Alamance church.

Mr. Foust stated that the Board of Education approved the petition yesterday and it will now be sent to the County Commissioners who will call an election in the territory involved. The time of the election, place and officers to conduct it will also be decided by the Commissioners.

CASTORIA

For Infants and Children In Use For Over 30 Years

Always bears the Signature of *Chas. H. Fletcher*

In presenting that sword to Pershing, John Bull did an appropriate thing. He gave the weapon to a man who knows how to use it.

GRAHAM DRUG COMPANY, GRAHAM, N. C.

Trustee's Notice of Sale of Land.

Under and by virtue of the power of sale contained in a certain deed of trust executed by Banks H. Wilkerson and wife, Myrtle H. Wilkerson, and bearing date of January 28, 1920, and which is duly recorded in the office of the Register of Deeds for Alamance county in Book No. 80 of Deeds of Trust, at page 154-157, default having been made in payment of the debt secured thereby, the undersigned Trustee will sell at public auction to the highest bidder for cash, at the court house door in Graham, on

SATURDAY, SEPT. 11, 1920, at 12 o'clock, noon, the following real property, described as follows, to-wit:

All that certain piece, parcel or tract of land containing 31.5 acres, more or less, situated, lying and being on the Mebane-Yanceyville road and about two miles northwest of the town of Mebane, and being bounded on the North by the waters of Mill creek, the lands of W. N. Tate, E. P. Cook, and Woodlawn school lot; on the South by the lands of the Woodlawn school and A. A. Carter, and on the West by the lands of A. A. Carter and waters of Mill creek.

This being that certain tract of land heretofore conveyed to Banks H. Wilkerson as two tracts by L. G. Wilkerson, by deed dated September 5, 1914, conveying two acres, said deed being recorded in the office of the Register of Deeds for Alamance county, in Book of Deeds No. 49, at page 539, and by deed dated October 10, 1917, recorded in the office of the Register of Deeds for Alamance county, in Book of Deeds No. 60, at page 384, reference to which is hereby made. Said tracts containing 31.5 acres, more or less. Terms of Sale: Cash. This 3rd day of Aug., 1920. JOHN J. HENDERSON, Trustee.

Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of *Chas. H. Fletcher* and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA
Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. HOW TO REACH RHEUMATISM THROUGH THE BLOOD

Powerful Iron in liquid form makes rich, red blood and drives uric acid out of the system forever.

It is now generally known that Rheumatism is caused by uric acid which is formed in the blood and deposited through thousands of little capillaries and nerves in different parts of the body.

If you have healthy, rich, red, strong blood, you will never have Rheumatism. Healthy blood eliminates uric acid, and does not allow it to stay in the body to cripple and pain. The successful and reliable method of getting this great essential into the blood is through the use of a natural form of soluble iron known as Acid Iron Mineral. The nerves are immediately strengthened, bodily vigor is restored and the general improvement of all ailing conditions prove that the blood is getting the iron it must have to maintain perfect health. With the blood thus made healthy, uric acid is eliminated and

driven out of the system, even in cases where the trouble is of long standing, and has failed to respond to other methods of treatment. This new way of driving Rheumatism out of the system through the blood made pure and strong with this natural soluble iron—Acid Iron Mineral—is being adopted by thousands as fast as the story can be told. There is no need to suffer longer—you can be on the road to recovery today. And in driving Rheumatism from your system, this remarkable liquid iron blood maker will give you stronger nerves, more power in every way.

If you suffer from Rheumatism in any form, no matter of how long standing, you owe it to yourself to start using Acid Iron Mineral at once. Do not miss this opportunity. Call at your druggist today. Why suffer any longer?

For Sale by All Good Druggists.
