WILSON WILL RECOMMEND THE ACCEPTANCE BY THE U. S. OF GERMAN BONDS.

### SAID TO BE UNDERSTANDING IS WAR ON PAR COLLECTIONS

Foreign Loans Extended by us During Injunction is Reported to Have Been War and Since Vigorously Defended by Government Officials.

Washington .-- President Wilson is expected to recommend to congress before he leaves office that authority be granted for the United States to against the debt Belgium owes America, it was learned at the state depart- a charge of not more than one per

While the United States is not committed to any agreement, it was plained that there was an understanding reached at the Paris peace conference that such recommendations should be made to the legislative bodies of England, France and the United States. It was incident to the claims of Belgium for priority in reparations tives of the three great powers as a means for an immediate lightening of Belgium's financial burden.

Foreign loans extended by the treas ury during the war and since the armistice were vigorously defended by government officials.

Treaty of Sevres Revised. London.-Revision of the treaty of Sevres so as to give Turkey addition al territory in Thrace, now occupied the Greeks, was decided upon by Mr. Lloyd George and M. Briand in consultations preceding the near-East conference here. This decision before becoming effective, however, requires the approval of the allied colleagues of the French premier and the British
